TRUMPET

HOLY TRINITY LUTHERAN CHURCH

Worship Schedule

Sunday School 8:45 am
Worship Service at 10 am
The Rev. Jim Bangle,

Make sure you are counted-

Don't forget to sign your name on the red
pad located on your pew every Sunday.

FROM THE PASTOR

From the (Interim) Pastor....

“It’s a beautiful day in the neighborhood....” Mr. (Fred) Rogers was right -- especially if the neighborhood is in the church. When I look over the congregation on Sunday mornings, I see a bunch of neighborhoods. We have our favorite places to sit (I sit in the same place as well). And we know who our church neighbors are. Let me suggest a kind of ***neighborhood watch*** for Holy Trinity. If there is someone new in your neighborhood who you do not recognize, introduce yourself. Likewise, if one of your neighbors is missing, give them a call to say you missed them and hope all is well. People show up for all kind of reasons and they are absent for even more.

Some time ago a fellow Rotarian showed up at a meeting after several weeks’ absence. I greeted him saying, I’ve missed you. His reply: That explains all of your calls. He smiled, but I got the point. You do too. What’s happening in your sanctuary neighborhood?

See you in Church!

Pastor Jim Bangle

Holy Trinity Lutheran Church

Mission Statement:

Holy Trinity Lutheran church, called by Christ, and guided by the Holy Spirit, affirms God's love for all His creation.

In response, we commit ourselves and our gifts to God's work and His praise through worshipping, celebrating the sacraments, proclaiming the Gospel, teaching God's Word, and loving all people.

Following Christ's example, we promise to live our faith in word and deed by being a living sacrifice for others, forgiving and reconciling our differences, and ministering to those in need. All this we do in the sure and certain hope of our salvation.

DATE	OFFERINGS	WEEKLY NEEDS	YEAR TO DATE	OVER (SHORT)	TOT. ATTENDANCE

August 19	\$4,632.07	\$6073.21	\$186,121.06	(\$1,711.14)	85
August 26	\$2,270.00	\$6073.21	\$188,391.06	(\$3,803.21)	78

**Summary
Holy Trinity Lutheran Church
Council Meeting Minutes
August 13, 2018**

Financial Reports:

Signature cards on four accounts at First Tennessee Bank were updated by Martin Schick and Brenda Mooneyhan will continue to manage the Memorials account.

Staff Reports:

Pastor Bangle continues to visit members. Arrangements for confirmation classes are underway. He reported on how smoothly the Ed Hansen funeral service arrangements went due to the "above and beyond time commitment" of Sue Morgan and Marie Baker and noted the live-streaming by a family member's cell phone was possible due to WIFI.

Calendar Review:

Pastor Bangle noted attendance at Immanuel Lutheran Church 225th Anniversary and that he met with Bishop Gordy who asked about progress.

Study Group will hold a meeting in Fellowship Hall on September 13.

Committee Reports: Written reports were received prior to the meeting.

Mutual Ministry – Succession planning for finance officers underway.

Outreach – Upcoming meeting will include discussion of Family Promise program and staffing for this program.

Worship & Music – Committee submitted a recommendation (and the issues that support this recommendation) for a single service schedule for the duration of our Interim Pastor for multiple reasons including long commute of both pastors, inclement weather for the commutes increases, and the 50% reduction in cost for musicians and clergy. After discussion Amy Louthan made the motion to continue the current single service schedule (with alternating styles) for the duration of our Interim Pastor, with Christmas, Easter and Reformation services using traditional style. Edna Kinner seconded this motion. Motion carried with a vote count of 13 in agreement and 1 abstention. Pastor Ridenhour will continue to be Pastor Bangle's back up throughout this interim period. Appreciation of Joy Wood and her leadership throughout this time was noted by the Council.

Youth – Confirmation classes will begin, Wednesday, September 5th at 5:30 pm.

