**"And he said unto them, This is my  
Blood of the covenant, which is  
Poured out for many." Mark 14:24**

**So many Christians never mature spiritually and thus they will never attain the plan God has for their life—they will not be an “overcomer.” The Lord showed me through a vision in Helena, Montana, in 1997, that unless a person spends a great deal of time in the Word they will not be able to fulfill God’s perfect will for their life.**

**Years before this I had a vision of the Lord Jesus and the Holy Spirit in a workshop in Heaven and they were creating a human spirit. As I watched this scene from above them I saw them placing certain gifts—both physical and spiritual—inside the spirit as well as a specific calling in the life for that person. Then they *sealed up* the perfect plan of God inside that person’s spirit. Then through this later vision in 1997**

**I was shown that the Word of God is like a catalyst that unlocks this perfect will of God for our lives. The vision was given entirely in Dark Speech and the entire vision is in *Revelations from God, Vol. 1*; however, to simplify this teaching let me just say that without spending a lot of time in the Bible a person only has a 25% chance of fulfilling God's perfect will for their life. This particular vision had a very profound effect upon my life as I decided at that time that I would read the entire Bible through each month. And the more I read the more revelation I get—the Bible is really a supernatural book from Heaven and, like Jesus, it is the Word. Naturally, the more you read and meditate in the Word the more your spirit will grow. Remember, Jesus said: "Man does not live by bread (physical) alone but by every word ..."**

**Centuries ago Satan began to wage war against God's creation, man. He hated man from the beginning because God created man to rule over the angels. Now most Christians believe that the angels of God, because they are in Heaven, are privy to all the goings on but that is not the case. Angels are continuing learning just as humans are and many things—hidden secrets—God only reveals to His prophets. In fact, the angels of God, although most excel in great strength, marvel at the revelation of God Himself to man and all of creation.**

**Because Satan had been cast out of Heaven, i.e., the third Heaven—the planet Heaven where God lives, he makes his abode on earth but mostly on the Transcendental Plane, which is the 13<sup>th</sup> spiritual plane above the earth and it separates the 1<sup>st</sup> heaven from the 2<sup>nd</sup> heaven. I discuss this in *Mysterious Secrets of the Dark Kingdom (MSDK)* so I won't elaborate on it here except to say that after Satan deceived Eve by assuming the form of a serpent, he began a war of blood against the human race. That war, my brothers and sisters, is escalating and will culminate in WWIII very soon which will be the first war to use both atomic and biological agents and millions will be killed.**

**One of the key spirits Satan uses against mankind is the spirit of jealousy. He used this spirit to incite Cain to kill Abel and he used it, along with the religious spirit, to kill most of God's prophets, including the Lord Jesus. Before the birth of the Lord Jesus, Satan's plan was to stop the birth of any righteous man, e.g., Moses, Jesus, etc., and he normally uses demonic governments to achieve his plans. After Jesus rose from the dead—which Satan tried to stop—his plan has been to kill off the genuine churches and raise up false ones.**

**The genuine churches that he cannot destroy he will seek to control through the religious spirits such as Jezebel, Athaliah, etc. The function of these religious spirits is to “kill” the anointing on all of the Christians in that particular church. This is one of the reasons why there is little power in most churches today—it's only the anointing and presence of the Holy Spirit that brings the power to an individual church. If there's no anointing, then you can still worship, preach or teach the Bible but it will not have much spiritual effect on the people in attendance.**

## **THE WAR OF BLOOD**

**Satan himself has categorized this war against Heaven and earth as a “war of blood.” I shared in MSDK, as I've studied and learned things about the Dark Kingdom the facts I've learned have also helped me understand the Kingdom of God better because everything in Satan's kingdom of darkness is a counterfeit of the Kingdom of God, although often it is the opposite. For example, in Heaven everything is “light”; this light comes from the Throne—it is *light* in the sense that it is energy but it's a special type of light—it's a bright, white light and looks nothing like sunlight. This pure, white light is divisible into other**

**colors just like white light on earth can be diffused into other light spectrums and colors such as blue, indigo, etc. Also, contained in this light is the very essence of God which is the Fruit of the Spirit. The first time I was taken to Heaven it was such a “sea change” from earth as I felt such peace. The peace, joy, love—all of the Fruit of the Spirit—emanates from the Throne of God and it permeates all of Heaven.**

**In Satan’s kingdom, all is darkness. He has two offices, one in hell below the earth where he supervises the torture of the dead without Christ and the other on the Transcendental Plane at the start of the Second Heaven. There his home is a huge, black castle and he has many dark birds—evil spirits—in the form of ravens, bats, gargoyles, harpies, etc., that watch over his domain. So the *darkness* of his kingdom that Jesus commented on is the exact opposite of God’s. The pain and suffering in his kingdom, again, the exact opposite of the joy and happiness in Heaven.**

**Now Satan began the War of Blood but God finished it through the sacrifice of His dear Son, Jesus. It is the Blood sacrifice of Jesus on the Cross that gave mankind the opportunity to enjoy eternal life but at the same time it destroyed the Kingdom of Darkness! Praise the Lord! Not only that, but the Name Jesus continues to harm Satan—he will not allow members of his evil government to utter the Name of Jesus because, to use Satan’s own words—“it arrows me.” That means that when somebody mentions the Name, Jesus, in his presence he will fall down in great pain. My friend from Nigeria, Omoobajesu, in his message, *My Conversation With Satan*, had this experience as well as many other former members of the Dark Kingdom that I’ve met in the world.**

