Summer Events

This year we are going to be doing VBS a little differently. It will be held throughout the summer on Thursday evenings (June 10, 24, July 8, 22, and August 5) at the times stated below.

There will be two programs to meet the needs of all of God's children. Please read the provided information below to find out more. There is also a link included to register your child(ren) so we can have the needed supplies to make this program a loving time where Children learn about God!

KINGDOM KIDS

Attention all kids age 3 through 12 please join us for our Summer Events!!!! This year we will be gathering on 5 Thursdays throughout the summer to have fun a little differently than our normal VBS Program. There will still be games, crafts, music, and learning about God, but it will occur throughout the summer instead of just one week. We will start off with food and fellowship at 5:30 and then move into our activities by 6pm. Sign up for Kingdom Kids Summer Events Here...

God's Special Kids

Attention all kids age 3 through 21 with special needs, please join us for our Summer Events!!!! This year we will be gathering on 5 Thursdays throughout the summer to have fun a little differently than our normal VBS Program. There will still be games, crafts, music, and learning about God, but it will occur throughout the summer instead of just one week. This year we are making adaptations and providing a separate time for children who would benefit from a shorter time frame and some extra assistance. We will start off activities such as crafts, songs, and adapted stories that follow the Owlegories videos. We will start at 4:30 and move at a comfortable pace for the children. Then at 5:30pm we will move into our fellowship hall to participate in fellowship and a light meal with the program ending at 6pm. We would like to encourage a family member or caregiver to participate with your child so that we can learn more about you and your family while meeting the specific needs for each child. Children & Worship (Lighthouse Kids) is continuing throughout the summer months. We have a wonderful program set up for the summer that is going to include a special devotional program and activity for families to utilize during the week. This program takes place during our regularly scheduled service time (10am on Sundays) where kids ages 3-12 take part in their own kid friendly service. This service provides them with worship songs, prayers, Scripture readings and understanding the importance of God in our lives. It also is provided in a kid friendly environment where the children can sing loud, dance, and ask questions to help prepare them for when they transition into the adult service.

One way we help in preparing them is providing a time when they will participate and lead the adult worship service singing songs, reading prayers and scriptures. They really enjoy this (and so do the adults) but it helps prepare them to be a part of the church. They will participate in the July 25, September 26, and November 28. Please mark these dates on your calendars!

As always, if you have any questions, please feel free to reach out to any Children's Ministry team member: Melissa Law, Laura Guyaux, Andrew McClure, or Annette Phillips
