

Looking for a Good Book? Have a Good Book to Share?

Have you checked out the Cindy Vanetta Book Cart recently? The book cart located in the North Narthex was purchased in memory of Cindy Vanetta and her joy of reading. Everyone is welcome to bring Christian books and books with inspiring themes for readers of all ages. You

don't need to bring a book to take a book. But once you have read the book, bring it back for someone else to enjoy! After our Christmas in July give away, the books in the cart are more current. We encourage all readers to take advantage of the book cart and enjoy the great books there.

Safety On Campus

The St. Luke's Risk Assessment Task Force has carefully assessed St. Luke's campus and identified multiple items that are needed to improve the safety for all who use the church grounds and protect what God has given us.

The estimated total cost of all needed items = \$5,000

To date we have received - \$3,070

Total remaining = \$1,930

Please consider how you can support the efforts to fund these essential life safety items to enhance the protection of God's precious members and visitors to St. Luke's. Thank you in advance for your consideration.
