Brotherhood & Sisterhood of Christ
meet Mondays at 7:00 pm.

We start with a core piece of scripture, some devotional time that speaks to our topic and then look at some pointed questions that will help us go deeper in our faith and get to know one another a bit better at each meeting.

You can talk or you can just listen. You can come every week or once in a while! We start on time and end by 8:15pm. Questions? Men, see Pastor John. Ladies see Maria Parille or Pastor John.

A Note from the Pastor:

Just wanted to keep everyone up to date on various projects within the church. The new security/fob system is all installed. We are just uploading all of the needed information into the software and will begin to assign key fobs as needed. We are also still programming the doors to open and close at specific times.

The Narthex, stairwells and new church office are all painted. We will be renovating the old church office to be the new family room and bell choir practice room. A new carpet will be installed as well in this office.

We will also be installing a new sound system in the sanctuary. Proposals are under review and then a decision will be made. This will upgrade the quality of speakers, as well as remove the large black speakers currently in place on the altar area.
