

Wedding Fees for Members

(Including parents of the Bride or Groom)

ALL FEES for use of the building, kitchen, Fellowship Hall and also for the pastor, organist, pianist, custodian and sound technician, must be paid the day of the wedding. Checks should be made payable separately to each individual. The church bears the utilities expense for the wedding. However, the church custodian must clean and set up the facilities before and after the ceremony after normal working hours and, therefore, a fee is charged for this.
