**Do you know Jesus the Healer? Sadly today most people don't know Jesus the Savior but very few of those who know Jesus the Savior know Jesus the Healer or Jesus the Deliverer or many of the other facets of Jesus the Great I AM of the Scriptures. The Lord is sad about this today and He's moved upon my heart to write this article to help people know that He is the Great "I AM" of the Bible and all eternity. He wants to be your "I AM" if you will allow Him to be.**

**Now I wrote an article titled, "Jesus the Healer" back in 2009 and as a companion to this teaching you should go back and read it because there is some important information there that I'm not going to deal with here—things that you should know because, as the Apostle Peter wrote: we should "be established in present truth." (2 Pe 1:12)**

**Rather in this article I'm strictly going to deal with what is on the Heart of the Lord this morning concerning His Church and their *failure* to know Him as Healer, Baptizer with the Spirit, miracles, finances, etc. You see, my brothers and sisters, and this is something I normally say something about every week now because it's a stench in the nostrils of God, but you wouldn't be sending those Balaam boys on all the phony Christian networks your (and God's if you're claiming it's**

**your tithe or part of your tithe and you're not supporting your local church where you are fed) hard earned money for "a financial blessing" if you *knew* Jesus the Financier. But because you don't know Jesus the Financier you are trusting in the lies of these Balaam boys which are not the same as God's words of truth.**

**In fact, the Lord showed me that the reason you don't get the 100 fold return that their lies tell you is precisely because their "promise" is contrary to the Word of God. Brother Timmons, do you mean to tell me that the Word doesn't promise us a 100 fold return on our finances? Well, you should probably read an archived teaching article titled, "The Heavenly Bank" because I've been to that bank, but no, what the Lord is saying about their—the Balaam boys'—"promise being contrary to the Word" is because the Word says in 1 John 2:21 that "no lie is of the truth" so because they are speaking lies from a spirit contrary to the Holy Spirit then it cannot come to pass because the Word says that it cannot.**

**One of the books in my library is a famous book titled "Christ the Healer" by F.F. Bosworth. Now Bosworth is an interesting man and a testimony to what God can do with a life yielded to Him by a person wanting to be established in Present Truth. Bosworth was a retired minister and he had no intension of going back into ministry until he met William Branham and saw the miracles, healings, Gifts of the Holy Spirit, etc., that the Holy Spirit operated through Brother Branham. Brother Bosworth experienced something that I wrote about in the article from 2009 on "Jesus the Healer" that I learned from that great man of God—my pastor—Brother John Osteen that he used to say all the time because his background was similar to my own in that he'd been ordained as a Southern Baptist and erroneously taught that "the day of miracles is over."**

**Brother John used to say all the time—and it's so true and is the main point of this teaching article because to experience miracles on a**

**regular basis you must know the God of miracles—“I found out that there never was ‘a day of miracles’ but there is a God of miracles and He’s ‘the same yesterday, today and forever.’” (Heb. 13:3)**

**Jesus is the same today as He was when He walked the earth 2000 years ago and He wants to do the same Works of Power that He did then for you and for other people but the Church has so limited Him by our words and fears or else followed the Balaam path—which always ends in death—by trying to merchandise the blessings of God that are “freely given.”**

**Eve and I have found that there are so many churches today that “talk a good game” about what they want to do for God like winning 10% of their community but in the end it’s just all talk and they’ll be saying the same thing 5 years from now with the same results—nothing, because they don’t know Jesus and the Holy Spirit. They know *about* Jesus the Healer or Jesus the Baptizer by the Spirit or Jesus the Miracle Worker but they don’t know Him personally. There’s a big difference. We get emails and phone calls every day, especially from people in Africa who have read MSDK, who know of J.P. Timmons as a result of my writings—and we thank God for how He has used our books, CD’s and teaching materials to impact people’s lives, yet these people don’t really know me, do they? And the same is true for Jesus.**

**In MSDK under the section in the book titled, *The Weapons of Our Warfare*, I list Trust in God as a weapon. And the reason it’s a weapon is that you must make a quality decision no matter what that you will trust Him with your life, your children, your finances, your health, your sound mind, your failures, etc. If you don’t trust God then you will always be wandering about in *The Land of Wondering*—I wonder if Jesus is going to do this or I wonder if Jesus will heal me of this flu bug or I wonder if Jesus will ever grow out that left leg of mine that is 2 inches shorter than the right one.**