**So, spiritually, the War of Blood is finished but physically it still continues because Satan is still killing millions of people in the world today (John 10:10). He does it mainly through abortion, war and “accidents” that are caused by witches, wizards and evil spirits. There are two main reasons for this: 1) Satan hates man and loves to see us suffer and die, and 2) Satan and all the higher demons as well as many humans that serve Satan (the Rulers of Darkness) drink human blood every day—it is a command from their Master, Satan, and they must adhere to it or face possible death.**

**As a result, they become addicted to human blood and Satan has huge blood banks in the heavens above the earth (the first heaven, no human being is allowed by Satan, i.e., through demonic power, into the second heaven where Satan dwells). But although Satan does not allow humans in his kingdom to travel there, I have been there and other humans have as well through the Lord taking us there to teach us something—I was first taken there into Satan’s office in 1985 by the Holy Spirit).**

**As I shared in MSDK, one of the most evil things Satan does is command his human followers—in return for whatever they ask, e.g., money, power or position—to kill their own son or daughter and take the blood into the heavens and pour it into the blood banks there.**

**Many of these people are world leaders—they serve Satan for money and power. Why do you think abortion and wars are fostered by so many in governments? They must sign an actual contract with the devil to *give* so many souls and so much blood to his kingdom each year in order to be promoted or to stay in power. That is why Jesus and Paul both called Satan “the god of this world.” He *rules* the physical world through his evil government comprised of Principalities,**

**Powers, Rulers of Darkness and Wicked Spirits. Jesus took that authority from Him on April 5, 33 A.D. but then the Lord *gave* that spiritual authority to His Church and the Lord prophesied in Matthew 16:18: “The gates of hell shall not prevail against it.”**

**The early Church and churches understood this—that is why there were thousands saved when the Gospel was preached back then. The early Church understood and practiced God’s government and they were taught “the doctrine of the apostles” (Acts 2:42). Satan is very smart. My friend Omoobajesu said to me back in the ‘80s, “Don’t ever think you can outsmart the devil.” That is why I tell Christians and young ministers all the time: “The most important thing you can learn in this life as a Christian is to learn to follow the Holy Spirit because He never makes any mistakes and the more intimate you are with Him and the closer you can follow Him the less mistakes you will make.”**

## **THE EYE OF THE EAGLE**

**The Lord gave us the phrase “The Eye of the Eagle” shortly after moving us to Montana back in the ‘90s. Most of you know that the eagle is a symbol for the office of prophet because it’s so in the Bible and because eagles possess tremendous eyesight—almost nothing escapes their gaze. It also symbolizes the ability of every Christian—because every Christian has a prophetic anointing that they should learn about and *exercise*—to *see* into the realm of the spirit.**

**Also, the Lord Jesus revealed to us something back then that, like most things from the Lord, is both very *simple* and very *profound*. The Lord Jesus said: “I am building my Church by revelation.” Wow! Makes**

**perfect sense doesn't it? It requires revelation to know what to do for the Kingdom today, doesn't it? If the Lord calls you to build a church then you need revelation to know what to do. If He calls you to become a missionary then you need revelation to know *where* to go. That *revelation* the Lord wants to give you requires the Eye of the Eagle to *see*. By the same token, it requires *revelation* and the Eye of the Eagle to defeat the kingdom of darkness in your home town! And unfortunately, most Christians and churches are not even involved in spiritual warfare—that is why the devil continues to operate abortion clinics, a.k.a., killing centers in your home town. As we shared on Christian television back in 2011, “With all of these churches here in this city, why is the devil still in charge?”**

**Because most Christians don't develop their spirits and, unfortunately, most pastors in most churches in America today don't even know the Lord (the ministry has just become another secular profession to be staffed by business people and psychologists) so you have another example of “the blind leading the blind” (you should meditate on the message the Lord gave me to minister in Pennsylvania in 2010 titled, *Spiritual Blindness*). As a result there is a division between the true Church and false churches who still think Saul is the king and follow him when, in the spirit, David has been anointed king. They are guilty as the Pharisees were in Jesus' days on the earth of not making “righteous judgment.” If you cannot see what is going on spiritually then you suffer from spiritual blindness and will walk in darkness where the kingdom of Satan reigns.**

**One of our CD messages that is ordered the most is titled, “Bringing the Will of God to Pass Through Spiritual Warfare.” It is taken from a spiritual warfare conference (12 CD's by J.P. Timmons in the bookstore) we did in Oklahoma back in May, 2005. I learned long ago**

**that Israel is a type of the Church. Israel had to possess her “promised land” via physical warfare. The Church must possess her corporate “promised land” and individual members of the Church must possess their “promised land” through *spiritual* warfare. The devil is going to contest you—he is not going to go quietly without a fight. Let me just tell you boldly today that if you do not enter into spiritual warfare against the devil then you will not possess your “promised land” that is the perfect will of God for your life.**

**Of those churches and Christians who can see with the Eye of the Eagle, most are not involved in spiritual warfare so they are being attacked by the devil and are not contesting him. As a result of this, most of America is losing the War of Blood. This needs to change. I want to encourage you today—allow the Holy Spirit and the Lord Jesus to lead you forth into spiritual warfare to consummate the War of Blood. Many souls will be saved and you will see signs, wonders and miracles just as they did during the early days of the Church because “Jesus Christ is the same yesterday, today and forever” (Heb. 13:8). Praise the Lord!**
