MONTHLY BLOOD DRIVES

Dear St. Andrew's Vestry,

Thank you so much for the microwave and mini fridge! I feel so grown up owning appliances. They are perfect and I can't wait to use them next year in my dorm room. I really appreciate your generosity and for keeping my dad off the streets.

God Bless,
Kara Poling

Additionally - Sutton Scholars - \$250

We supported 2 students as they continue their journey to higher learning. Kara, Father Jason's oldest daughter, and guest preacher, Derek Miller.

To the Saints at St. Andrews,

I am deeply grateful to have joined you for worship on August 30th. It was a joy to preach God's word and meet many of you. Thank you so much for your warm welcome and generous support and encouragement as I continue my studies at Virginia Theological Seminary. I will continue to remember you in my prayers and I hope to have the privilege of a visit again soon.

- Derek Miller

Dear St. Andrew's Episcopal Church:

This letter will serve as your receipt for tax purposes and certify that no goods or services were provided in exchange for your donation of \$328.00, ck #2304, to the Anne Arundel County Food Bank, on 8/28/2020.

The Anne Arundel County Food Bank, Inc. is a 501(c)3 charitable organization as determined by the IRS. Our Employer Identification Number is 52-1660471.

The Anne Arundel County Food Bank (AACFB) was established to collect, purchase, and distribute food to not-for-profit, human services organizations in Anne Arundel County. To ensure all needs in Anne Arundel County are covered, especially those in low income communities, we offer our services free of charge - and we are the only organization of our kind in the entire state of Maryland that provides these services completely free.

It is through your support that we are able to continue our efforts to help prevent hunger and to help provide for those in need in Anne Arundel County. For every dollar donated to AACFB, 96 cents goes right back into our programs. AACFB is much more than just a food bank - we have Baby Pantries, Senior Pantries, Pet Pantries, Clothing Pantries, a Backpack Buddy Program, Holiday Sharing Program, Medical Loan Program, and so much more. When you give to AACFB - your money stays in Anne Arundel County, helping your neighbors in need.

Since the COVID-19 pandemic began in March 2020, AACFB has distributed over 2.4 million pounds of food in Anne Arundel County, and the need continues to grow. It is because of caring donors like you that we are able to continue our mission and help your neighbors in need.

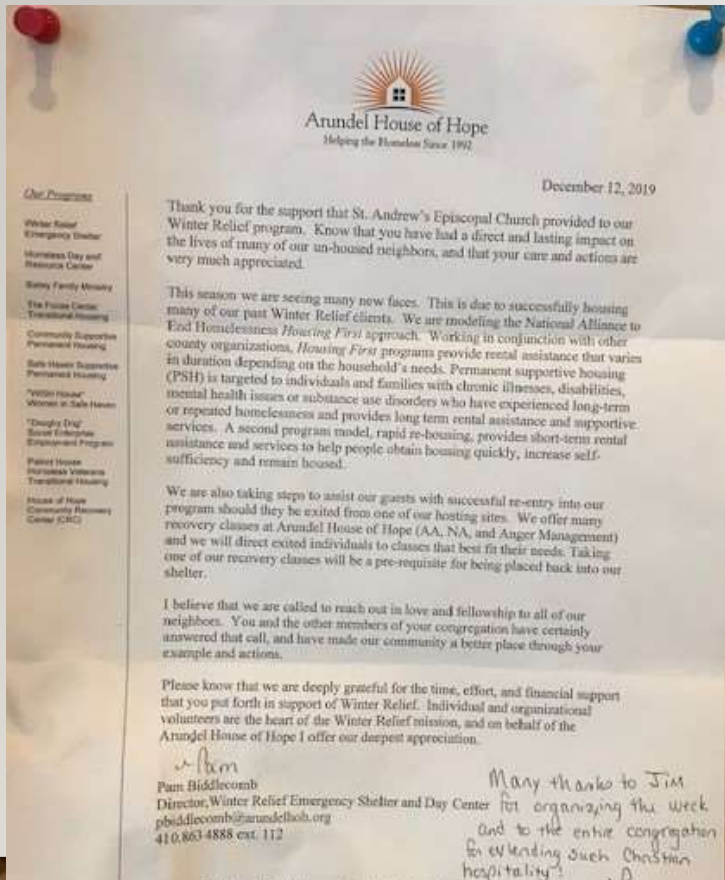

Thank you again for your generous gift. Together, we are making a difference in the lives of Anne Arundel County families that are less fortunate.

Sincerely,
Susan Thomas
