Dear St. Stephen's,

In lieu of a personal letter, I thought I would pass on some offerings from the larger church.

Here they are:

**Coming on August 29, A ZOOM Workshop:  
The Way of Love - for the living of these days.**

The Presiding Bishop of the Episcopal Church, Michael Curry, created The Way of Love to guide all Episcopalian along the path to becoming more intentional disciples of Jesus. There is no more important time than now to learn and experience how The Way of Love will equip us to better meet the challenges of these days. This two hour workshop is designed to show us how to navigate successfully the troubled waters surrounding us by understanding and then experiencing each of the seven practices that comprise The Way of Love.

There is no charge to participate in this workshop and no materials to buy. This event is sponsored by the Episcopal Diocese of Kentucky and I am offering it to you.

For more information about the workshop and registration please click [The Way of Love for the living of these days ZOOM WORKSHOP REGISTER](#)

**Getting Souls to the Polls**

"It is a Christian obligation to vote, and more than that, it is the church's responsibility to help get souls to the polls," says Presiding Bishop Michael Curry. With the election less than 100 days away, the Episcopal Church is offering a non-partisan toolkit for "getting souls to the polls.". Click [VOTE Faithfully - Election Engagement Toolkit](#) for more information. I promise you won't get yelled at or harassed, no matter how you are planning to vote.

Stay safe!

God's peace