**But the Book of James deals very clearly with The Land of Wondering; the Scriptures says, “let not that man think that he will receive anything from the Lord.” This Scripture says that if you don’t trust God and His Word then you are “double minded” and the Greek implies two natures.**

**But if you will come to know Jesus the Healer personally, then not only will you never have any doubts about whether or not He will heal you, your children, etc., because you’re in covenant with Him and the Word (Because He is the Word) but you will begin to walk in Divine health and not need healing. I know, because I’ve walked in Divine health now, without being sick of even a cold, the flu, etc., for exactly 36 years since February, 1978, when I had a bad case of the flu.**

**Now that doesn’t mean that I’ve not been attacked by the devil with different types of illnesses, broken bones, etc. (I broke both of my shoulders on two separate occasions on black runs skiing but Jesus healed each shoulder and I never went to the doctor because Jesus *is* my doctor—I have made it a point to *know* Jesus the Great Physician.**

**I’ve given the testimony on several occasions about the Great Physician when Eve and I were living in the Helena, Montana, area back in 1998 when through a quirk (attack of the devil because I am very careful with knives and cannot to this day explain what happened except to say that it was the devil) I “accidentally” (you wouldn’t do it on purpose, right, unless you were mentally ill) almost cut my left thumb off with a brand new (one of those extra sharp knives that they cut through steel bolts with on T.V.) Ginsu knives. I was cutting through some frozen wieners when the knife slipped and it cut  $\frac{3}{4}$  of the way through my left thumb including the bone! Talk about painful! And the blood was every where. So now this is a testimony because if this happens to you what do you do? You call an ambulance right? Or you drive yourself to the hospital, right? I mean the pain is bad enough but you might bleed to death or pass out from loss of blood, right? So**

**you drive yourself to the hospital. Yes, that is exactly what you do—IF you don't know Jesus the Healer!**

**But you see, I knew Jesus the Healer so I acted differently. I prayed in the Spirit and carefully wrapped my thumb up in a white dish towel. Again, the pain was excruciating! After all, I'd cut through the nerves and you probably, unless you've experienced something similar, didn't know that your nerves could talk but they were screaming, "You idiot! What are you doing? Why are you just sitting there with that dumb towel wrapped around us praying? Help us! Get to the hospital!" But because I knew Jesus the Healer I had no doubts. So I just sat down in a chair and continued praying while I watched the towel turn from white to red with blood!**

**Eve called about that time from work and asked, "What are you doing?" To which I replied, "Well, I tried to cut my thumb off!" Now that thumb, because I'd completely severed the nerves and they grow back slowly without Jesus' help, was completely numb for about a year or two—I could still use it but it had no feeling. The pain from severing the bone and nerves did persist for several days but after it subsided I had no ill effects other than the numbness. But now comes the interesting part of the testimony that I like to share—had I gone the conventional American way and gone to hospital, had it stitched up, splinted, whatever—after all, when you make that decision to go to hospital—and this is what often kills Christians—you are in the hands of that doctor who might be a Satanist or Juju practitioner. Had my thumb been stitched up there would be a scar there today but because I knew Jesus the Healer my thumb is perfect and there is no scar! Praise the Lord!**

**Now you might say, that's a wonderful testimony, Brother Timmons, but I don't have that kind of faith, what can I do to come to know Jesus the Healer and Jesus the Miracle Worker? Well, I'm glad you asked that because although the Lord likes to hide Himself in both**

**nature and the Word He is readily and easily found if, like a True Lover, we would pursue Him as being “more precious than silver or gold.” You should study and meditate in The Song of Solomon because it is a love story about Jesus and His Bride and like all true lovers He wants to be pursued by us.**

**I shared in *Revelations from God, a Prophet's Journal*, a time when the Lord appeared to me back in February, 1998, and He was not dressed as He normally is when I see Him—wearing a long, bright white silk gown or tunic with a large, wide polished golden belt just above His waist. This time he was dressed like a simple prophet such as Jeremiah wearing just a common looking off white colored tunic and He spoke revelation about one of the nine gifts of the Holy Spirit titled The Gift of Working of Miracles. He was holding a scroll in both of His hands and it was of white parchment but both ends were held by a beautiful gold baton such that the scroll was wrapped around each of these and He pulled out the scroll to read it.**

**In the vision, this is exactly what happened because the Lord demonstrated a prophetic truth but it was in dark speech and I had to interpret His actions prophetically. He said, “The Gifts of Healings works like this” and He pulled the scroll out a few inches so that I could see it. Then He said, “But the Gift of Working of Miracles works like this” and He pulled the scroll out an additional foot!**

