**“If my people, which are called by my name, shall
Humble themselves, and pray, and seek my face and
Turn from their wicked ways; then will I hear from
Heaven, and will forgive their sin, and will heal their land.”**

† 2 Chronicles 7:14

Do you believe that America needs healing? Well, it has for a long, long time now. And if you have the Eye of the Eagle then you knew that already but now, with all the rioting, chaos and lawlessness pervading our land being shown on television every night it is apparent for *all* to see and not just the Church. Please read this teaching article carefully and prayerfully no matter your race or culture—there is a sure word of prophecy—a direct and specific Word of the Lord—at the end that will show you *how* to play a part in healing America or the land in which you live.

Perhaps you live in the U.K. or Nigeria. Isn't the same thing true for your country and people as well? NO, the issue in America isn't racism as the spiritually stupid media and many politicians want people to believe. They have ulterior motives—*always*—and they want to control you for their own evil, wicked purposes. There's no racism in Nigeria because everybody is black and when I first traveled there by the direction of the Lord

back in 1988 I saw that the original problem was spiritual. The Lord showed me that the problem is Satan—he is the real enemy. In Nigeria, because everybody is of the black race, people cannot be divided through racism so Satan uses the various tribes to divide people. But listen to me closely because it is the heart of the problem, he is not really using tribalism there anymore than he is using racism in other countries. And you must understand, in case you don't know it by the Spirit and you believe the lies you see in the media all day long, racism extends to *all* races.

It's not politically correct to say this but it is a spiritual fact—there are just as many if not more so black people who hate whites as there are whites who hate blacks. Now stay with me to the end of this article and I will show you the truth because it comes from the Lord—it's not my opinion. I have never been accused of being a racist but of course if I ran for office as a conservative that would all change. But if I were a racist I certainly never would have left America to slave away in a jungle village in West Africa or Asia. And I have gone on record for decades about racism—how stupid it is intellectually speaking; it's like me saying to you, "I am better than you are because I drive a white car and you drive a red one." Now isn't that dumb thinking?

But the Lord put this article on my heart today because it is Independence Day in America and He wants to make some poignant points that will help you receive your independence and just might keep you out of hell. If you are a Native American, or especially if you are part Native American like my wife is who is 50% Cherokee and 50% Irish, then chances are pretty good that you are a racist because it's been bred into your culture. Now don't get mad at me; it's true. And if it makes you mad then you should go to the Lord in prayer and ask the Holy Spirit to judge your heart, repent of this sin or any others that He brings to the light. We will speak more about this at the end of this article.

One of the things that the devil has used in Western cultures especially to cover up sin and not admit that sin exists is the *victim* mentality. That people are the way they are because of somebody else. A person is discovered beating and abusing their children but in court it's excused because their daddy beat them so somehow that makes it okay. NO! It's still sin and people must be held accountable for their actions or things will never change. And we must return to God's values today regarding sin, righteousness, and holiness or we will never see our nations healed. Don't ever think that you can enter God's presence or that you will go to Heaven and stand in His presence when you are covered with sin. He is not like some human court today that excuses sin as not really being wrong or immoral. If we don't judge ourselves and put away sin then God will judge us.

If your dad beat you then when you grow up and begin your own family you realize that what he did was wrong. Even if you are not a Christian you should follow this process and *not* emulate your dad's sin in your family. Listen to the Apostle Paul's words inspired by the Spirit: "When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things." (1 Cor. 13:11). We must grow up in our understanding about these things that are dividing us as human beings and "put away childish things."

The Enemy is Satan

At CCI we have a saying which we teach all of our ministers and church members: “We are always on the battle field and our enemy is Satan!” And you don’t really even have to have the Gift of Discerning of Spirits operating in your life to realize that racism or tribal hatred—like that which caused one tribe to murder a million of another in Rwanda in only 90 days back in 1994 as perhaps the most egregious example because there have been many more, especially in Africa,—is demonic in origin. God created the human race with Adam and Eve. We are all part of one race—human beings created in the image of God and we should hold that sacred. *Anything* that divides us is from Satan. So racism, tribalism, caste systems, etc., are from the devil but you will learn—if you read this article, meditate on it and then ask the Holy Spirit—that they all have the same *root cause* in the spirit realm.

