

Responses at Annual Meeting, January 24, 2016 – What were the positive aspects of a group that led to success? What are the hopes?

Group – Community Connections

Distribute money

Many members – willing to share time and money

What we give comes from our blessings

Group – Confirmation

Opportunities for many people to work with young people

More mature

Communication

Participation in planning process – meet on Wednesday

Better connections

Hope for continued connections

Families more invested – faithful

Feels more like a beginning than an end

Group – Hospitality/Welcoming committee

Cooperate – work well together – collaborate well

Hope – more people involved – more coverage

Involve new people

Hope – Brenda's Breads continues?

Group – Community Connections

A chance to share with the community a part of the church

Can we offer babysitting?

Group – Church School

Size – small but dedicated families and leaders

Ownership

Participation in service/hands on – and discussions

Hope to keep on

Congregation is supportive (bake sale, mentors)

Group – Learning Communities

Hope – more book studies/leaders

Community

Interaction with others

All agree – all together – all share love of God – new perspectives – trust

Hope for more groups

Safe place – prayer concerns (house church)

Study with prayer
