**“Watch ye therefore and pray always,  
That ye may be accounted worthy to  
Escape all these things that shall  
Come to pass, and to stand before the  
Son of man.” Ω Luke 21:36**

**The church continues to sleep while the world follows the siren song march orchestrated by the Dark Kingdom into oblivion and eternity—an eternity without God and therefore without hope.**

**I find it quite amazing that much of the world is waking up to the facts; this is evidenced by all of the unrest and civil war throughout the world. However their “facts” are only superficial because they do not understand spiritual things and thus do not see the root cause behind all the governmental moves toward control that are designed by Satan to bring the world completely under his dominion and control. Remember as I wrote in *Mysterious Secrets* back in 1991, “Satan controls the world through five means: money, sex,**

**politics(governments), religion and occultism. The Pentagram, a symbol for the Dark Kingdom, is in essence symbolic of his world-wide control over man.” And because of this fact, Satan installs his own “leaders” in each of these five areas—a fact that Christians have ignored here in the USA. Many Christians have also blindly followed the Dark Kingdom into the occult and this has escalated beyond my belief here in America with all the T.V. shows about witchcraft, new age, and wizards.**

**A few years ago we were ministering at an African church in the Dallas area. A pastor brought a couple of teen age white boys for deliverance to the service one night. I looked at one of the boys who was about 14 and I saw the spirit of wizard over him and right then the Holy Spirit spoke to me and said: “He got possessed watching Harry Potter.”**

**I remember back in the ‘80s when Satan really began to attack this nation with the occult. One of the first places he began to target was the public school libraries, especially in Junior High schools. Satan knows that the way to destroy any nation is through controlling the minds of the youth. At that time we even saw occultic books show up in the libraries of Christian schools!**

**We are indeed standing on the edge of the Tribulation period and, as I wrote a few months ago regarding this time of unparalleled terror on planet Earth, the church will not be raptured prior to this time but only toward the end of the 7 years. Many Christians will fail the test and lose their salvation when they take the Mark of the Beast prophesied in Revelation 13. Now it’s interesting that this is mentioned in chapter 13 because 13 is not only a sacred number in magic and witchcraft but it is also the number for America. And as I shared on Facebook a few months ago, the Lord spoke to me about the rising persecution of Christians and He said that in the future the greatest persecution against the church in the whole world was going to come in America.**

**Now I know that sounds absurd but we've only seen the tip of what the Lord showed us back in May, 2005, when He said that "after the Presidential election of 2006 this nation will go down hill really fast."**

**Jesus spoke much about being "watchful" and "prayerful"; especially in the above scripture that has to do with the Tribulation period of time. His words indicated that many of His people would be in such a worldly state of mind that this "day"—the Day of the Lord—would "come upon you unawares" (Lk. 21:34).**

**The lack of spiritual perception by most Christians—because they are so worldly—frankly is why the USA is in the state that it is in right now because the church has not exercised her spiritual authority and we've given our nation over to the devil and his agents who have taken over government, the education system, medical system and the financial system. And that is exactly how the Antichrist will exercise his ultimate control over individuals through both government and the financial system.**

**Back in 2008, the last time I was in Washington, D.C., I commented on how much darker (spiritually) the capitol was (about 40%) since the last time I'd been there in the '80s when Reagan was president. This despite more ministries, churches and prayers in Washington than ever before in history.**

**Eve and I were reminded of the last time we'd seen this scenario which was over the Republic of South Africa back in the mid-nineties. The greatest warfare in the whole world was going on in the spirit over that nation but the churches there lost the spiritual battle and then it shifted toward America but the results are the same. And the reason that they are the same is just what we've been writing and speaking about for 30 years—spiritual warfare. The churches are not involved in spiritual warfare. Thus, they are ceding the territory to the enemy by not contesting him.**

**Don't believe me? As Eve recently remarked: "When was the last time you heard a sermon about increasing your faith to win the lost or to heal the sick or to cast out devils?"**

**I am reminded of my first trip to Africa—to Nigeria in the '80s. The Holy Spirit thanked me for going during the night over the continent. But when I returned to my home in Austin after 3 months in Nigeria and I began to go through the stacks of mail I opened an issue of Charisma magazine and thumbed through it. On almost every page was a large advertisement for some "conference."**

**I noticed one particular one in Dallas that was at the Hyatt Regency hotel with a "special room rate of \$99 per night." The theme of the conference was "Taking the World for Jesus." I stopped and thought to myself: "For just the 5-6 day cost of the room alone I could feed a pastor and his family in Nigeria for a whole year! At that point the Holy Spirit spoke and He said: "The world is going to hell and all these churches are doing is having conferences."**

**Just mark this down! Most "Christian" conferences are out of the will of God! He does not ordain them. They are the work of religious spirits, or worse, the spirit of greed that has overtaken most churches in America and the world today. You would probably be surprised at how much money is made from these conferences and you would also likewise probably be surprised at the salary level of many ministers today.**

**You had better be very sure that the Lord—your master—is sending you to a conference or you might find yourself in serious trouble like a pastor we heard about in Canada who was driving some people to a Benny Hinn meeting in Calgary from B.C. and got hit by a car and was killed. Any time you get out of the will of God, especially if He warns you not to, then you are open to demonic attack and it might cost you your life.**

**That is why we've preached for many years the great need in the Church for Christians to develop the *Eye of the Eagle*—the ability to “see” into the spirit realm. You see if you don't *have* this spiritual eyesight, then you are much like most of the world—marching to oblivion because the word, oblivion, means “the state of not knowing what is going on around you.”**

**Satan counts on this continuing and the reason is because he is controlling most churches throughout the world. When the Lord shut us away in Montana for years and began to reveal the *false* church that Satan is in charge of the Spirit showed us that Satan's strategy was to simultaneously kill off all the true churches while raising up false ones. The false church has Satan's own five fold ministry of apostle, prophet, pastor, teacher and evangelist. With all of the emphasis today on the prophetic, many of these churches are similar to the White Garment churches of West Africa and, unfortunately, most Christians cannot tell the difference because this “false” is so close to the real. Jesus Himself said did He not: “For false Christs and false prophets shall rise, and shall shew signs and wonders, to seduce, if it were possible even the elect.”**

**What should you do to safeguard yourself and family against this march to oblivion? It's quite simple really and something you should have been doing all along. Spend more time reading and meditating in the Word and less time watching T.V., especially the “news” which is not news at all but rather satanically inspired doublespeech designed to control the minds of the people. Get your news—the good news—from the Word of God and always remember in these closing days of human history that we are “looking for a city whose builder and maker is God.”**