I just finished my ninth book, *LIVING IN THE NOW OF FAITH*, that the Lord has led me to write. We sent it to the printer last Friday and should have the finished copies back in about six weeks. I never thought I would be writing a book about faith but so much of the truth today about faith has been perverted and we all know who perverts the pure Word of the Lord—it’s Satan! So like everything God is trying to restore to the Church by revelation the enemy wants to pervert it so that it will be rejected by most people. In *Another Gospel* which we published last year, I dealt with the fact that the pure faith message has been perverted by the Balaam Boys to use for material profit and they preach “another gospel” but that doesn’t mean the real, genuine, Gospel of the Kingdom that Jesus and Paul preached is not still the truth and what God wants people to hear. The same is true for faith. The Bible says, “The just shall live by faith,” yet few Christians obey that Scripture so they need to understand the real faith message which is not to confess Cadillac cars and million dollar mansions all the time. If you watch un-Christian television, and we don’t, when was the last time you saw one of the Balaam Boys or Girls have a person on there who gives a testimony like this: “Brother Jones, your ministry has so encouraged me in faith and I’ve used that faith to win 500 people to the Lord last year,” or “The message of faith that you preached caused me to examine my life, get flat in the floor and pray all night, then fast for a week and the Lord appeared to me and gave me a ministry call.” No, the people they have on there *never* give such a testimony about fulfilling the Great Commission; they are almost always—99% of the time—about how they “sowed a seed” into that ministry and God gave them money back or other material things. Today I happened by accident to hear another one by a “minister” I had never heard of—a person on there said that they sowed \$200 into his ministry and God gave them a brick home the very next day.

Listen, and you should know this if you’ve followed our ministry very long, God doesn’t define prosperity the way most people do, especially the Balaam Boys. Remember, Jesus had His very own Balaam Boys in His day that he rebuked about their love of money. *True* prosperity is always spiritual; it’s not material. God will bless you materially if your heart is right, you’re not covetous, you sow into His Kingdom *where He tells you to*, and other reasons, e.g., helping the poor, but that prosperity is not so you can build a big, fat bank account—it’s so you can invest in the Kingdom. After all, if you believe Jesus then you will do what He said in His Word and He advised us to store up treasures in Heaven,

not on earth. Nothing on this earth will survive the cleansing by fire that is coming; only what you store in Heaven will survive for eternity. I shared in my newest book regarding Pastor Littlefield that the Lord sent me to back in the '80s so I could learn about ministry to the poor. Brother Littlefield said, "Brother Philip, the biggest problem that I see in the Body of Christ today is that people are stingy. Always seek to bless somebody every day."

So the politicians and media in America and other countries would try to make you think that the problem is racism but who do they work for? What is their real agenda? How many of them are Christians? And perhaps most importantly as Jesus taught us, what is the fruit that their lives and reporting, especially if it is a lie, are producing?

No, the real enemy is Satan and he will use anybody, even a pastor if he can, to promote his agenda of hate, death, destruction, rebellion, and many other sins. I remember back around 1979 or 1980 when the pastor of a Methodist church spoke at our church in Houston. He gave a testimony about how the Lord convicted him of his sin of racism—that he hated whites! So these sins exist in all races and all cultures and they must be dealt with. Remember, the Bible is very clear from 1 John; you cannot *hate* your brother and expect to go to Heaven. So I want to challenge every single person who is reading this to ask the Spirit to search your own heart and be certain that there is not any racism, tribal hatred, etc. in there and if He convicts you of it then repent!

THE ROOT CAUSE

Now as promised, I want to deal with the *root* cause of what is destroying our nations. Yes, I've said it's Satan but he has to use sin to get God to pronounce judgment upon America and many other nations that have been under judgment for quite a few years. And if we have the Eye of the Eagle then we know that God *only* has one purpose for judgment (justice). He is a loving God and as He tells us in Ezekiel—"I take no pleasure in the death of the wicked but rather that they might live." God sends judgment or prophecies it through His prophets for one reason—to produce repentance so that He won't have to actually manifest the judgment through famine, plague, death, war, etc. And we see this principle of God throughout the Old Testament, especially in the Prophets.

Now there are a number of spiritual reasons that God is judging nations today. When I first wrote *Mysterious Secrets of the Dark Kingdom* 30 years ago I prophesied that there "was a Great Civil War coming to America," and I shared the reason for this—because of the spiritual civil war ongoing in the Church. Now we are seeing this civil war come to the physical realm. The spirit realm dominates the physical realm and because this spiritual civil war has not been dealt with it has emerged physically because it is caused by *two* main sins—**rebellion** and **pride**.