WELCA – 166 Disaster Relief Kits were assembled and will be delivered by Carolyn Chandler to Greenville at the end of this month.

Old Business:

Spiritual & Practical Journey of Prayer – Still waiting on some committees input.

Security Team – Will meet soon and have recommendations for Council that might require budget to implement these recommendations.

Gift Ratification – Paul Castille made the motion to ratify the proposal to provide an Anniversary Gift to ELCA Disaster Response in honor of Immanuel Lutheran Church which was seconded by Amy Louthan and unanimously approved by Council.

New Business:

Inclement weather policy – Pastor Bangle suggested that service not be cancelled, but rather, all members of congregation use their best judgement concerning traveling in inclement weather. Youth activities usually follow county school closure policies and committee chairs should make the decision regarding their meetings or activities and then notify participants. This policy will be further discussed at our next Council meeting.

Call Committee – All Council Members had the opportunity to submit names for the Call Committee. Discussion ensued regarding the make-up of this very important committee and next month after continued thought and prayer we may have the potential slate of names. The names and list remain confidential.

Communications to Council: Holy Trinity's add in the paper is incorrect. Sue Rasmussen will call the Times/News and check on it.

Wellness for My Soul Health Presentation

**September 30, 2018, 12 noon - 1pm
In the Fellowship Hall**

A few months ago at a Stewardship Committee meeting, we discussed the broader spectrum of “stewardship” beyond just the usual issues of finances. We speak of “time and talents” but there is also stewardship of other gifts God has given us, such as our bodies and health and also the world around us, to consider a few. Paul writes in his letter to the Corinthians: “Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your bodies.”

So how is it with your health? Are you well? The words of a song come to mind:

When peace like a river, attendeth my way,
When sorrows like sea billows roll
Whatever my lot, thou hast taught me to say
It is well, it is well, with my soul
It is well
With my soul
It is well, it is well with my soul.

We are blessed in our church to have a number of Medical & health providers and I have asked several of them to give a short presentation about a common health topic about which they get frequent questions. This is an opportunity to learn more about some wellness and health issues and it's free! We will start out with a session on Sunday after church at 12noon to 1pm September 30 and October 14. Lunch will be offered by the Congregational Life committee (THANK YOU!!) and speakers and topics will be announced shortly—but set aside the time now. We will use this as a barometer on future dates and topics. Thanks to all! -**Tom**

September is National Cholesterol Education Awareness Month

Cholesterol Information :

- Cholesterol is a waxy substance found in the fats of the blood.
- The liver manufactures 80% of cholesterol found in the body. The other 20% of cholesterol in our body is obtained from our dietary intake of meat, poultry, eggs, fish, and dairy products.
- Cholesterol is not inherently bad.
- We need cholesterol for cell membrane and hormone formation.
- Too much cholesterol or a high cholesterol level is a major risk factor for heart disease, stroke, and peripheral vascular disease.
- High cholesterol can be inherited, but often it is a result of an unhealthy lifestyle of choices.
- A blood test is the only way to detect a high cholesterol level.
- It is recommended to obtain testing after the age of 20 with repeat testing every 5 years or more often depending on your physician's recommendation.

The More You Know...

This month the Worship and Music Committee begins a series of Trumpet articles that will cover a variety of topics on symbols, colors, design/architecture, traditions, seasons, and festivals that many of us either don't think about very often or perhaps are not sure of the significance of these things. Some months we will address seasonal topics (such as things related to Christmas or Pentecost), and other months (like this first one) we will comment on more general topics (such as our windows, our crosses, our paraments, etc.).

The concept and indeed much of the material was first introduced by Worship and Music, under the leadership of Brenda Mooneyhan, in 2002. With thanks to Brenda and with her blessing, we will utilize some of that material and add some updates and additional topics.

