“For I know the thoughts that
I think toward you, says the
Lord, thoughts of peace and
Not of evil, to give you a future
And a hope. Then you will call
Upon Me and go and pray to
Me, and I will listen to you. And
You will seek Me and find Me, when
You search for Me with all your heart.”

† Jeremiah 29:11-13

There is a lot of activity in Heaven right now and on earth there is greater angelic activity than at any time since the birth of Jesus Christ around 5 B.C. The King is coming soon to take His rightful place as King over all the earth. And His Second Coming will not be greeted kindly by the human forces of evil controlled by Satan that have sought to bring anarchy and murder throughout the earth.

I have been spending time with the Lord in Montana and there has been much angelic activity and a sweet Presence of the Lord, especially last night. And during the early morning hours as I was praying and worshipping the Lord I felt this teaching article drop into my spirit so we are going back to the future in order to arrive at our future in the next few years during the Trump presidency.

Now please understand, I am not involved in politics; in fact, I hate politics and the fact that *everything* in America has become about politics. I am speaking (or writing in this case) purely as a representative of the Lord, as a spokesman.

Our first stop on our trip back to the future is the year **1973**, the darkest day and year in the life of this country as the Supreme Court legislated the wholesale murder of innocent babies. The greatest sacrifice a person can make to Satan in the Dark Kingdom that he rules is the sacrifice of innocent blood, thus this was satanically inspired and has brought much joy to the devil's black heart as well as enriched the coffers of the Devil's Party here in America.

Now the Bible is clear—blood, especially innocent blood, defiles the land and it “cries out to God” (*cf.* Gen. 4:10, Heb. 12:24). So that is another reason why the devil orchestrated this because he wants to destroy America and he also wants to destroy the lives of those God created for a purpose. And until the presidency of Donald Trump, nobody sought to do anything about it. It was an “untouchable” industry that has made billions of dollars from the sale of fetus and baby organs, even though this is supposed to be a crime. And back in the mid-'80s the Lord showed me that this had “loosed the spirit of murder in America” and is one reason why the value of life has declined to the extent that somebody will walk up to a complete stranger and blow their brains out.

And unfortunately, the group with authority on the earth, the Church, has done nothing about it so it has continued but each day the innocent blood of billions of aborted children cries out to God for justice and that justice is coming, now, in the near future.

1982

Our next stop back to the future is in October, 1982, and I have shared this testimony in several of my writings and books. I was hired as a business consultant to turn around a company that was losing \$1M a month and I accompanied the executive V.P. of that company to New York City on business for some meetings. The first night we were supposed to go out for dinner and meet some people but the Lord spoke to me at 5 P.M. as I was getting dressed to go out, “Don't go to dinner tonight; I want you to

stay in your room and pray.” So I phoned the EVP’s room and said I would not be able to go to dinner with them.

So then I began to pray, mostly by the Spirit, and after an hour or so got over into groaning in the spirit. Then at 9 P.M. the dark room lit up brighter than the noontday sun in the desert—it lit up with a pure white light that was the Presence of Jesus Christ. And although I’ve seen the Lord many times and sometimes dressed in different ways this is the only time that He ever spoke to me out of white light but I know what the Apostle Paul felt when Jesus spoke to him that way on the Damascus road except that in a darkened room the blinding splendor of the light was much greater.

The Lord spoke to me about abortion and how much He hates it. Now you can know something is wrong but when you get a “Thus saith the Lord” it always completely changes your attitude about it and you know that you know that you know the Truth.

Jesus said, “I AM the Father of the fatherless, and that includes the aborted child.” I was weeping and my heart was broken as I felt the broken heart of the Lord over the planned death of these innocent children all over the world.

So who am I but flesh to speak to the Lord? But I’ve known that whenever God shows you something it’s because He wants to share that burden with you and He wants you to do something about it. That is why we see the Lord doing this with His prophets in the Old Testament and why they will often refer to this as “The burden of the Lord.”

We, the Church, have spiritual authority in the earth and we should be using that authority as I preached and taught for decades. God has given us the Divine Magna Charta (Gen. 1:28) to “subdue the earth” and “have dominion over it ...” which means we are supposed to take the earth back from Satan and deliver it to the rightful owner, God.

So I spoke to the Lord and this is what I said, “Lord, you should send an Elijah to Washington, D.C., to stand on the steps of the Supreme Court of the United States and declare: “Thus saith the Lord, “There shall be no more dew nor rain upon the United States until Roe v. Wade is overturned in these courts.””

