God **DESIGNED** us in His image for His Kingdom purposes.

Week 5: The Woman at the Well John 4:1-30

Jesus and His helpers came to a town and stopped beside a well. Jesus' helpers went into town to buy food. Jesus sat down to rest. A woman came to the well to get some water. Jesus asked, "Will you give Me a drink of water?" The woman was surprised that Jesus talked to her. Jesus told the woman things she had done. He told her about God's love. Jesus wanted the woman to know how much God loved and cared for her.

Jesus said, "I am God's Son." Jesus' disciples returned. They were surprised to see Jesus talking to the woman. She was excited about what Jesus had told her. She hurried into town to tell the people what Jesus had said. The people went to see Jesus. They listened to Him tell about God's love. For two days Jesus taught the people. Many people believed that Jesus was God's Son.

LIVE IT OUT

Talk to your preschooler about the story and discuss these thoughts with them: We have been learning that God **DESIGNED** us for His purpose! He **DESIGNED** the woman at the well from today's story too, and Jesus let her know how much God loves people. Do a craft together! Grab a white piece of card stock or construction paper and use a white crayon and write in large letters, "Jesus taught people about God," which is our life point. Then let your preschooler use watercolor paint to paint the picture. The white crayon will appear as they paint with the watercolors. After they do the watercolor painting, use a sharpie to write **DESIGNED** on top of the painting. Remind your child that God **DESIGNED** them and He loves them very much.

CORE CONCEPT **PEOPLE**

God's **DESIGN** for People

- When have you been excited about something you read in the Bible or learned at church? What was it? Did you tell others? Were they excited to hear about it?

Life Point: Jesus taught people about God.

Week 5: The Woman at the Well John 4:1-30

Jesus needed to cross Samaria on His way to Jerusalem. He came to a well. He was very tired and sat down near the well. A Samaritan woman came to get water. Jesus asked for a drink. The woman was surprised that a Jewish man would speak to her. She knew that Jews did not like to be with Samaritans. Jesus told the woman that He could give her Living Water! Jesus explained that people get thirsty again from regular water. He could give her something that would keep her from being thirsty. Jesus meant He could give her eternal life. The woman said, "I know that the Messiah will come." Jesus answered, "The One speaking to you is the Messiah." The woman hurried to the town to tell others about the good news. She left so quickly she forgot her water pot. The people left the town to find Jesus and listen to Him.

CORE CONCEPT PEOPLE

God's DESIGN for People

- What is eternal life?
- Have you had an opportunity to tell others about Jesus and the gift of eternal life that He offers?
- Pray this week that Jesus will provide an opportunity to tell someone about Him.

LIVE IT OUT

About 55-60% of our bodies are made up of water, making water really really important! Jesus spoke to the woman at the well using water to teach her about Him. God had a DESIGN and plan for her life, and He chose to reveal Himself to her as Messiah. Jesus reveals Himself to us as we grow in relationship with Him. As a family create the scene. Grab one sheet of white paper and start with one family member and go around so everyone gets a chance. Draw the scene of Jesus talking to the woman at the well. The catch is that you are not allowed to take the pencil off of the paper while drawing. If the pencil comes off of the sheet of paper, the next family member takes a turn. Continue this until the whole scene is drawn. When the scene is finished have each DESIGNER autograph the page, and put it on the fridge for the week to remember the lesson and that God has plans for our lives.

Life Point: God has a plan for every person.