**Now from interpreting the Dark Speech of this vision, I've adopted a saying that you may hear on my teaching messages or writings—“You have to pull the scroll out.”**

**The great Apostle Paul spoke to some of the wisest (earthly wisdom) men of his time:**

**“God, who made the world and everything in it, since He is Lord of heaven and earth, does not dwell in temples made with hands. Nor is He worshiped with men's hands as though He need anything, since He**

**gives to all life, breath, and all things. And he has made from one blood every nation of men to dwell on all the face of the earth, and has determined their pre-appointed times and the boundaries of their dwellings, so that they should seek the Lord, in the hope that they might grope for Him and find Him, though He is not far from each one of us; for in Him we live and move and have our being ...”**

### **Acts 17:24-28**

**Now isn't it interesting what the Apostle wrote about how God made all of mankind “from one blood” and He's still doing that today—making and establishing His Kingdom by “One Blood”—the precious Blood of Jesus. This is another example of how you cannot read the Word of God without getting revelation—getting to know Him better. And Paul's “defense”—Greek *apologia*—of his life and conversion on the Damascus Road given in Acts 26 to King Agrippa demonstrates our need to “pull out the scroll” because he gives more details, including his ministry call which he describes as “the heavenly vision”**

**So because God “is not far from you” He is easy to find and He's given us two main methods to “find Him”—His Word, which He IS (I AM) and prayer which is a form of communication with the Almighty. In addition, if you're a Christian and born-again into His family then you have the deposit (John 14:17) of the Great Teacher of the Church—the Holy Spirit—inside your human spirit and one of His tasks on the earth is found in John 16:13 and that is to “guide” the Body of Christ, the Church, “into all truth.” And the Truth is a person, Jesus Christ.**

**Now, as stated earlier when talking about the Balaam boys (of Company B), because the Word states that “no lie is of the truth” and because Jesus Himself stated that Satan was “the father of lies”; in other words, liars are birthed by Satan, then you cannot find the Truth by following lies.**

**So if you want to become a person that knows Jesus the Healer, Jesus the Miracle Worker, Jesus the Baptizer (many Christians, perhaps most, don't know Jesus the Baptizer by the Spirit) or any of the other great I AM promises of Jesus then you're not going to learn it from those who speak lies; you need to get to know the Holy Spirit and people who know the Spirit. I made this decision back in the '70s when I realized that although I knew Jesus and had a personal relationship with Him, I didn't know the Holy Spirit very well. Then after I met my future wife, Eve, I found out that although I knew the Lord and the Holy Spirit by then, I didn't know God the Father at all because I saw that she did; that she had actually sat on the Father's lap in Heaven. This intrigued me.**

**Then one day I was sitting on my bed and I was praying and talking to the Holy Spirit about the Father when all of a sudden the Holy Spirit said, "Come with Me, I want to take you to the Throne of God" and He took me there in the spirit. Praise God!**

**Get to know Jesus; get to know the Holy Spirit. Jesus said to Philip the apostle that if you "saw me" you will see and know the Father. And this is true because it's the Bible. But I can tell you for a fact, and I've written some about it in these web teaching articles, just spending 5 minutes in the Throneroom of God will change your life and spirit forever because your spirit will learn things about the Kingdom of Heaven and how God does things and many of them you will find in the Scriptures.**

**So in finishing this teaching article let me help you get to know Jesus the Great I AM, the Holy Spirit, and God the Father. It starts with a quality decision. And I've found that this is true for most of the promises of God—we must make a quality decision to change our status quo because God created us as free moral agents. He is so loving, forgiving, etc., because He knows our weaknesses and, like Peter, our failures in advance. He knows that we have a common**

**enemy, the Dark Kingdom, that will seek to destroy your quality decision so you must stick with it.**

**So here is the decision you must make; it's really very simple and I've used it when teaching in churches all over the world for more than 30 years to demonstrate the will of God. Let's say you live in Benin City, Nigeria, the most demon-infested city on the planet (Cebu, Philippines, is close behind). Does God want revival in Benin City? Does Jesus want to see people saved, delivered, healed, and miracles wrought in Benin City? That's a rhetorical question, isn't it? Of course He does! Well, Jesus is the same today so why don't we see this happening? As I said on Christian television when Eve and I were interviewed a few years ago, "With all these churches here in this city—more than there's ever been in history—why is the devil still in charge?"**

