## From the Pastor's Desk

### HEARERS AND DOERS

Grace and peace to you from God our Father and the Lord Jesus Christ. Greetings to everyone. September 2020 is an amazing time for us to be doing ministry together. God has filled my mind and my heart with many thoughts and possibilities. Please allow me to share some of these thoughts with you.

I wonder if our experience of ministry here at HTLC might be somewhat similar to what the pioneers of this ministry experienced as disciples of Jesus Christ when it began in 1917. I believe we are also pioneers in God's ministry as disciples of Jesus Christ in the year 2020 AD. This is an exciting time right now while serving together under the umbrella of ministry at HTLC only three years after this second century of ministry has begun. As we continue praying while listening for God's direction, my prayer is that we will be *Hearers and Doers*.

For example, "*Hearers and Doers*" is a good phrase for our experience together at our drive-in worship on the 23rd of August. "*Hearing*" all of your horns blowing with you "*Doing*" the horn blowing is a treasure I will continue to carry close to my heart. Thank you for the love I received as you surprised me with recognition of our 1st anniversary together.

As Jesus was sitting on the mountain encouraging his disciples, they heard the *Beatitudes* and more (Matthew 5-7). Before coming down off the mountain, Jesus said,

*"Everyone then who hears these words of mine and acts on them will be like a wise man who built his house on rock."* (Matthew 7:24)

There on the mountain, the disciples were given the *Beatitudes* (Matt. 5:1-12). Then they were called to be *Salt and Light* (5:13-16) and then were given many other instructions (Matt. 5:17-7:29). The message is clear. Jesus is calling the disciples to be *Hearers and Doers*.

Jesus is also calling us to be *Hearers and Doers*. I have said many times that our most unusual year together brought many challenges and opportunities with COVID-19. We are learning to *connect* in ways we may have never considered before this pandemic began. In the midst of sadness, confusion, and pain, this time has also become a great learning experience. For me, this time has also brought joy in the midst of pain. We are developing new tools for ministry.

Rev. Scottie J. Burkhalter

(Page 2)

With prayerful innovation and the many spiritual gifts within our church family, we are finding *New Roads for ministry*. Thank you for your willingness to experiment together while encouraging one another. We are stepping into a new season here at Holy Trinity.

Picture this. Fall is in the air. Fall, or Autumn 2020, starts September 22, 2020 and ends on Monday, December 21, 2020. I look forward to the visual changes we see in God's creation each Fall. The Fall we experience in Kingsport, Tennessee may look somewhat different from Fall in Wisconsin and different still from New England, for instance.

As I shared in the Trumpet Newsletter last month, I believe *communication* is key for our ministry together in order for HTLC's ministry to thrive. As *Hearers and Doers* of God's Word through the encouragement of the Holy Spirit, I give thanks to God for your enthusiastic attitude and willingness to experiment with new and innovative ways for doing ministry at HTLC.

Let us continue to pray together for God's guidance as we seek to be faithful *Hearers and Doers* according to God's will and God's Word. Together, we are here at Holy Trinity Kingsport in the early part of the second century of God's ministry here. I'm excited about what God will guide us to do next! Now is an exciting time to be here in Kingsport walking together at HTLC. With God by our side, *[we] can do all things through Christ who strengthens us*. (Philippians 4:13). Together with good communication and joyful hearts, we will continue to build a strong ministry with God's guidance according to God's will "...like a wise man who built his house on rock..." (Matthew 7:24).

Please pray with me:

*Ever-present God, we praise your name and we Thank You for your love. Open our ears and our minds in order that we may hear you and do your will. Give us strength to be faithful 'Hearers and Doers' of your Word by the guidance of your Holy Spirit. We pray all of this in Jesus name. Amen*

And now may God grant you peace as a *Hearer and Doer* according to God's will.

