

BUMC

Helping Hands

Thank you in advance for your participation in the BUMC *Helping Hands Ministry*. Our mission is to extend our unique services out into the BUMC community. Our primary goal is to make sure our Veterans, elderly, and those potentially experiencing a financial hardship have all the proper home repairs and maintenance that they may need.

Below is a questionnaire to help determine your strengths and weaknesses so that you may serve to the best of your ability while also being comfortable with a task that is assigned to you. The rating system is quite simple: 1 being extremely capable to a rating of 5 as not your best skill. Please be as honest as you can with your self-analysis.

Once you have completed the questionnaire, please leave it in the church office.
Thank you for joining up with this powerful ministry that will change lives!
