A Prayer for Ukraine

God of the nations, our hope is ever in you. We hold before you this day the people of Ukraine as they face the tragedy of war in their land.

Strengthen and comfort them in their fear and protect them from danger. Have compassion on the broken-hearted and all in harm's way,

especially the most vulnerable who are unable to find places of safety. Pour out your grace and wisdom on the hearts and minds of the leaders involved that war may cease and a peaceful resolution found. May truth, justice, and freedom prevail. We ask this in your most holy name. Amen.

Please remember to keep up your pledges.

Pledges and offerings may be mailed to the church at
