Current
Disaster Response
UMCOR

A recent typhoon in the Philippines, as well as the devastating effects of hurricanes Florence and Michael, have left thousands without homes, power, healthcare, and resources. UMCOR

disaster coordinators are working rapidly to assess the damage and set in motion the level of response that people have come to expect and depend upon from our United Methodist connection. This response is being done simultaneously with ongoing efforts to re-build places like Puerto Rico as well as the US and British Virgin Islands.

The Resident Bishop Thomas Bickerton has reached out to each church in an appeal to provide financial support for UMCOR relief efforts. He is asking for a special offering today. The proceeds of these offerings should be sent to our Conference Treasurer's Office at NYAC, Attention Accounts Receivable, 20 Soundview Avenue, White Plains, NY 10606 so that they can be sent as a whole to UMCOR.

In response to there are special offering envelopes available in the pews today. Any amount will be appreciated.
