**“Therefore do not be like them. For your
Father knows the things you have need of
Before you ask Him. In this manner
Therefore pray: Our Father in Heaven,
Hallowed be your name. Your kingdom
Come. Your will be done on earth as it is in
Heaven.” Ω Matthew 6:8-10**

**“God which quickeneth the dead and
Calleth those things that be not as
Though they were.” Ω Romans 4:17**

**One of the reasons that the Kingdom of God has not come to
earth and many Christians today are dying from cancer and
other deadly diseases is because they have not obeyed the
two scriptures above that are our key texts for this teaching**

lesson. And I'd encourage you to read these scriptures and this teaching over and over until it clicks into your spirit and you "get it."

Last week I wrote about Christ the Healer. But you must realize and understand by the Eye of the Eagle my brothers and sisters that just because Jesus is a healer doesn't mean that He will heal you! YOU must understand this spiritually so that the devil can't kill you or a member of your family.

Is Jesus able to heal you? Most people, even non Christians, would answer, "Yes, God can heal." But again, that doesn't mean that He will heal you. Now if you can understand covenant and the New Covenant properly then you know that by *hesed* (a covenant term translated mercy in the KJV) the Lord is obligated to heal you if you are in the family of God but, again, it might not happen even though it is His will. Why? Well there can be several reasons but the main one is that your words "may be stout against Him" (Malachi 3:13).

Now I'm using healing as an illustration of this principle because it will be easy for you to understand; however, you must learn and apply these principles of the Scriptures in other areas of your life, like finances, the will of God, choosing a mate, having a baby—especially if you're barren—if you want to defeat the devil in spiritual warfare and live the "abundant life" that Jesus died for you to have.

In 1980 the Lord spoke to me: “Son, the devil is going to put cancer on more and more Christians.” Now at that time I did not ask Him how or why this was going to happen but we’ve certainly seen it come to pass and the devil has killed many, many men and women of God like John Wimber. But if you will learn these scriptures and apply them to your own life then he will not be able to kill you with a deadly disease or some other trap.

One of the reasons that Eve and I have 100% in praying for people—couples that want to have a child but have been unable to, even those without the *physical* means to do so, e.g., the wife has had a hysterectomy—is because many years ago we learned these scriptures and others, e.g., James 1, Matthew 8:8 and others because there are many in both the Old and New Testaments. This also applies to cancer. Now when I say 100% that means not one person did not receive their miracle, even though most are like the 9 lepers and forget to give glory to God because they got what they wanted. We need to be grateful people for all that the dear Lord Jesus does for us.

So if you can learn this principle today from this teaching and you will practice it by speaking the Word only, then your days of defeat and sickness will be over! Praise God!

The Lord gave us a phrase when He moved us to Montana back in the ‘90s—the “Eye of the Eagle”—and it means the

ability to see into the spirit realm. If you cannot see into the realm of the spirit, my brothers and sisters, then you are at an extreme disadvantage and the devil will use this to harm or kill you. In Nigeria and other countries of West Africa where I've been, the members of the evil government are able to place *spiritual things*, e.g., a spiritual boulder, in your path so that your vehicle runs into it and you are killed in an auto "accident."

One of the most frequent expressions that both the Lord Jesus and the Apostle Paul used is that of learning to not judge by the external, i.e., physical appearance. We must learn to see by the Spirit because that is the truth. The prophets and others who are *seerers* can do this. Today, many Christians are not taught about this and/or they've lost sensitivity to the Spirit through so much noise and chaos in their lives that they fail to pick it up in their spirit even though the Holy Spirit is trying to warn them.

I've shared in writings and preaching messages an example of this in the life of David that I learned from the Scriptures and the Holy Spirit. When David was anointed king by the prophet Samuel the Spirit of God left Saul and an evil spirit troubled him. Now why did this happen? Because there were only 3 offices—prophet, priest and king—in the Old Testament upon which the Holy Spirit rested. He did not indwell them as He does today with New Testament believers but He was present upon them to help them and

we often see this with all 3 offices in the manifestation of the Spirit's gifts—such as prophecy—upon these three. And as I later learned from the Holy Spirit in 1997, the anointing is God's stamp of approval. If it's not anointed it may be good (or deceptive) and it may help people but God does not approve of it; He's not given it His stamp of approval—He's not working in it.

But there could only be one true king at a time, right? So even though Saul was still physically the king with all the king's power and authority the real king spiritually was David so the Holy Spirit had to depart from Saul and rest upon David. But had you been alive back then, unless you possessed the Eye of the Eagle, you would still have thought that Saul was king for the 13 years or so that Saul tried to kill David and David fled from him. But Saul wasn't the true king, was he? Why? Because God had spoken through the prophet Samuel and David had been anointed king and that anointing was God's stamp of approval on the new king—the true king!

Eve and I shared in a T.V. interview a few years ago and I've shared a bit in *The High Calling of God* some of our experiences in Heaven as we've both been there a number of times. And there are no diseased or sick people in Heaven. I've never seen an old person in Heaven; everybody looks like they're about 25 years old.

But the earth is not that way, is it? Why? Because of the power and curse of sin—the Law of Sin and Death that affects those that dwell upon the earth. But notice Jesus’ prayer that we tend to ignore in the Church.

Jesus’ disciples—especially the Twelve—noticed a big difference in both His demeanor and His prayer life when they walked the earth with Him. They also had a difficult time understanding what the centurion spoke in Matthew 8:8—the fact that Jesus exercised His authority over the earth through the spoken word!