*Yours in Christ,  
Pastor Scottie*

## **A Walk in the Woods with God**

Join us in exploring Care of Creation through scripture as we study God's creation at **Bays Mountain Park.**

We will discover how we as Christians extend stewardship through Care of Creation. As we investigate the wonders of nature we will consider and discuss the following questions;

- ♦ What does the Bible tell us about care of creation?
- ♦ Why does this even matter?
- ♦ What is the difference between God's commands for man about creation and the human spiritualism imposed into nature?

Please join us on a gentle walk at Bays Mountain at

9AM on Saturday, September 12, 2020.

***We will take frequent rests. Remember to bring water to stay hydrated!***

From the Stewardship Committee.

**Our Motto — Helping Transform Lives in Christ**

## **Holy Trinity Lutheran Church Mission Statement:**

*Holy Trinity Lutheran church, called by Christ, and guided by the Holy Spirit, affirms God's love for all His creation.*

*In response, we commit ourselves and our gifts to God's work and His praise through worshipping, celebrating the sacraments, proclaiming the Gospel, teaching God's Word, and loving all people.*

*Following Christ's example, we promise to live our faith in word and deed by being a living sacrifice for others, forgiving and reconciling our differences, and ministering to those in need. All this we do in the sure and certain hope of our salvation.*

**MAKE THIS WEEK  
A GREAT WEEK**

## *Announcements*

Rev. Scottie J. Burkhalter

Thank you for a gracious first year together here at HTLC. I thank God every day for calling me to serve with you through our ministry together at Holy Trinity Lutheran Church in Kingsport Tennessee. I'm excited each day to see what that day will bring.

I was blown away by the love I felt at our worship service on Sunday, August 23, 2020. As our Outdoor Worship Service began that day, I was totally surprised to hear the gracious words of appreciation transmitted over FM99.7 WHLT for our ministry together and for the recognition of our first anniversary together. And then I was given a stack of cards after worship. And I found other cards in my mailbox. Thank you for the love and for your creative way of sharing your love with me. You're the best!

Always yours in Christ,  
Pastor Scottie

*Thank  
You*

## Finding cures. Saving children.™

St. Jude Children's Research Hospital is well known to most Holy Trinity members. Our own Brady Nussman was a St. Jude patient, and each year many of you participate with and/or contribute to **Brady's Bunch**, the team bearing his name in annual **St. Jude Walk/Run to End Childhood Cancer**. This year, the Walk/Run in the TriCities will be VIRTUAL, but your support is still needed and appreciated.

Here's the link to the **Brady's Bunch** team site:

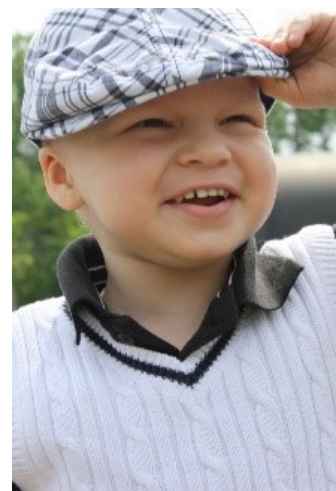

[https://fundraising.stjude.org/site/TR?fr\\_id=122553&pg=personal&px=2038372](https://fundraising.stjude.org/site/TR?fr_id=122553&pg=personal&px=2038372)

Follow this link and then choose if you wish to join the team and become a fundraiser ("Join Whitney's Team") or just make a donation ("Donate"). Either choice is fine – there are some who join the team, make a donation, and encourage others to donate while others choose simply to donate. Either way, you are honoring Brady's memory and helping in the fight against these deadly diseases. And we appreciate your support!

This year, the VIRTUAL walk will be Saturday, September 26. More information will be shared from St. Jude about the plans for the day. But that date at least serves as a target date for you to join the team and/or make a donation. The big event that day will be the announcement of funds raised – and TriCities is well on the way with about \$72,000 already raised toward a goal of \$180,000. You can help push TriCities over the top – and help kids along the way!

