Oh, Church family, how much we need the Great Teacher—the Rabbi—the Holy Spirit! I tell Christians all the time that He is the Great Teacher on the earth today and one of His primary missions Jesus said was “to guide us into all truth.” Remember, to the extent that you are bound in any area of your life, you need to know the truth because it is only the truth that “sets us free.” Jesus Himself taught us these wonderful truths in John’s gospel and we need them today.

This teaching article, if you will read it and meditate on it several times and allow the Holy Spirit to teach you, will be worth a fortune to you in the days ahead because we are entering into the worst days for Planet Earth. The Lord told me back in 1980: “Son, in the last days the power of Satan will become so strong that only those Christians that are strong in the Word and faith will survive.”

It’s an unfortunate but unavoidable fact that our Western society is so ignorant about spiritual things and the spirit world. If they had any spiritual knowledge it would speed the cure for cancer and many other diseases that are caused by demons from the Dark Kingdom. That’s one of the reasons God’s called me to the office of Teacher and to be a spiritual scientist because He does not want His own people to be ignorant of His Word and His Ways. Unfortunately, like Israel of old, most Christians never develop spiritually—they never develop the Eye of the Eagle and so they are constantly in turmoil over the attacks of the devil.

Paul wrote about spiritual gifts—the nine gifts of the Holy Spirit—in 1 Corinthians 12 and he stated that he “did not want you to be ignorant” yet most Christians today are still ignorant about the Holy Spirit, His gifts and His mandate from Heaven to the Church and the world. And we can only assist Him and bring joy to the Lord Jesus if we ourselves are not ignorant but learn and practice the spiritual gifts and principles of the Scriptures. Praise the Lord!

One of the things the Lord’s always done with me is give me one or two messages for a group of people ahead of time—normally months or even years ahead of time—before sending me to a church or convention. In addition, in the ‘90s He began to always take me there beforehand in the spirit so that I could “feel” what the spiritual obstacles and problems were—the spiritual atmosphere of the people.

But if you don’t have your mind renewed (Romans 12:2) by meditating in the Word then it is difficult for you to “think the thoughts of God” (Isaiah 55) and *know* the truth, believe the truth and *speak* the truth because the real truth—God’s wisdom—is completely at odds with man’s wisdom and most of what we term “scientific truth.”

The greatest revelation and message, I believe, that the Lord’s ever given me (*Expanding Your Possibilities*), dealt with the subject of this teaching article and is a clear Bible example of how scientific facts are trumped by the Word of God. Period! That is why if you can “only believe” and then only speak the word of God then you will receive regardless of the scientific facts. So many Christians die prematurely because they do not follow this Principle of God from the Scriptures but it doesn’t have to happen to you if you will get your thinking straightened out right now and learn to “think the way God does.”

I would recommend that you get the 2 CD message, *Expanding Your Possibilities*, because it will change your life because of the anointing on the message as it did the many hundreds who were there in church that night so we are giving a **special offer so that you can order it for only \$8. After you’ve meditated on the message give it to a person you know who is fighting a terminal illness or something they deem**

hopeless and expect to see their life change. That is ministry—doing something for other people every single day!

Now what are we talking about? *Believing* the Word and *speaking* the Word. Why? Because the Lord “watches over His word to perform it” (Jer. 1:12) and it is impossible for His Word “to return void,” i.e., without accomplishing the purpose for which it was sent. This is very important—the Word will not return until it has accomplished its purpose (if you don’t get in the way through doubt and unbelief)! Please understand that “nothing is impossible with God” and that if we believe the Word and speak the Word it will produce the results we are seeking. David learned this principle and you see it in action before he goes to meet Goliath. What are the Goliaths in your life where Satan is attacking you?

The reason you have to “expand your possibilities” is because you can *limit* God by your thinking and prevent His word from coming to pass. When Jesus walked up to the man on Solomon’s Porch (John 5) who had been an invalid for 38 years, the man’s thinking limited the Lord until He pushed through the man’s ignorance because this man was limiting God by only focusing on getting healed one way! Jesus didn’t ask him if he needed help getting in the pool; Jesus simply said, “Do you want to be made well?” But the man’s thinking and focus was limiting his ability to receive healing from the Lord just like it can you or people that you know.

