**Do you enjoy science fiction movies? I have since I was a kid; ‘course the sophistication of movies is so much better today, at least in the graphics if not in the plot. Most of the time the aliens invaders are superior scientifically and genetically and, like the famous H.G. Wells’ *War of the Worlds*, the aliens are never benevolent but rather malevolent.**

**Some Christians, especially some ultra-right wing folks believe that the Antichrist is going to make his appearance from a space ship and announce that he’s here to bring peace to our planet. To me that’s wacky thinking because the Bible is quite explicit from as far back as the prophet Daniel that the Antichrist will come out of the old Roman empire and thus he would not be an “alien” but of course as this article will point out he actually *will* be an *alien*.**

**Quite a few people believe in the Reptilian theory—that a group of alien reptiles from another planet are taking over earth. According to the theory they can shape shift and take on the form of humans but sometimes divulge their presence through the eyes and mouth.**

**When I was in college I was reading some books on flying saucers. My P-chem professor, Dr. Scott, saw one of my books one day and asked me if I believed in flying saucers. I replied that there did seem to be a lot of scientific evidence to support them. He shared that he used to work at White Sands and said they saw them all the time there. Today there is a lot of information on UFOs to be found on the History Channel and other sources. Some people believe that these are extra-terrestrial whereas a lot of Christians who believe in them think that they are demonic in origin.**

**But there is an even greater case that a great alien invasion of earth has taken place but many have not known about it because it happened prior to the creation of man. And once you understand this fact then you have to ask yourself why, exactly, did God create man on *this* planet—one that was already inhabited by alien beings.**

**Now if you know God the Father very well then you know *precisely* why He did it yet most of the Church is completely ignorant of these facts. First the fact that there are alien beings living on this planet that rule and reign over most of our institutions, and second why did Jesus the Creator decide to create man and place him in the Garden of Eden on this planet?**

**The answer to these questions, as you might suppose, is found in the Scriptures and you should search them out because I am not going to reveal all of them to you in this teaching article. But I do want to discuss the very first commandment given to man—what I believe is the Divine Magna Charta—and it's found in Genesis 1.**

**Now in case you have not read *Mysterious Secrets of the Dark Kingdom*, and I certainly recommend that you do because it will help you to understand this whole concept because it discusses Satan's Dark Kingdom and how he was thrown out of Heaven down to the earth. So Satan, Leviathan, Beelzebub and trillions of evil spirits—all that rebelled against the Father's Kingdom—were cast down to the earth. So then why create a new race of inferior, carbon-based, creatures who would be no match for Satan? Or would they? You have to see this with the Eye of the Eagle and then you will know *why* Father God had Jesus create us here because the world and most of the Church has no clue.**

**As I've shared in some books and articles, in October, 1991, the Lord said something to me that was rather shocking although today it's quite easy to believe because it's gotten so much worse. He said, "There are more people in America today (remember that was almost 30 years ago) in need of deliverance than there are in need of healing."**

**Today you don't even have to have a Christian world view to know that something is terribly wrong in society. I believe it's quite easy for even the most casual observer who still has a moral compass to realize that there are so many people who seem to have lost their minds. And perhaps no place do we see it more than in politics and all the fields associated with politics like education. When before in the history of America has**

there been more than two genders taught in schools? When before have people been fired just for having a bible on their desk or praying for somebody? Liberals today have a phrase, “Get woke,” which is seemingly associated with social injustice; however, their ideas of social injustice are laughable. While claiming to worship at the altar of diversity they actually disdain it! They only tolerate individuals who agree with their world view yet because they have no moral compass their world view is continually shifting.

When you do away with God and His moral laws then everything is acceptable in society and those of us with a Christian moral view know that this will actually lead to the swift destruction of the human race not just from the judgment of God but from the chaos that it creates.

There are many voices, particularly physicians, who cry out, “Child abuse,” against the current “in vogue” rush to transgender 4 year old children or to allow abortion *outside* the womb. But the few who protest are quickly silenced by the liberal media and government threats.

But from viewing these atrocities daily whenever you turn on a T.V. or open your computer browser can there any longer be any doubt that a great alien invasion has taken place and many former human beings are now just demonic *hosts* being controlled by evil spirit alien beings?

In America today we are seeing the fulfillment of Romans 1:18-32. Eve and I prophesied that this would occur 15 years ago—that many of our political “leaders” would become as crazy as a loon and that is what we are seeing today and it will get worse with many of these folks becoming insane and institutionalized. They did not realize when they took the first step that when you dance with the devil you have to dance to his music.

On July 27, 1999, while praying one morning at our house in Elliston, Montana, the Holy Spirit began to speak to me about this particular subject through a spiritual law He referred to as “The Hardening of the Heart Principle.” I shared this vision in *Revelations from God, Volume 1* and another revelation concerning this principle is shared in *Revelations from God, Volume 2* from August 21, 1999, when He spoke further about this principle from Ephesians 4.