In so many ways St. Jude is unlike any other medical facility. It is the global leader in research for cures to many childhood diseases, and all its findings are freely shared globally with other treatment facilities. St. Jude treats patients in Memphis and in 8 affiliate clinics, including The St. Jude Tri-Cities Affiliate Clinic at Niswonger Children's Hospital in Johnson City. No family EVER pays St. Jude for treatment, travel, or lodging. The medical staff is absolutely unbelievable in their compassion and care for their patients and their families. The work must continue – not only to treat the cancers that can now be cured because of prior research but also to find cures for the tougher diseases. All that patient care and treatment as well as the research is costly – it costs St. Jude about \$1 billion a

year to operate (that's just under \$3 million a day!). The majority of that money comes from individual donors who give what they can to continue this fight. You can contribute at any time, but the Walk/Run is a nationwide focus event promoting the search for cures. Danny Thomas, the entertainer the older ones of you may remember, founded St. Jude in 1962. He said at that time "No child should die in the dawn of life." Sadly that is not yet reality, but your gift could help make it so.

Please join the fight to find cures and save children. Become a member of **Brady's Bunch** or make a donation. If navigating the web site is not your thing, you can provide a check payable to St. Jude and we will get it added to the team total. Contact Whitney Nussman for more information (384-7999). Thanks for the continuing support!

# HTLC Drive-In Worship Service

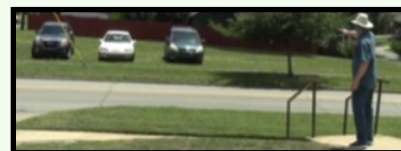

**Continuing on Sundays 10:00 AM**

Join us in the parking lot for worship this week. The service will begin at 10AM and will last about 30 minutes. Then, for those who wish to participate, 'contactless' drive thru communion will be offered.

As you approach the church, tune your FM radio to 99.7. Beginning about 9:45AM there will be a broadcast with more detailed instructions on parking, the service, the communion, etc. That information will repeat until time for the service.

Basically park in the main lot, facing the building, but please do not park in the few spaces directly along the sidewalk by the sign. You may also park in the grassy lot across Broad Street from the sign.

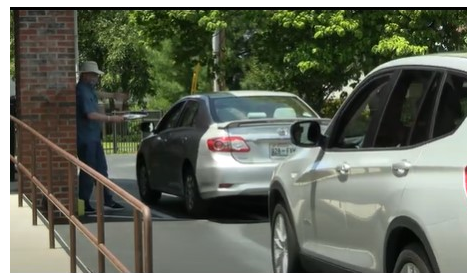

Words of Institution

***The service will be heard on that same frequency (99.7) beginning at 10AM. At the conclusion, Holy Communion will be offered,*** with cars routed from the Broad Street entrance by the sign toward the playground. Stop by the Gathering Room doors and Pastor will extend a tray to the driver with enough communion (wafers and wine in individual glasses) for each person in the car. The driver will distribute communion to passengers. Pastor will be wearing gloves and mask,

and the napkin under the elements will be discarded each time in case the communicant touches the napkin. When finished communing, turn right toward the Urology building and exit by that building. **Music will be playing on our station throughout the Holy Communion process.**

With drive-thru Holy Communion after brief service.

**Remember, 10AM service, FM 99.7, "WHTL"!**

## Vaccines

Vaccination against disease has been present in human society for a very long time. We are most familiar with the story surrounding the development of the smallpox vaccine in the 1700's and most recently the development of the polio vaccine in the 1950's.

What is a vaccine? A vaccine is defined as a substance used to stimulate the production of antibodies to provide immunity against one or several diseases. The vaccine substance is prepared from the causing agent/germ/pathogen of the disease.

Vaccines are not agents that cure disease nor are they medications. They are substances taken by mouth, nasally, or by injection to prevent disease.

A vaccine works by training the immune system to recognize and combat pathogens/germs either virus or bacteria that can sicken and kill.

Immunization works well. Sometimes it does not provide complete protection against the disease but the vaccinated is likely to get the disease less severely. Those that have been vaccinated can respond more rapidly to combat the disease.

We have been created and wonderfully made and let us help our bodies to stay well and free of disease by being vaccinated.