So when the disciples asked Jesus to “teach us to pray” they must have been puzzled by His example of prayer we call “The Lord’s Prayer” that He gave to them, especially Matthew 6:10—“Thy kingdom come, thy will be done, on earth as it is in Heaven.”

Why does Jesus want us to pray that way? Because we, the Church, now hold the Kingly anointing of Jesus and we are responsible for this happening simply because we have the authority and power as His disciples to “call things that be not as though they were!”

Remember what I’ve shared many times—every single Christian has a threefold anointing by virtue of the Holy Spirit indwelling you—prophet, priest and king. And you exercise your kingly anointing through the spoken word!

You are supposed to exercise your faith and this anointing just like Jesus and God the Father by “calling things that be not as though they were.” Praise God!

Does God want revival in your town? Then if He does, you need to begin to “call things that be not as though they were.” If you’re a pastor or other Five-fold elder in your church then you might change the way you deal with Sister Smith each Sunday. Does the Lord Jesus want to see Sister Smith (see archived teaching article of July 9, 2012) get up out of that wheelchair and walk? Well, if He does, then maybe you should devote a whole service to “calling things that be not as though they were for Sister Smith.” I can promise you that if you will do this you will see Sister Smith walk! I guarantee it!

You see, my brothers and sisters, the Bible is true and it says that “Jesus Christ is the same, today and forever.” That means that if you can find one verse of scripture where He healed a paralyzed person then He will do it today IF He can get us to believe the Bible and begin to “call things that be not as though they were.”

I learned from Brother Kenneth Hagin back in the ‘70s and it’s true, you can always receive healing or anything else by your own faith. Now it’s easier to receive sometimes, e.g., a miracle, if you can get under the anointing of a ministry that operates in The Gift of Working of Miracles or The Gift of

Faith like Kathryn Kuhlman or others but you can still receive on your own by the Holy Spirit by simply “calling things that be not as though they were.” It may take longer to receive but you will receive for one very simple reason that Jesus Himself said: “The Scriptures cannot be broken” and the Scriptures teach that we are created in the image of God as born-again believers and that we have been given “power and authority over all devils” and the kingly anointing of Jesus Himself because we are His Body on the earth today.

So if there’s an area of your life that you want to change, e.g., you’re confined to a wheelchair, then begin to “call those things that be not as though they were” and your situation will change.

Now if you’ve read *Mysterious Secrets of the Dark Kingdom* (MSDK) then you know that cancer is not just a disease. Doctors and medical science call it a disease but that’s because they’re stupid. They may know a lot about physical things as most scientists do today but they know very little about spiritual things.

And cancer, like most low-level devils (spirits called servient spirits) who are confined to the earth, “serve” the Principalities, Powers and Satan by attacking the human race. So although they almost always have a *physical* manifestation, such as a tumor, in reality the root cause is a

spirit. If you cast out that spirit like Jesus did in the Bible then whatever that spirit was causing—muteness, blindness, lameness, etc.—ceases to be. So if you’ve been diagnosed with cancer, my brother and sister, go to a deliverance ministry that knows what they are doing and have them cast out that spirit of cancer.

But maybe you don’t know a deliverance ministry that does this; maybe you’ve never heard before that cancer is an evil spirit. Well, you can still “call things that be not as though they were” and it will work for you simply because “the Scriptures cannot be broken.”

However, you must really learn to watch the words of your mouth—your confession—that I listed in MSDK as a “weapon of warfare.” As I shared in my book *Revelations from God, a Prophet’s Journal*, most of the visions and prophetic revelations that I’ve received from the Lord, especially during the early years that God moved us to Montana and began to pour out revelations and visions about the false church that Satan has erected, have dealt with two subjects—the false church and the power of our words.

When I wrote the Second Edition of MSDK in 2008

I shared something about cancer that the Holy Spirit showed me which reveals exactly why so many Christians are killed by cancer today—they are not obeying the Scriptures but in fact are doing the opposite.

The key scripture that the Lord showed me is 2 Corinthians 4:18,

“For we do not look at the things which are seen, but at the Things which are not seen. For the things which are seen are temporary, but the things which are not seen are eternal.”

Now don't forget one of our key scriptural texts—“calling things that be not as though they were” which is what God does and what we should be doing. However, the Holy Spirit showed me that Christians were dying of cancer because they were doing the opposite of both Romans 4:17 and 2 Corinthians 4:18.

Not only were they not, in this case, “calling things that be as though they be not” but they were also doing the *opposite!* They were calling things that were as though they are and always will be and also they were disobeying 2 Corinthians 4:18 by doing the opposite of what the Word says. Instead of “not looking at the things that can be seen,” e.g., the cancerous tumors, “but the things which are not seen” they were actually looking at the things that are seen—they were focusing on the cancer and its tumors. The devil has fooled them into doing the opposite of the Word and therefore the results are not going to be good.

Just because the tumor is still there, my brother and sister doesn't mean anything. Just because David had not physically ascended to the throne of Judah and Israel did not mean that in the realm of the spirit—the real realm—he was not king. And just because that tumor is still there, even 6 months from now, doesn't mean anything. If you will keep “calling those things that be not as though they were” you will see those tumors disappear. I guarantee it! So get started today with this principle in your own life and “speak the Word only” over and over to see your circumstances change.

Once you've learned this principle then you will apply it to your own life and you will also understand the importance of Jesus' model prayer and you will begin to pray this prayer several times a day over your household and community:

“Thy kingdom come, thy will be done, in Kingman, Arizona, as it is in Heaven.”