He said that when He deals with an individual about sin through conviction of their conscience—which every person has—their innate moral compass if you will—then they must either repent of that sin or

else if they do not once it's brought to their attention then their heart becomes hardened. The process takes place over a period of time before a person has a completely "darkened" or hard heart.

This law applies to Christians as well. If the Lord keeps dealing with you about sin in your life and you don't repent of that sin then your heart begins to become *darkened*. Over time, if you continue in that sin(s) your heart will continue to become hardened until you are insensitive to His conviction. If left unchecked, this process can lead to a person having a "reprobate mind" and they will become mentally unbalanced and eventually completely crazy. And of course that is exactly what we see here in Romans 1 that Paul is writing about if we meditate on it.

Now, where the Gentile sinners are concerned as opposed to a person who is born-again, there is a difference. When the Spirit first began speaking about this spiritual law He took me to the first such clear example in the Bible and it's found in the Book of Exodus.

He showed me what the Scriptures say concerning Pharaoh and how he began to harden his heart repeatedly after which the Lord then began to harden his heart further—this is the spiritual law. Now what the Holy Spirit showed me back then 20 years ago was this: the process begins *after* we know the answer to the question Pharaoh first asked in Exodus 5:2—"Who is the LORD, that I should obey his voice to let Israel go? I know not the LORD, neither will I let Israel go."

But once Pharaoh saw the miracles that Moses commanded then he knew who the Lord was. And as a Christian, you know who the Lord is and if you continue to live a life of sin the Word will judge you on the Day of the Lord. Now back in 1998 the Lord showed me that He does this with every single person, i.e., He shows them *who* He is. He had also talked to me about this very thing on Thanksgiving Day, 1989, when I was ministering in Benin City, Nigeria, and the Lord awakened me at 3 a.m. and took me to the Lake of Fire. He said, "I speak to all men." And that settled it for me; I don't have to ask about the Aborigines or those born into Islam in Iran—He speaks to all of us and we all have a chance to accept Him as our Savior and Creator. Now that makes absolutely perfect sense because we know that He is a God of Absolute Justice; therefore, it would not be *justice* to condemn a person to hell who has not heard the gospel.

So once we have had the question Pharaoh asked answered—"Who is the Lord that I should obey him?"—then we are responsible to be obedient. If

**we are not obedient then we are manifesting the fruit of rebellion against our Creator, which is idolatry because we are our own “god.” This is precisely what has occurred in much of America today.**

**The Lord said, “Light rejected and rightful obedience refused inevitably hardens the heart and sears the conscience of a person (Ro. 5:12, 6:16-23; 7:13; 9:17-24, Lk. 6:43-45; I John 5:16-17). For more about this spiritual law read the RFG books.**

**In the case of Christians—or former Christians like the Balaam Boys I write about so often, Paul wrote about this and I discuss it in RFG, Vol. 2, from Ephesians 4:18-19 and I write about it in my new book, *Another Gospel*, that we should have back from the printer in a week. The “prosperity gospel” as it’s mostly preached today is a perfect example of this because like all *false* gospels—and this is what the Lord began showing back 20+ years ago from Ephesians 4, 2 Peter 2 and other Scriptures—they appeal to *sensuality*—things of the body and soul rather than of the spirit by the Spirit as the *true* gospel does.**

**The Lord said where Christians are concerned, the main fruit from the hardening of the heart principle is that it leads to our becoming insensitive to the Holy Spirit. That is why I tell people all the time: “Be quick to repent like David did.” And we see this example in the Scriptures of Saul, a covenant man and Israel’s first king, who we see the results of this principle in his life. As he continued to rebel against the Lord his heart became darkened and he was eventually given over to a reprobate mind exhibiting fits of rage—even trying to kill his son Jonathan.**

**So I would encourage you to study and meditate on this principle through these Scriptures and allow the Spirit to speak to you. Judge yourself so that you won’t be judged. Be quick to repent. But also know that in our society today, you will begin to see more and more people—especially those outside of the Church (and the Church is the body of all born-again blood-bought believers regardless of church type; I’ve been to Heaven and there’s only one church there; it’s not fragmented like on earth) begin to exhibit reprobate minds and mental unstableness.**

**As the Lord spoke to me in April, 1985, “A nation is like a person, the more it gives itself over to the devil the more he comes in and occupies.” And because of this principle, which we see in the Bible in Ephesians 4:27 (“Neither give place to the devil.”) we should expect to see more and more demonic activity in America because of the great alien invasion.**

**Remember, if you obey the Word then you individually will not be invaded. Whenever the enemy attempts to gain a foothold into your life rebuke him in the Name of Jesus. Praise the Lord!**