Sanctuary Nave Chancel Narthex

Familiar words? Parts or architectural features of our church, right? But what do those names mean? Sanctuary is often used to refer to the worship space (even Webster defines it as "the room in which general worship services are held"), but the term is actually more specific than that. By another, more precise definition, the sanctuary is the most sacred part of a religious building. In Christian churches, it is where the altar is placed. In our church, that would be the highest raised platform area on which the altar sits. In the medieval church, the sanctuary was shut off from the congregation and was as inaccessible as the Holy of Holies in the Temple of the Old Testament. The sanctuary of the Renaissance church, however, is before us and not behind a curtain, helping us feel nearer to God and filling our hearts with joy.

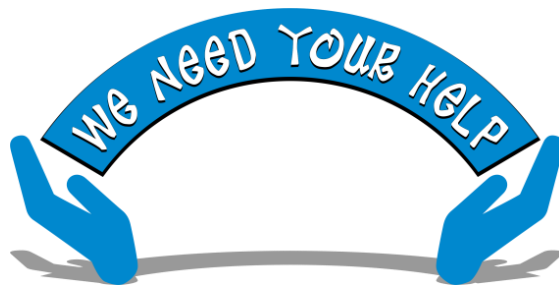

The next "level" is known as the chancel. The term was used in England before the Reformation when this area of the church used to be separated from the nave by rails. It is the area of the church that encompasses the altar and which contains the seats for the clergy, the worship assistants and (in many churches) the choir. (Some churches refer to their choir as the "Chancel Choir" because that is where the choir sits!)

The nave is the large, central part of a church, extending from the narthex to the chancel and flanked by aisles. It includes the pews and is where worshippers sit, stand, and kneel during the services.

Finally, at the rear of the nave, where most worshippers enter, is the narthex. A narthex can also be called any number of things from a portico (a colonnade or covered ambulatory often at the entrance of a building) to a vestibule (a passage, hall or room between the outer door and the interior of a building) to a lobby which leads to the nave of the church. In our church, it's a place where worshippers transition from the outside or the Gathering Room to the quieter worship space of the nave.

For completeness, there is one additional part or architectural feature that is common in many churches – the transepts. Beginning in the Middle Ages, many churches were built in the shape of a cross. The vertical timber of the cross would begin at the narthex entrance to the nave and extend all the way to the sanctuary. The horizontal timber would cut across the vertical at the front of the nave just before the chancel and create two seating areas to the left or right that would appear to the arms of the cross. These are sometimes used for additional seating for worshippers or may be used for choir seating, organ console, etc. The great cathedrals of Europe such as Westminster Abbey as well as a number of large churches in this country are in this shape. Holy Trinity's current design does not include the cross shape or transepts; the previous worship space (the one that faced Sevier Avenue) was, however, shaped like a cross with transepts.

Now you know a little more...to be continued next month.

Family promise needs overnight hosts the first week of October.

Please contact the Chandler's or Jon Peters if you would like to volunteer as an overnight host.

Tri-Cities Memory Gardens Mausoleum Properties Available for Sale to HTLC Members