I said, “If you want, I will go because I wouldn’t be afraid or embarrassed to go.” He replied, “No, the time is not yet but it will come!” So here we are, back to the future because that time is coming very soon.

1997

Our next stop on the calendar takes us to the End-Time Handmaidens African convention in Johannesburg, South Africa, where Evie and I ministered. Evelyn has the greatest anointing of Mercy on any human being that I have ever seen and God used Evelyn to release a move of Mercy after I had preached a message titled, “Vessels of Mercy” from Romans 9:23. The Lord had given me this message in December, 1996, and He said that there were “Three major moves of God left— Mercy, Glory and Judgment.” And now back to the future, the move of Glory is beginning soon; God has been waiting on the Bride to “prepare herself” but she has dilly dallied perhaps wanting to continue to be the major focus in the wedding instead of the Bridegroom.

2000

The next stop on our calendar back to the future occurs in October, 2000. It seems like the month of October is always very pivotal for Evie and I and the ministry God has for us. We were living in Libby, Montana, and I had been out hunting but mostly sitting on a rock praying and watching the gently falling snow. The Lord spoke the strangest thing to me. He said, “If George Bush will pick Dick Cheney as his running mate he will be elected President of the United States.” When I arrived back at the house, Evie was cooking a pot of chili on the stove and I shared this with her. Now this had never been done before. Cheney was his campaign manager and nobody ever picks their campaign manager to be their V.P. choice but Bush did. That is when I thought perhaps George W. really was a Christian because he could hear from God but alas his presidency proves just the opposite.

God’s main agenda for George W. Bush was to get Roe v. Wade overturned or legislated away yet he never attempted to do anything about it. He was only interested in prosecuting a war against Iraq based on information that he knew was bogus.

2004

Now we arrive at another pivotal time for America. I was laying on our living room floor one night praying for the confirmation hearings of Alito and John Roberts to the Supreme Court. All of a sudden I was taken to the steps of the Supreme Court and as I looked up the doors burst open and a huge river of blood like a waterfall came roaring out the doors and splashed all over me. Yet I knew in my spirit that this vision was not specifically about Roe v. Wade but it reflected the fact that the highest court of justice in our land was guilty—guilty of bloodshed and not providing *true* Justice. Lady Justice is supposed to be blind; and there’s a statue there by the steps of Lady Justice—but in reality, there has been little true justice from this court because

too many members are not doing what they are supposed to do—interpret the Constitution. The “Progressives” as they call themselves make all sorts of rulings that have nothing to do with the Constitution, like gay marriage.

Of course we know as Christians that the foundation of God’s throne is justice so it is only through Him that real justice is obtained and we are arriving at that point now in the not too distant future.

2008

Our next stop toward the future occurred on New Year’s Day, 2008. I was in the Washington area ministering in Virginia, West Virginia, and Maryland so I asked my friend if he would drive me into D.C. on New Year’s Day to the Supreme Court. I knew there would not be many people in town because of the holiday and I wanted to spend some hours praying on the steps of the Supreme Court to see if the Lord would say anything relative to what we had discussed back in ’82 or what He had shown me in the vision in 2004.

This was the first time I had been back to Washington since the Regan presidency and I remarked to my friend as we entered the city that it “was 40% darker now than it was then”; to me this meant that despite all the ministries coming to Washington the Church was losing the spiritual battle for the Capitol and seat of our nation.

So I prayed for two and a half hours on the steps of the Supreme Court and the Lord said nothing.

2015

In our next stop Back to the Future, we are in the month of June, 2015, the day that Donald J. Trump announced that he would run for the office of President. And as I’ve shared many times, as I began praying about him the Lord showed me that Trump was His choice and that Ted Cruz would be His second choice. The Lord showed me that He was raising up Trump as a Trumpet to declare and expose the evil in government of our country that only a few who have prayed over the years knew about. The Lord said that Trump “would be like a Cyrus and a Josiah” and I knew what He meant by that. Both of these men were kings and both were prophesied by name over a hundred years before they were born! Cyrus was a Persian king that the Lord used for the benefit of fulfilling His prophecy through Jeremiah of the 70 year captivity whereas Josiah was the last godly king of Judah who sought to bring the nation back to Jehovah. And, now 5+ years into the future we see how the Lord has used Donald Trump for the benefit of Israel and to expose corruption and try to bring our nation back from the brink of collapse.

2020

In the history of America there has never been a President more vilified by the media and others. And it's not because of why most people think—it's because of the anointing! The devil and those who serve him hate the anointing! And whether or not you like President Trump the fact is that he was anointed by God like Cyrus and Josiah for government.