In Luke 8 and Mark 5 we have the testimony of Jairus who was a “ruler of the synagogue” and he came to Jesus right after the Lord had cast 2,000 demons out of a man. Jairus “fell at Jesus’ feet and begged Him to come to his house, for he had an only daughter about twelve years of age, and she was dying.”

So we notice right away that this was a serious situation—it was not just a headache or “a woman over there with female trouble.” The man’s daughter was dying. Now from the text it’s interesting that Jairus didn’t follow the Centurion’s ministry model because Jairus doesn’t ask the Lord to “speak the Word” but rather to come to his house where his twelve-year old daughter lay dying. So, in a sense, he

was limiting the Lord's ability to heal his daughter, right? That's why I tell Christians all the time this principle I learned from the Lord: (1) you don't tell God *how* to do it, and (2) you don't tell Him *when* to do it. Our part is to believe the Word, speak the Word and make sure our actions are in line with the Word we are believing (*see the [Three Steps to Receiving a Miracle](#) the Lord gave me in 1998 on our website for further clarification of this principle*) When we do this we are demonstrating faith by our words and actions and we expect Him to "watch over His word to perform it."

But now the part I want to get to with Jairus—and thank God we have this portion of the Scriptures to learn from—is another principle I reiterate in the message—not only is there no distance in the spirit realm but there's no time as well! You don't need H.G. Wells' Time Machine to go back in time and change things—the Spirit of the Lord will do it for you, praise God!, and we see it right here but if you're not able to "expand your possibilities" then you might limit God and not be able to receive because, quite frankly, it is beyond the comprehension of the human mind to think this way.

But again, another principle of God from the Scriptures I've written and preached about—God often sends a physical sign that will contradict the spiritual sign. Which one are you going to believe? This was not the case with Jairus because the Lord wasn't "testing" Jairus and He wasn't responsible for his daughter's physical condition—Satan was. But if Satan attacks you or somebody you are ministering to then you'd better know what to do and you'd better be able to follow the Holy Spirit and not limit God by your thinking.

Jesus agreed to go with Jairus but as they were going down to his house the Lord was interrupted by ministry—the woman with the issue of blood, right? She came to Jesus and touched Him—He wasn't seeking to minister to her, was He? But you see her faith and what she *said* and what she *believed*—remember the subject of this teaching—Believe the Word and Speak the Word—caused the healing anointing to flow from Jesus to her and she was immediately healed.

Jesus felt that flow of anointing leave Him and during the commotion which followed precious time was being wasted, wasn't it? Or was it? Again, don't limit God. You see right here that time is not of the essence where the Lord is concerned—He is more concerned with the individuals that He is ministering to at that moment—now—and this should be a lesson to us in ministry as well—people are important to the Lord and so we must take time for people when we're moved by the Spirit to minister to them.

So now watch this part, while Jesus was speaking with the woman who had been healed of the blood flow that the doctors could not heal, some people came from Jairus' house and "while He (Jesus) was still speaking" they said to Jairus: "Your daughter is dead; do not trouble the Master any longer." In other words, it's too late; she's already dead.

Now, was she dead or not? Jesus never said that she was dead, did He? But obviously it was a scientific fact that she was dead! Well, perhaps we need to understand this principle of God and what Jesus was demonstrating for us to learn. Notice that Jesus overheard what these men whispered to Jairus but He ignored it and said to Jairus: "Do not be afraid; only believe, and she will be made well."

But most people today in Jairus' shoes would have said, "How can she be made well when she's already dead? It's too late." Was she dead or not? The men that came from the house said she was dead but Jesus just flat did not believe that "scientific fact" (the Greek is emphatic, "has died") did He? He did not accept the fact that she was dead, did He, or else why would He continue on down to Jairus' house? What was Jesus doing? He was putting action to His faith—He was ignoring the scientific facts because He knew that He could change them by speaking faith-filled words!

