Raceway Ministries will be awarding scholarships for college and seminary students again this year. If you are a member of a WNBA church you are eligible. Our Top Gun leadership training class for men will resume in August. Specific details will be given as we get closer to our relaunch date. Please continue to pray for pastor Tim and everyone in our group. Let's count this unique time as part of God's work in our lives in leadership training!

Though we were not able to hold our annual VBS Clinic this year our VBS Coordinator, Deborah Guest, will be available to assist any church that has a need. If you have any questions about VBS, please contact Deborah at Lakeview Baptist Church at 843-332-8427.

# A Word from the DOM

While it is with great joy that I am glad to say that our current circumstances are improving, nonetheless the days in which we are living are still uncertain. We are still uncertain when Covid-19 will disappear from society or if it will disappear from society. Sadly, we remain uncertain about the number of lives that will be claimed by this virus and its attending complications. It is still uncertain when students will return to school. It is still uncertain when we will return to a pre Covid-19 lifestyle or if we will return to such a lifestyle. Indeed, we can't even get a certain answer on whether or not to wear a mask!

Fortunately for us as believers, we have much for which we can be certain. We can be certain about the veracity of God's Word, certain of God's love for us, certain of our Lord's literal and visible return, certain of our eternal destiny, certain of God's vindication, and certain that our Great God is, always has been, and always will be upon the throne of the universe! Obviously, this could go on for far longer than this article will allow but that is not my point. My reason in sharing these things is to encourage each of us to be on the alert for, and avoid, the frustrations and temptations that naturally arise during times like these. While some things may have been shut down Satan has not, and neither has our flesh. Therefore, we must remain alert and diligent in our Christian walk making sure that we "walk by the Spirit, [so that we] will not carry out the desire of the flesh" (Gal. 5:16). Remember, our God is greater than this challenge and, "greater is He that is in you than he that is in the world" (1 John 4:4).

Be strong in the Lord and the power of His might,

Joe Willard

We are still hopeful that Raceway Ministry will once again be able to minister to race fans at this year's Southern 500 during Labor Day weekend. Unfortunately, with things still being in flux and somewhat uncertain, we are having to "play it by ear" as we make plans and preparations for the race. As soon as we have more definitive information we will make that available to you. Until then, please know that our needs for volunteers to work our tent locations, drive ADA golf carts, and purchase water for race fans remains the same. Please keep all of this in mind as we move forward and be ready to act on short notice. For updates, information, and volunteer registration, please visit our website at <https://rmdar.com>
