**“Then they despised the pleasant land,  
Having no faith in his promise. They  
Murmured in their tents, and did not  
Obey the voice of the LORD. Therefore  
He raised his hand and swore to them that  
He would make them fall in the wilderness...  
They did not destroy the peoples, as the  
LORD commanded them, but they mixed  
With the nations and learned to do as  
They did. They served their idols, which  
Became a snare to them. They sacrificed  
Their sons and their daughters to the  
Demons; they poured out innocent  
Blood, the blood of their sons and  
Daughters, whom they sacrificed to the  
Idols of Canaan, and the land was  
Polluted with blood. Thus they**

Whore in their deeds.”**

**Psalm 106:24-26; 34-39**

**Psalm 106 is one of those scriptures that speaks to me each month when I read it again about the similarities between Old Testament Israel and the Church today. You should read not only the verses given above but the whole Psalm a few times and ask the Holy Spirit to speak to you about it. It's a powerful presentation of the failure of the human race—first Israel and now the Church—to move with the Cloud and guidance of the Holy Spirit. Like Israel, we tend to be like many 3 year old toddlers—and we have a lot of spiritual toddlers in church leadership today—stubborn and rebellious!**

**The Holy Spirit has been patiently waiting for 25 years to lead the Church into battle but we want to do our own thing and, so like Korah of Moses' day we must establish our own spiritual leaders who will lead us where *we* want to go instead of where the Holy Spirit wants to lead us to establish the Kingdom of God upon the earth.**

**I remember back in the late '80s when God began reestablishing the prophet's office and He began to raise up many, many prophets throughout the land. But if you were spiritually attuned to what was going on you also noticed that there was a distinct change in worship music to that of warfare! But where is that warfare music today?**

**“The children of Ephraim, being armed and carrying bows, turned back  
In the day of battle. They did not keep God's covenant, but refused to  
Walk according to his law. They forgot his works and the wonders that  
He had shown them.” Ω Psalm 78:9-11**

**As a result of our not following the Holy Spirit today in most churches many are “falling in the wilderness” and many, many more will likewise perish in the years ahead, especially here in America when America goes into captivity. Yes, America is going into captivity! Get ready for it because it is surely coming! And also as we’ve written and said for many years there is coming a time of severe famine to this land of plenty. Just remember when that time comes that Jesus is still the same; He is the one constant in the Universe, and just like in Elijah’s day when there was drought and famine He took care of His covenant people because He is obligated by covenant to provide for us.**

**In other writings I relate my vision of 911 that the Lord gave me the afternoon of September 11, 2001, the day that the nation was under attack by both Muslim terrorists and our own government. It was a vision within a vision within another vision but it speaks of captivity. Likewise, Apostle Evelyn had a dream just a few weeks ago and she saw a newspaper headline: “America Has Fallen!”**

**Imagine how shocked many people will be but in the Church we should not be because captivity is one of the judgments God has used throughout history, along with famine, drought, warfare and plague, to chastise a nation and bring them to repentance.**

**Back in 2006 I received a phone call one evening from a couple who had connections politically in Washington. They were Christians and they had heard of our ministry so they contacted us to come do some teaching in their area. They began to talk about prophecy and asked me, “What is going to happen to America?” I replied immediately, “She’s going to be destroyed.” There was a deathly silence on the other end of the phone for a minute or two. That’s not the kind of personal prophecy we want to hear for our nation but it’s the truth.**

**My first vision as a four year old child was that of a nuclear attack on America and I had the second vision of this about 12 years ago. The number two in prophecy means that it's going to happen soon and it cannot be averted, although if the Church would repent we could postpone judgment for a few more years.**

**So like Israel in Psalm 106 many Christians are "falling in the wilderness" because they have refused God's leading to conquer "the pleasant land" or "promised land." And like Israel we are serving the idols of the land and have "mixed" with the people of the land instead of being "separate" as God called both Israel and the Church to be.**

**Most Christians go to the same R or X rated movies that the world does and today even PG rated movies should be rated R for language and sexual connotation. We are supporting the very people who are helping destroy the morals of the whole world. And we've also seen where the Church has even adopted their methods, e.g., holding concerts for profit by Christian "entertainers"; they think or at least they say, "It's ministry" but Jesus Himself first preached "the gospel to the poor" who cannot afford such "concerts" and He also said that we were not supposed to charge for the Gospel. He said it and it's also prophesied in Isaiah 55. So why are so many today charging for what should be free? We've mixed with the peoples of the land and begun to serve their idols of money, fame, popularity, etc.**

**Paul wrote about this type thing happening in his day. There were those going around calling themselves "super apostles" because they charged more for the gospel than Paul did and like most speaking circuits today you are rated by how much you charge to get people to listen to you. "Many false prophets" that both Jesus and Paul prophesied about in the last days are charging thousands of dollars for personal prophecies. Why would you want to pay \$500 or \$1500 for a**

**prophecy? Do you really think God is moving through the spirit of Balaam?**

**I remember back in the '80s that I was so shocked to find that the second largest charismatic church in the Houston area, behind Lakewood, was staffed up to offer psychological Christian counseling for people for \$100 an hour. Even today we see those who have fallen in ministry or other Christians going to "Christian counselors" for problems that are spiritual. Listen, Jesus did not try to counsel the devil out of people; neither did Paul. You don't see in the Book of Acts or any of Paul's epistles any reference to the "Super Apostle Paul's Mars Hill School of Counseling." You don't see Jesus hanging out a "Christian Counseling" shingle there in Galilee and charging people to come for counseling. How Satan laughs at us!**

**So because we have chosen other leaders to lead us and we have "mixed with the people of the land" our own children—both physical and spiritual, like Israel of the Old Testament, are being sacrificed to the demons. All over the world "ministers" are following the "ministry model" that they see coming out of the USA by allowing the Balaam spirit of Satan to replace the anointing and power of the Holy Spirit so that their spiritual children are being murdered and aborted—killed in the spiritual womb of their church where they should have felt safe.**

**One of my greatest concerns and what grieves me the most in the Church today is all of the young eagles that are being aborted because they "see" the ministry model of "the family" that they come out of and they think it's of God when it is not.**

**If you want to pray and make a difference then pray for the Church in America; don't pray for America (unless God really puts something on your heart) because it's too late for America—judgment is set and it will be swift and severe—but pray for the Church that she will come to her senses, repent and therefore not become victims of the wilderness wanderings that we are now in. Praise the Lord!**