This is why faith is so important and why you absolutely must build your faith "by hearing the Word" because it is the substance—the spiritual substance—"of things hoped for." So the real truth and principle from the Scriptures is this: your faith can change scientific facts! Jesus proved it right here. Notice again His words to Jairus:

“Fear not: believe only, and she (what?) shall be made whole.” That don’t mean maybe, does it?

So our part is to believe the Word and to speak the Word only no matter what the circumstances and attack of the enemy. Amen! The great apostolic teacher, Paul, received so much revelation and this one did not escape him as he elaborates on it in great detail in Romans, especially chapter 4 and you need to read and meditate until you understand and can practice this principle of the Lord Jesus so that your life will never be the same.

Remember how I’ve shared that often revelation from the New Testament compliments the Old? Paul details facts about Abraham—the father of faith—not shared in Genesis. Abraham is the first testimony of a person operating in this principle: **Believe the Word, Speak the Word.**

Abraham “believed” even though it was “against hope” (Ro. 4:18) and *why* was it against hope, i.e., human hope? Because it was a scientific fact that both he and Sarah were past the age of child bearing, right? Sarah had stopped menstruating but the Bible says that Abraham did not “consider” the scientific facts, right? What were the scientific facts? It’s given in Genesis and right here in Romans 4:19—“the deadness of Sarah’s womb.”

Now I’ve seen this miracle scores of times; there’s never been one barren woman that I’ve prayed for who didn’t have children—not one, even if they’d already had a hysterectomy. How were they able to do it? By practicing this teaching: believe the Word, speak the word, never doubt and add action to your faith! God watches over His word to perform it so it has to be. We believe therefore we speak and receive according to 2 Corinthians 4:13.

This is exciting stuff once you understand it so notice the literal Greek that Paul is writing because the Greek language is one of the most *precise* on earth:

“... the life (Gk. *Zoe*, i.e., eternal life; the life and nature of God Himself) of Jesus may be revealed in mortal flesh our. So then death is at work, but life (again, *zoe*) in you. Having but the same spirit of faith, according to the thing having been written (the Word), I believed, therefore I spoke, also we believe, therefore also we speak.”

Ω 2 Corinthians 4:11-13

Abraham, Paul wrote in Romans 4, applied this same faith of God by believing and speaking. Remember, the Bible teaches another important “un” scientific fact—a Latin phrase *ex nihilo* (“from nothing” or “out of nothing”) captures it quite well—the worlds and universe were created from “nothing,” i.e., from no visible matter which is scientifically impossible. They were created by the spoken word! Praise the Lord! And when you understand this principle you will begin to operate in it just like Abraham, Elijah, Elisha, Jesus, Paul and others.

“... before him whom he believed, even God, who quickeneth the dead, and called those things which be not as though they were.” (Romans 4:17)

What is He speaking? The Word! When you operate in this spiritual principle you only consider and believe the Word and thus you speak only the Word and you don’t believe or speak what your physical mind or eyes see! Now I’m not saying this is easy; it takes a lot of practice but the more you do it the easier it becomes. The faith-filled words of God that we speak bring the desired results.

Remember the Scripture I shared last week that I discussed in the Second Edition of MSDK as being the main way the devil is destroying Christians with cancer because they are not obeying this Scripture:

“While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.” Ω 2 Corinthians 4:18

This scripture is another proof text that Paul understood this principle of God. Remember, as I've said many times, this world you live in is not the same one God created—it's been perverted and distorted by the "god of this world," Satan, so you can't necessarily believe anything that your physical eyes see. You must learn to see by the Spirit with the Eye of the Eagle. Praise the Lord!

As I've shared before, during the years the Lord first moved us to Montana and began to pour out many dreams and revelations concerning the false church Satan has erected He also gave many dreams and revelations about words—the power of our words and I share these in the book *Revelations from God* which is also available as a special offer this month for only \$10.

We pray that you will be blessed as you learn and operate in this principle of God:

Believe the Word; Speak the Word
