“Therefore, since we are receiving a Kingdom which cannot be shaken, Let us have grace, by which we may Serve God acceptably with reverence And godly fear. For our God is a Consuming fire.” Ω Hebrews 12:28-29

I would encourage you to read this scripture over and over a few times and meditate on it. The Lord really impressed this upon my spirit this week as I was finishing the book of Hebrews on September 26. It is a powerful concept that—although all the “kingdoms of this world” (Rev. 11:15) and everything in the heavenlies is being “shaken”—at the same time we “are receiving a kingdom which cannot be shaken.” And yet, what do you think the connection might be between this “unshakeable kingdom” and the fact that the writer immediately states: “our God is a consuming fire?” We don’t find much in the Scriptures regarding God being a “consuming fire” yet in the Dark Kingdom members that are

high up know Him as “the fire that consumes fire,” in other words, an all consuming fire.

It requires faith to understand the power of this scripture and how awesome it is—the Kingdom of God that we are receiving that will soon be finished when the Lord returns to set up His millennial kingdom. Praise God!