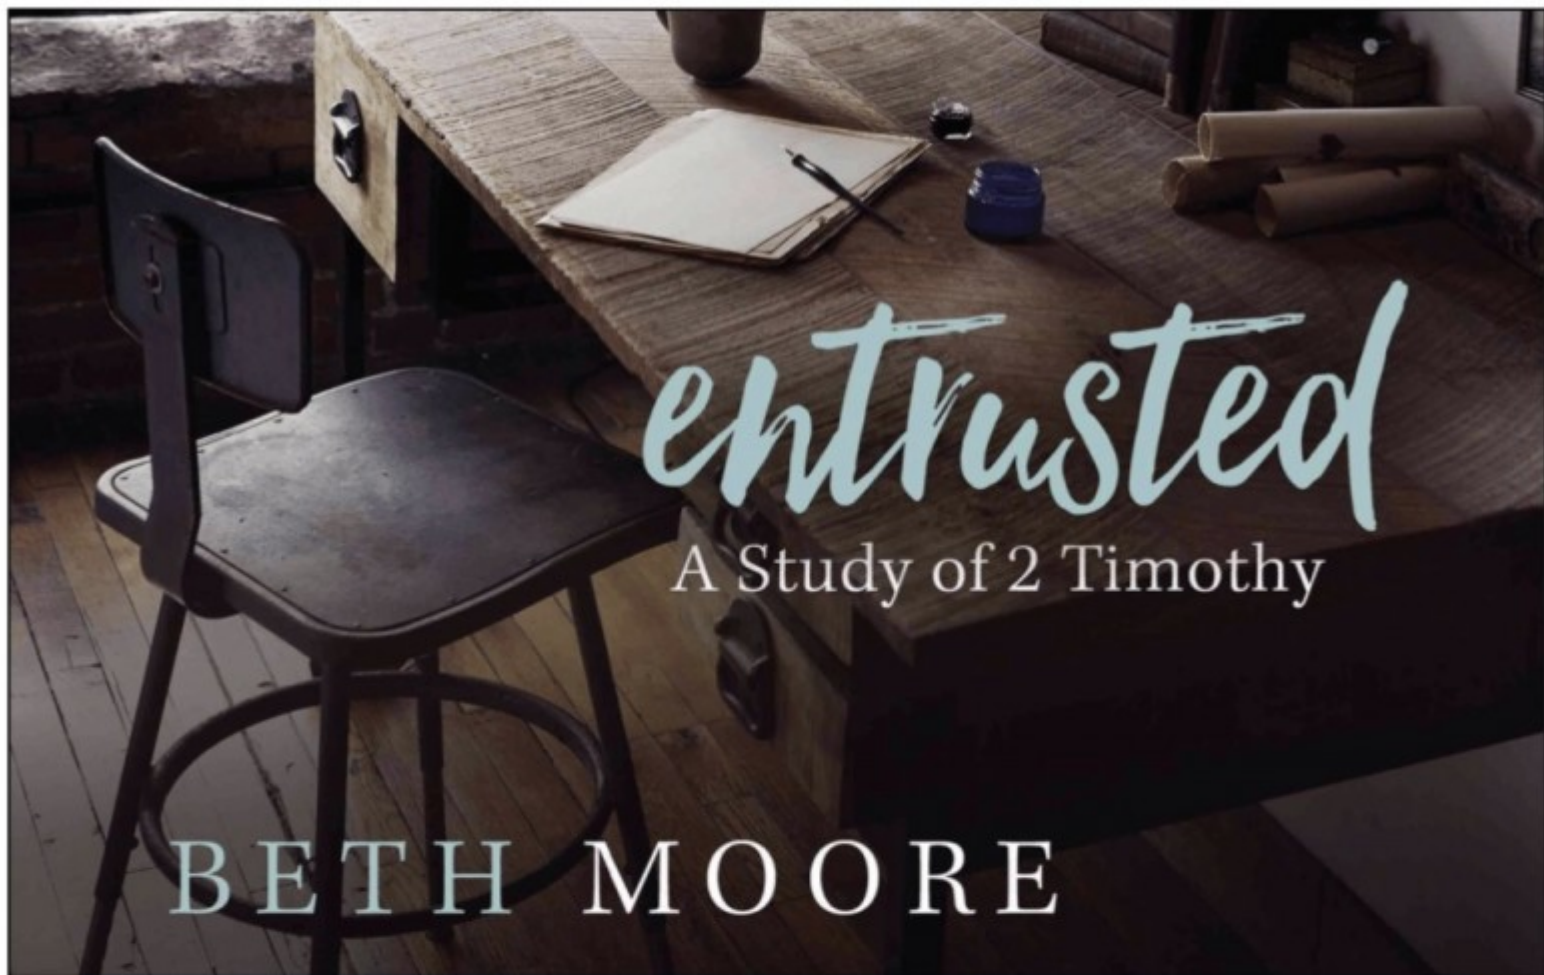

In August 1978, three mausoleum properties located at Tri-Cities Memory Gardens were donated to HTLC with a current total value estimate at \$15,480.00 (one single unit = \$6,490 and one double unit = \$8,990). The HTLC Council was recently made aware of this donation and unanimously agreed to pursue the following options in the order listed:

