**“For unto us a child is born, unto us a
Son is given; and the government
Shall be upon his shoulder: and his
Name shall be called Wonderful,
Counsellor, Mighty God, Everlasting
Father, Prince of Peace.” Ω Isaiah 9:6**

Jesus is called by many names in the Scriptures. One of these names prophesied over Him by Isaiah is “Prince of Peace.” What does this mean and when will we see it come to pass since it is obvious that the world did not experience peace during His incarnation and ministry in the flesh?

If you’ve read my book *The Prophetic Voice* and if you’re familiar with the Five-fold office of prophet then you know a lot about prophecy. One of these facts about prophecy is that often—in fact normally—before the prophetic word can be established and come to pass there must first be a tearing down of a false foundation or “things” that are not of God! That’s because both Satan, because he is the enemy of God, and men make decisions and take action contrary to the will of God. We see this throughout the Bible and we see it today even in the Church.

The world and most Christians—because they are ignorant about spiritual matters and especially the Dark Kingdom—are not aware that

we have an enemy who has declared war on us! Satan hates man! He told a friend of mine in Africa many years ago that he especially “hates those who give themselves to purity and prayer.” Why is that? Because he gains greater power when there is more sin and wickedness in the world. And when you give yourself to purity and prayer you are joining with God’s Kingdom in opposition to the devil and causing confusion in his evil government.

So if we have the Eye of the Eagle we see that this name—Prince of Peace—prophesied over the Messiah, Jesus, will occur sometime in the future and the Scriptures are quite clear on this matter. And as the Church we have an ability to “hasten” this day and the return of the Lord (2 Peter 3:12). But before there can be peace there must first be war! The Church is the agent the Father wishes to use to bring all the enemies of Jesus into subjugation:

**“The LORD says to my Lord: ‘Sit at my
Right hand until I make your enemies a
Footstool for your feet.’” Ω Psalms 110:1**

But He cannot do it if we are not willing to engage the enemy in spiritual warfare! One of the Scriptures that garners my attention each month is Psalm 120:6-7 and it is a pivotal scripture for this teaching.

**“Too long have I lived among those who hate
Peace. I am a man of peace; but when I
Speak, they are for war.”**

God didn’t ask for this war; Jesus didn’t ask for this war and neither did the Church but nevertheless we are engaged in a war—the battle for Planet Earth and it is entering its final few years of consummation. The forces of evil are gathering everywhere in the world and the devil will use the governments that he controls along with the religions such as Islam to launch a full scale offensive against Israel and the Church of Jesus. What are you going to do about it?

I've preached and written for years that a Great Civil War lay ahead for the Church and we've been engaged in this war for the true Church—the Church Jesus died for—and the false church has sought to usurp the real Church through false teaching and the doctrines of demons as prophesied by the Apostle Paul (1 Timothy 4:1). Often spiritual things are typed by physical signs. Similarly, I believe we are seeing this “war” playing out physically in America as well because the country seems to be on the verge of a civil war as we are seeing our freedom, liberties and the Constitution trounced upon daily by those elected officials—both Democrat and Republican—who have sworn to “defend and protect the Constitution against all enemies foreign and domestic.” Many of these people are in reality “agents of the devil” who follow him in his primary mandate to “kill, steal and destroy” (John 10:10) and this “civil war” will greatly escalate during the years 2013-2015 in order for Satan to establish his One World Government which is a counterfeit of the *true* One World Government prophesied by Isaiah which the Prince of Peace will usher in.

Because the Constitution, Declaration of Independence, Bill of Rights, etc., and the form of government that Christian, godly men such as John Adams crafted have become “an inconvenient truth” the primary focus of many in government is to dismantle our inheritance; however, they cannot do so until they have disarmed the populace and that will be their main focus in 2013, even though many appellate courts as well as the Supreme Court have ruled in the affirmative on “the right to bear arms.” How will it be done? Possibly the same way they are doing everything now—by bypassing Congress via Executive Order. And you will know that this is coming to pass when martial law is declared for whatever reason.

Jesus said, “By their fruit you will know them.” If their “fruit” is lies, killing and destruction then you know who their father is like Jesus said but the question remains: what do you do about it? Thomas Jefferson wrote in the Declaration of Independence:

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are life, liberty and the pursuit of happiness;

that to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, that whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.”

Yet today as well as in the time of John Adams and Jefferson governments deny that these “rights” are from God but rather from government! Throughout history we see the power of governments to become corrupted through many avenues but mainly greed and the thirst for power. In the Scriptures there are few godly kings and the same is true today for most civil governments because Satan places his people into positions of power to carry out his will and the gathering of blood for his kingdom. Although I’m not involved in politics and never have been, I’ve stated many times that I’m not against Christians being so involved but it will not change the outcome of what is prophesied. However, it is interesting that the original government established in the USA by our founding fathers—men such as William Penn—was the closest any has come to that which will be established by The Prince of Peace.

More importantly I think it’s very important that all Christians hear from the Holy Spirit about what to do during these trying times in the closing days of human history and governments. And, as we’ve said for many years, it’s important to get as many people as you can into the Ark of Jesus as soon as possible because “night is coming when no man can work.”

The Bible speaks about Satan “warring against” the soul of man. My close friend, Emmanuel Omoobajesu, preached a message many years ago titled, *Satan’s Ambushments* (available in our online bookstore). In this message he stated how many thousands of years Satan has had in learning how to set an ambushment for the soul of man. This is his area of expertise and the only way to stop him is through spiritual warfare.

If you've read *The Prophetic Voice* or *Revelations from God* I talk about dreams and visions as being what Paul referred to as the "language of the Holy Spirit." I've also found that often every significant detail in a vision is important and I encourage Christians to write their visions and dreams from the Lord in a journal and meditate on them for clarity and the interpretation of "dark speech" by the Spirit. In addition I've discovered that these *visions* are often from the Scriptures although they may be in a different form. For example, I've shared the *Vision of the Battlefield* in both *Mysterious Secrets* and *The Prophetic Voice, Vol 1*. However, I did not realize until many years later that this particular vision was similar to Jeremiah's Word of the Lord in 8:11 pertaining to Judah. In the *Vision of the Battlefield* I saw the church lying decimated on the field of battle and my eyes were drawn to one particular "soldier" lying on the ground with a gaping hole in his side about the size of a cantaloupe. Somebody had placed a very small band-aid over this gaping hole. This portion of the vision was quite similar to Jeremiah 8:11,

"They have healed the wound of my people lightly, saying, 'Peace, Peace,' when there is no peace."

Peace, prosperity, etc., is always the message of the false prophets. It was in Jeremiah's time and it is in ours as well because of the Great Civil War for the true Church that Satan has been waging for many years through "another Jesus, another spirit and another gospel." But the message of Jeremiah as well as the true prophets today is, "Repent, for the coming of the Lord is drawing near."

Evie and I have written and testified about some of our journeys to Heaven. I've stated that the most awesome thing about Heaven when you're there is the peace! It just dominates Heaven along with the other Fruits of the Spirit (Gal. 5) such as love and joy. The Prince of Peace is coming soon to establish the true One World Government—a government of peace and there will be no more war, killing, hatred, etc. What a glorious Day that will be! But for now, the Church is called upon to "prepare the way" of the Lord and I want to encourage you today to be "about the Father's business" as Jesus was and is by

following the Holy Spirit's directions for your life as you aid Him in preparing the way for the Prince of Peace to return. Praise the Lord!