In my writings I always differentiate between the genuine Church and the false church by capitalizing the true Church. So when I say that civil war broke out in the Church I am referring to the beginning; *most* of what is called the church today is not. The real, genuine Church is only a small remnant of what is called the church. But because of rebellion and pride different groups don't want to follow the Bible or the Apostles' Doctrine (Acts 2) so

they are doing their own thing and building their own little kingdoms while foolishly believing that they are still the Church.

And Jesus told us the way to tell the difference, didn't He? By their fruit. The Apostle Paul wrote about this "Great Falling Away" in his epistles (*cf.* 1 Tim. 4:1 *ff.*, *et al.*) and the Lord began to reveal through revelations, dreams and visions much about it to Evie and I when He moved us to Montana from Texas back in the '90s.

All of this rebellion and lawlessness has one purpose—to usher in the Antichrist that Paul refers to as "the man of lawlessness." He will be the *crème de la crème* of lawlessness. But now I want keep my promise and give you the Word of the Lord which will show you what you can do if you want to see America or your nation healed.

Remember the scripture that I gave at the beginning of this teaching from 2 Chronicles? Most Christians know it by heart. But they have not understood it correctly because although there has been much prayer made for America the Church has not obeyed that Scripture.

About 13 years ago we had some ministry friends come over from Oklahoma and stay at our house; it was around this time of the year. Dutch Sheets had a church in Colorado Springs where their son was graduating from Bible school. They came up for his graduation and Eve and I accompanied them to the ceremony on Sunday at the church. At the end of worship they brought out some American flags and sang some patriotic music. While this was going on the Lord spoke strongly to my spirit and this is what He said verbatim:

"IF my people who are called by my Name will humble themselves, IF my people who are called by my Name will humble themselves, IF my people who are called by my Name will humble themselves ... Son, America doesn't need more prayer—there's been much prayer made for America. My people are not missing Me in prayer—they are missing Me by not humbling themselves."

Now I know that the Spirit will witness to you that this is the truth. So what do you do about it? *How* do a people; a nation; the Church, humble themselves? Well, we have examples from the Bible, don't we, and you might just start by looking in Jonah where the whole, wicked, heathen nation repented at the preaching of Jonah because the king passed an edict that everybody, including the animals were to fast. He also put on sackcloth and ashes. We see that a lot in the Old Testament with God's covenant people as well; humbling themselves by fasting and wearing sackcloth which was very uncomfortable to the flesh.

You also humble yourself by prostrating yourself before the Lord in worship. You know the Church doesn't understand that the Hebrew word for worship actually means to prostrate yourself before the Lord and you will notice if you've ever been in one of our meetings where the Presence of the Lord showed up for hours at a time that everybody will be lying prostrate on the floor. That happens often overseas but has only occurred one time here in the USA.

So, if we want to deal with healing our land then we must do something about the *root cause* in the realm of the spirit and it's *PRIDE*—the most deadly of all sins and the one that made the devil fall from being a beautiful, Archangel in charge of worship into the hideous creature—the very incarnation of evil that he is today. Remember, Jesus is love and life incarnate whereas Satan is hate and death incarnate. How do you deal with pride? By humbling yourself!

Now whenever I write anything and believe it's finished I always set it aside for a time and pray about it. Today the Lord reminded me of something that He showed me over 30 years ago in the Bible from Revelation 22:2, “In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the *leaves of the tree were for the healing of the nations.*” (Italics added for emphasis).

In some of my testimonies and writings I've shared a few things about my many trips to Heaven. Often when you are there you see something that you realize you read about in the Bible! It's really cool when that happens. The Apostle John is writing about the New Jerusalem where we will one day live. But notice that the Tree of Life is there. Over 30 years ago one month as I was reading this the Lord spoke to me and said this: “The Tree of Life in the earth today is my Church and I placed my Church in the earth for the healing of the nations.” Then He went on to share that most of the time when the people of the nations come to the Church they see no leaves so they aren't healed and He reminded me how He cursed the fig tree—which was a symbol of Israel—during His life on earth. That was a *sign* to all Jews who saw it that Israel was not fulfilling her covenant role. Neither is the church today—most of it. You, my brothers and sisters in the Church, are one of those “leaves” on the Tree of Life. It's your responsibility to make certain that you are in spiritual shape to bring healing to all those who come to you from the nations.

So in closing, let me remind you that *only* the Church has the spiritual authority in the world to bring about change. Only the Church has the authority to “heal our land” and to do that we must repent of our own sins and the sins of our people like Daniel did in his intercessory prayer for his nation. And then, we must do what the Lord told me years ago in praying and confessing 2 Chronicles 7:14, we must humble ourselves through prayer and especially fasting.

God bless you all and God bless America.
