I promise that I will never text while driving (writing, reading or sending messages.)

On May 7th we will ask our Lord, Jesus Christ, to bless our new drivers to keep them safe and to make good decisions. Let the church office know if you have a new driver in your family (permit or license).

“Remembering the Wittenberg Door of 1517”

500 years ago, God called a German monk, named Martin Luther, to change the world by preaching with an exclusive focus on the teaching and work of Jesus Christ found in the Bible. The result? A renewed faith placed solely in Jesus Christ and the birth of the Protestant Reformation.

As part of a year-long celebration of this 500th anniversary, St. Luke’s introduces to the community a Wittenberg Door display. Not just intended to help us remember the past, the Wittenberg Door display celebrates how faith in Jesus Christ is reforming people’s lives even today. God’s Word still has the power to change lives, hearts and minds--to worship God first and to love and serve others.

For more information about how God’s Word is changing lives today, go to stlks.com where you will find many ways the Lord God is changing lives through St. Luke’s ministries. Click on the Wittenberg Door tab where you are invited to post and read stories of how faith in Jesus Christ, the Word of God made flesh, has changed lives!

The Wittenberg Door Display was made possible by the St. Luke’s Memorial Fund and through the leadership and efforts of many church members.