Option 1. Offer to sell the properties to HTLC members (Timeline: July-December 2018),

Option 2. If no HTLC members are interested in purchasing the properties, we will offer to sell them to the public (Timeline: January-June 2019),

Funds from the sale of these properties will be placed in the HTLC General Fund and used as designated by Council.

We are initiating Option 1 now. Are you interested in learning more about these properties? Please contact Edna Kinner (423-767-5538).

Vacation Bible School

September 16

October 21

November 18

After 10:00 Worship Service for 2 ½ hours! (11:30-2:00)

It will be like a mini VBS with Lunch, Bible Study, Crafts,
and Games

Ages 3 and Up. Youth helpers needed! Friends are
welcome!

(Parents can drop off the kiddos and enjoy this time alone)

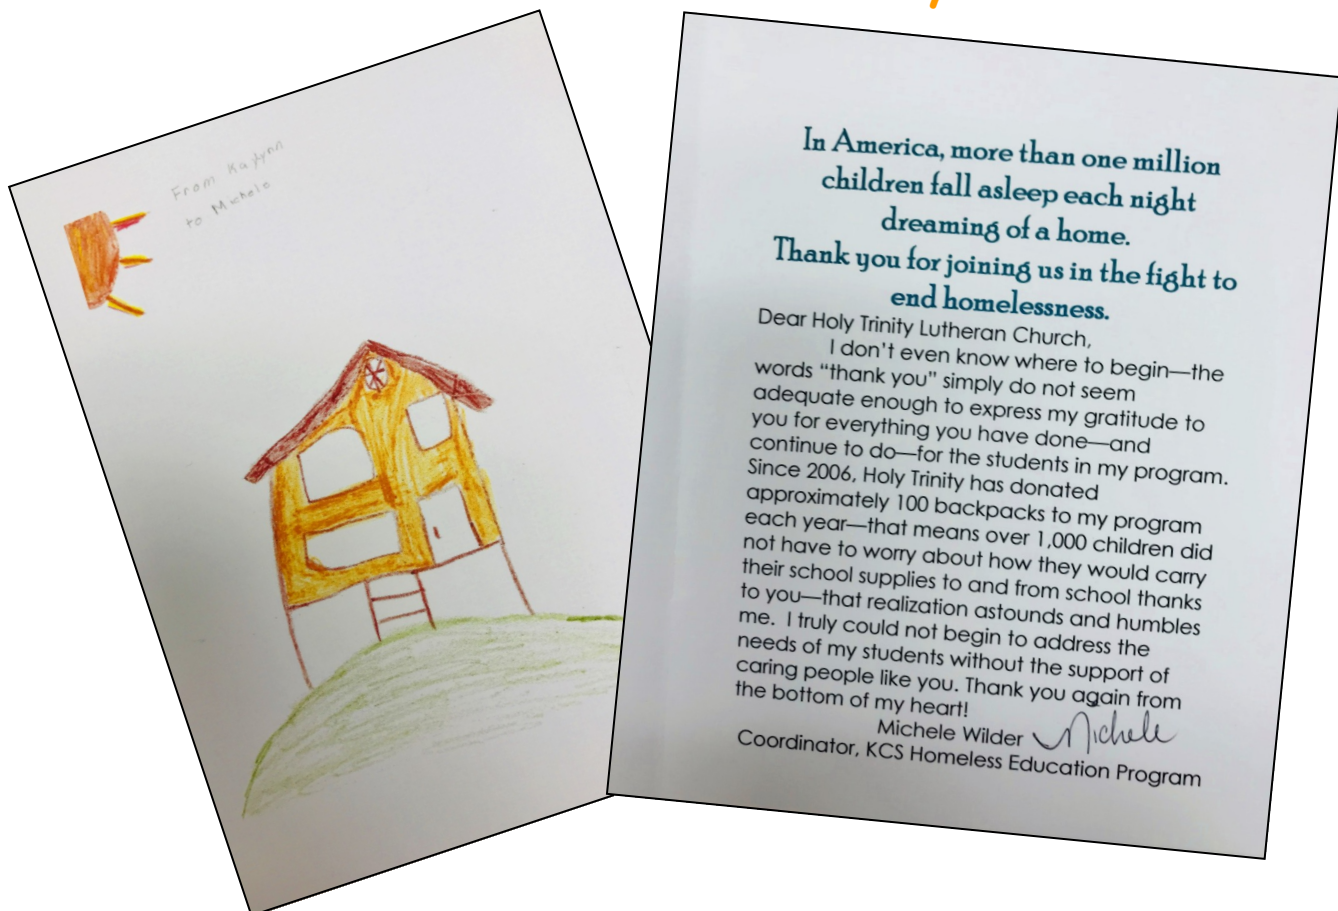

Please sign up in the Gathering room, so we can have an
estimate how many will be attending!

Ladies Join us The second Monday
of each month a 1 pm.

Our next meeting will be Monday, September,
10th at 1 pm in the Gathering Room.
Contact Laura Mitchell for more information.

Thank You For all that you do!

Finding cures. Saving children.™

St. Jude Children's Research Hospital is well known to most Holy Trinity members. Our own Brady Nussman was a St. Jude patient, and each year many of you participate in and/or contribute to Brady's Bunch, the team bearing his name in annual St. Jude Walk/Run to End Childhood Cancer. The Run is coming up in September, so it is time now to sign up.

Here's the link to the Brady's Bunch team site: <http://walkrun.stjude.org/brady2018>

Follow this link and then choose if you wish to join the team and become a fund raiser or just make a donation. Either choice is fine – there are some who join the team, make a donation, and participate in the walk while others choose simply to donate. Either way, you are honoring Brady's memory and helping in the fight against these deadly diseases. And we appreciate your support!

