Loving God More Deeply...Loving Our Neighbors More Fully...Being the Hands and Feet of Jesus
Have a Happy and Blessed New Year!

St. Paul's United
Methodist Church
"News and Happenings"
January 2017

Happy New Year! It's that time again--**RESOLUTIONS!** Have you resolved to do anything different in 2017? Change anything? What are your plans? Who or what do those plans involve? Here's why I ask.

Ten years ago, a study was performed by Gail Matthews at Dominican University on the best way to insure success of one's plans. Some people are only dreamers. Others are dreamers and planners. And, still there are those who are dreamers, planners, and implementers. After several weeks, it was found that the test group which was most overwhelmingly successful was those who were dreamers, planners and implementers. These persons took their dream/vision, wrote it down and shared the dream/vision with a trusted friend who held him or her accountable to complete the plan. Those individuals who did not write down and/or share their dreams were highly unlikely to have it come to fruition, the study reported. So, what does that have to do with you?

In regards to St. Paul's UMC, what are your dreams or vision for this church in this community in 2017? How will you be a part of the success of that dream or vision? Who and how will you share it for the edification of God's people and God's glory? For starters, join us in kicking-off the New Year with a Covenant Service and Holy Communion this first Sunday in January. More will be revealed!

Steele in One Peace,
Pastor Valerie
