***Our Mission is all about Knowing Jesus & Making Jesus Known in the Heart of Bethel***

September 2019

I pray you had an enjoyable, relaxing, and peaceful summer. The season of autumn is quickly approaching which means that our church will move on from the quite days of summer and into a very busy season here at BUMC.

With each season comes change, and that is what I wanted to write about for this Capsule article. Specifically, I wanted to talk about change in our church. One of the topics that our leadership wrestles with is change. We hear “I want to see our church grow, but I don’t want anything to change!”

Whenever I hear statements like this, my heart begins to beat a little faster! This is a continuing challenge for us as a leadership team and as for me as the pastor. As your pastor, one of my responsibilities is to keep the church moving forward. I’m blessed with a wonderful group of people here at BUMC in the form of a leadership team, otherwise known as church council.

These are individuals you have elected and approved to make larger decisions on the overall management of our church. We meet monthly to discuss, debate, and make changes in policy, procedures and others items which have a direct effect on the church. I can tell you that I make no decisions or changes in the church without council approval. Also, pretty much all of our votes are unanimous.

One of my roles as pastor is to cast the vision of where we are going. I tend to be the person bringing new ideas and yes, changes to our church. That is what God calls me to do; keep adjusting, tweaking, and making changes so that our church will not only be here in 20 years, but also that we reach folks that don’t know Jesus today!

We are about to make a change to one of our services. In October, we will be changing our 8:30 service to a new format. The only real change you may notice is the music. This service will be marketed as a “family” service, which is intended to reach families who are tied up with sports and other activities on Sundays. We are trying to create a service that has a more relaxed, less traditional feel to it. It will have its own set of songs that will have a more folk style feel to them.

Most of these songs will still be hymns that you are familiar with, however, they will be led by a guitar and the piano. This is NOT a contemporary service like our Wednesday night recharge. It will be listed as a “blended style worship service”, a little less traditional than our 10:00 am service. This new format will still have most of the components as our current service. The target length will be about 45 minutes, which is about what it typically is now.

The goal here, as I shared earlier, is to reach new families who are unchurched due to other commitments on a Sunday morning. We believe that this new, relaxed, and blended service format will be very inviting to younger families. My hope is that families come with their kids in their sports uniforms and cleats and be blessed before they embark on their day. continued.....

Once we have a few weeks under our belt and work out any kinks, we will then embark on a print/mail marketing campaign to let folks know in the Bethel area that we have this service available to them. Our hope of course is to reach more people for Jesus!

I hope you embrace this new and exciting direction that we are heading in. We have seen God move in powerful and unexpected ways the past 3 years here at BUMC. We have also seen many changes as well. I would also encourage you to stop by in October and experience this new blended format. Please keep all of us in prayer as we embark on this new adventure. See you in church, Pastor John Parille

## Teachers needed!!!

Please contact Wendy Williams at [williamsBUMC@gmail.com](mailto:williamsBUMC@gmail.com) if you can volunteer for our Sunday School program. She will be working to put together teams of volunteers to help out.

The Sunday School needs items for the Incentive Store. Each Sunday

children earn stickers during class and can “spend” them after church on Family Sunday. We like religious themed items as well as others, but no logo items. Stuffed animals, small games, items for teens are welcome as well. Please no activity books as we have many. Thank you in advance—Education Committee.

The Sunday School needs the following supplies: school scissors and glue sticks. These donations can be left in the church office.

## Sunday School News

It is with great excitement to announce that Julian Schaad will be joining the staff of BUMC as the new Sunday School Assistant Director! Julian will be assisting Director Wendy Williams, who is starting her 2nd year with BUMC with families and children in our BLAST program. Give Julian a word of encouragement when you see him in church!

**The BUMC Nursey: A wonderful place for our youngest children! BUT it needs the help of parents and friends!**

There are 2 sections to our nursery—one for the babies and the other for play. It needs to be staffed every Sunday except the 3rd Sunday of the month by at least one adult. The second person may be a teenager. Staff should be in the Nursery by 9:45am. If no children are brought there by 10:15am, staff may attend the service. During the school year the Nursery is for children up to 2 years old. During the summer the age limit is extended to PreK. We need staff volunteers for the summer months please contact Ann McLellan at 203-744-2421 or [ann\\_mclellan@sbcglobal.net](mailto:ann_mclellan@sbcglobal.net) if you can help. A person to coordinate the volunteers would also be welcome!!

## HEIFER PROJECT UPDATE:

Our Heifer Project made over \$1700! That is quite a few pigs and chicks for Cambodia! Thank you to all the children and adults who participated in this project. The Cambodian Craftsmen jewelry should be delivered late August.

### BOTTLE DRIVE

FUNDRAISING

Julien is officially retired from bottles. He would like to thank everyone for their contributions over the years. He was able to retain about \$5000 in the last 5 years. That is 100,000 BOTTLES RETURNED!

This is his last year as a Youth on ASP and it's turned into a big production! Which is of course GREAT. He was able to pay for his trip every year with collections and left the rest at the centers or put it back into the communities that are suffering as well.

Dave Ramsey's

**Financial Peace**  
UNIVERSITY

Did you know that 89% of the people in a typical American congregation don't have a financial safety net?

It's time to stop worrying about money! The nine-lesson **Financial Peace University (FPU)** course is the proven plan to help you keep a budget, beat debt, and build wealth! Dave Ramsey and his team of financial experts teaches every lesson with **biblical wisdom**, and you'll get support and encouragement along the way. FPU includes your workbook and a free year of Financial Peace Membership, an online tool kit to support your journey. Contact Patricia Hutchinson at [Patricia.Hutchinson928@gmail.com](mailto:Patricia.Hutchinson928@gmail.com) for more info. We will meet here at BUMC starting on Tuesday, **September 17<sup>th</sup>** and it ends **November 12<sup>th</sup>** – The course consists of 9 weekly sessions of about 90 minutes each, starting at 7:00pm. Class materials cost \$109 per family. Just imagine the impact we could have on the community if we were all debt-free! Marriages and families would be strengthened. People would be freed up to be outrageously generous. This kind of hope will ignite change in our entire community!

## OUTREACH

We did it! We supplied backpacks and school supplies to 14 Bethel kindergarten students. Think how proud and excited they will be to start their first year of school with everything they need! The Wellmore Agency provided us with a list of 16 Danbury area students of various ages. The list of supplies that most of them needed was HUGE but our BUMC Family stepped up and provided every item on those lists. Some of you took 3-5 tags! Others of you brought in a few boxes and bags of general school supplies. Most of those additional supplies were shared with the Wellmore students in Waterbury who have extreme needs and no additional community support. We made a wonderful, important difference in the lives of these young people. Thank you so much!