This year, the walk will be Saturday, September 15 at the Pinnacle in Bristol. Registration/check in begins at 7AM, with the walk beginning at 8AM. If you want more information, you can go to the St. Jude website and click "Get Involved" and then "Walk/Run to End Childhood Cancer". In addition to the website information, there will also be a Walk/Run Kickoff Party for Kingsport at the Farmer's Market on Friday, August 10 from 5 to 7PM. There will be lots of information about St. Jude, opportunities to form or join a team, and a host of other treats and surprises – including FREE carousel rides! (Of course, you do not have to attend the Kickoff to participate in the team and the Walk/Run!)

St. Jude is unlike any other medical facility. It is the global leader in research for cures to many childhood diseases, and all its findings are freely shared globally with other treatment facilities. St. Jude treats patients from around the globe in Memphis and in 8 affiliate clinics, including The St. Jude Tri-Cities Affiliate Clinic at Niswonger Children's Hospital in Johnson City. No family ever pays St. Jude for treatment, travel, or lodging. The medical staff is absolutely unbelievable in their compassion and care for their patients and their families. The work must continue – not only to treat the cancers that can now be cured because of prior research but also to find cures for the tougher diseases. All that patient care and treatment as well as the research is costly – it costs St. Jude about \$1 billion a year to operate (that's just under \$3 million a day!). The majority of that money comes from individual donors who give what they can to continue this fight. You can contribute at any time, but the Walk/Run is a nationwide focus event promoting the search for cures.

Please consider joining us! Become a member of Brady's Bunch, or make a donation. If navigating the web site is not your thing, you can provide a check payable to St. Jude and we will get it added to the team total. Contact Whitney Nussman for more information (384-7999). Thanks for the continuing support!