**Why is the devil continuing to murder 52 million babies a year in the world by abortion? Why? Does Jesus hate abortion? Yes! I have a clear word from the Lord on this when He appeared in a brilliant white light like He did to Paul on the Damascus road but in my case it was at night. He is the "Father of the fatherless" He told me, "and that includes the aborted child." So why does abortion continue in your community?**

**Well, I'll tell you because it has to do with this teaching article. Abortion is continuing in your community for one very, very simple reason that is crystal clear to me—you and most Christians, probably 99%, in your city just flat don't know Jesus the Advocate Judge! If you did, you would stop abortion in your community and you wouldn't do it by standing in front of the killing centers with a sign in your hand, signing petitions to a Godless Congress, or sending money to some Balaam ministry. No, you would do it through spiritual warfare. But instead, because almost all Christians don't know Jesus the Advocate (for the unborn) Judge (of the evildoers), then they allow abortion to continue in their communities and will answer to God for this on the**

**Judgment Day. Sadly, as the Lord has been showing me for many years now, most of the Church today has become like Ephraim in Psalm 78:19.**

**Most of what we call the Church has fallen away from Jesus seeking wealth, fortune and fame—“Your Best Life Now” as the famous book by Joel Osteen touts, instead of following the Holy Spirit into battle to cleanse the land from all that defiles spirit, soul and body.**

**But maybe you’re tired of that life; maybe you want to see a change; perhaps you want to know Jesus the Healer, Miracle Worker, Advocate Father of the Fatherless child that nobody wants?**

**If so, then the Lord requires something of you just like He does if you live in Benin City and you want to see revival with the whole city burning their idols and coming to the Lord Jesus—it requires change. Because we’ve established that Jesus wants to do it and we know that He is able to do it so that means that something must change in order for Him to be able to do it—something is preventing Him from accomplishing His will in Benin City, Nigeria, and that “something” my brothers and sisters is His Church! Like Ephraim, they’re “armed for battle” but they have no stomach for the fight! They refuse to cross the River Jordan to fight the enemy. They don’t know Jesus the warrior and conquering King so they are afraid to go into battle! Like many today who have told us, “Well, I stopped praying because I didn’t want the demonic backlash.”**

**But maybe today is the day you decide to change so if you want to make a quality decision to know Jesus better, know the Holy Spirit, the Father, the will of the Lord then this is what you need to do:**

- 1. Make a Quality Decision to spend more time reading and meditating in the Word. Jesus is the Logos—the Word—and as you get to know Him better the Holy Spirit will “guide you” into a more intimate relationship with Him. Start off with a minimum of**

**1 hour a day—reading 10 chapters: 5 Psalms, 1 Proverb, 2 chapters in the OT, 2 in the NT. Ask the Spirit of the Lord for help; pray before you read and meditate. He will reveal Himself to you in the Word just like He did to Samuel, Daniel and even Jesus when He walked the earth as a Man.**

- 2. Spend a minimum of 1 hour in the day praying, especially and mostly praying in (by) the Spirit or praying in other tongues. Before you begin praying preface your prayer time with this prayer each day: “Lord Jesus, I want to know you better. I want to know Jesus the Healer, Jesus the Miracle Worker (and whatever other aspects of Jesus that the Holy Spirit brings to your mind), Jesus the Advocate Judge; Jesus the Warrior; help me Lord to know you; reveal yourself to me, Lord, this day, I pray in Jesus’ mighty Name. Amen”**
- 3. Begin to both speak and do the Word of God and whatever the Holy Spirit impresses upon you during your prayer time.**
- 4. Keep a journal of what is in your spirit during both this time in the Word and prayer. Otherwise, you will forget it as James 1:22-27 points out. That’s because the Word is a mirror that perfectly reflects the image of Jesus but when you get away from the Word you will begin to think like the world thinks, “How could that happen? It’s scientifically impossible.”**
- 5. Spend much time praising and worshipping the Lord Jesus. Play anointed worship music in your home and car as much as possible to create a continuous atmosphere of worship, praise and honor for the Lord Jesus who is and always should be our “King of Kings.”**

**If you will do these things—adopt this spiritual discipline—then you will be special—you will be among the fewer than 1% of Christians who know Jesus the Lamb, Jesus the Lion, Jesus the Healer, Jesus**

**the Miracle Worker, Jesus the Judge, Jesus the Warrior, Jesus the King of Kings and Jesus the Great I AM. Praise God!**