I was recently speaking with an African pastor friend who has a church in San Jose. And he shared how so many people there, Christians, hate Trump. He said that they don't understand the governmental anointing. And he is correct. Of course another problem is the non-stop 24/7 media lies and distortions about President Trump.

That is why you must develop the Eye of the Eagle and see by the Spirit if you claim to be a citizen of Heaven and you want to support the Lord's agenda here on earth—His purposes and plans and those He is using.

So here we are a little more than a month away from the election. The polls show that Biden will win but that's what they said about Hillary last time. Right before the election in 2016 Pastor Andrew phoned me and said, "Daddy, daddy, all the prophets here in Nigeria are saying that Hillary will be President." I simply said, "Well, we will see."

Now as I recently wrote in *Living in the Now of Faith*, we have to realize that there are three wills of God and we should always seek to be in His perfect will. And sometimes the will of God can change about certain things or facts. That is because of covenant—God limited Himself through covenant and because we are in covenant with Him as the Church we can change things or alter events through spiritual warfare and intercession. Remember, Peter understood this fact (2 Peter 3:10, Dan. 2:21) and so does Satan who himself seeks to change times and seasons that the Lord has ordained and the Antichrist will soon appear and seek to do just that (Dan. 7:25).

One interesting fact about the prophetic is that when God shows you something you never really understand it—you only understand a small portion of it. Now we are standing on the door of another Presidential election. What is going to happen? Well, I'm glad that you asked because you certainly need to be in prayer, not for the election—the outcome has already been decided—but for President Trump and his family. I am going to share with you the plans of God and the plans of Satan.

THE PLANS OF SATAN

First, the plans of Satan and those he controls like most of the Devil's Party. I wrote in *Mysterious Secrets* how the devil has some forethought about the future—he can see slightly into the future—but I didn't share *how* he is able to do this because He is not omniscient like the Lord. He does it through his own surveillance mechanism of hundreds of millions of demons.

Just like in the recent war against ISIS, the enemy has scouts and lookouts who used their cell phones to alert their comrades when they saw a US convoy coming to engage them. Satan knows certain things just by watching what the armies of Heaven are doing both there and on earth. That is why the Devil's Party, the media and all who benefit from Planned Deathhood have been scared to death that Trump will appoint more conservatives to the Supreme Court. They are deathly afraid that *Roe v. Wade* will be overturned because it was so hotly debated before for two years.

And now with another pick from Ginsburg's death, they are trying to stall until after the election hoping that Biden will get the pick. But it won't happen because the Halls of Justice have spoken from Heaven.

So currently, in addition to the anarchy, economy lockdowns for the virus, etc., this is the enemies' current plans to stop the plans of God for revival, restoration and renewal in the USA:

- 1. They are printing millions of illegal ballots. They have used this tactic for decades to steal elections and they tried to do it with Hillary last time but God swept it aside. That is another reason *why* all these states that are Democratically controlled are also wanting voting by mail—so the election decision can be held up for several days after election night. That way they will know how many illegal votes they will need in order to win.**
- 2. If Biden is not elected, they are planning an assassination of President Trump between the election and inauguration day. And it is about this that you must pray to stop from occurring.**

GOD'S PLANS

You probably haven't thought about it but I was reminded this morning during prayer that we are coming up on the Year of Jubilee (2023) for *Roe v. Wade*; it will happen during Trump's second term in office and the Lord wants very much to see that law overturned and struck down. That is the Lord's main agenda for Trump as well as the continuation to expose and prosecute—which will finally begin to happen—crimes, corruption and bribes in the highest levels of our government.

The prayers of the saints for justice and the cries of the blood of innocents have mandated God's judgment and justice of these crimes and as He states in the Bible, the hidden things will be exposed. Praise the Lord!

And the Lord will use this model of what He has done in the USA to force other nations to examine themselves and do likewise. I saw something on Twitter this past week about the "Biden Transition Team" and I tweeted that he won't need a transition team so he should just let them all go. Praise the Lord!

Years ago God sent Amos to plead His case for the poor and to prophesy against the religious idolatry that was consuming the land. Like Israel back then, so many of the churches in America have traded a relationship with Jesus Christ for religious idols.

"Seek good and not evil, that you may live ...Hate evil, love good;

Establish justice in the gate. I hate your (religious offerings) and I do not

Savor your sacred assemblies, Take away from Me the noise of your songs,

For I will not hear the melody of your stringed instruments.

But let justice run down like water, and righteousness like a mighty stream."
