

First, let us all agree. Let's make certain that we do not get so busy with Christmas that we miss what it means to have a genuine Christmas Season of worship.

That being said, I want to introduce you to what will be coming up in the first 70 days of 2015. Our emphasis is going to be REFRESH. While we will continue to work hard in the total ministry and life of the church, we are going to be working on empowering and emphasizing some special areas. One is Intercessory Prayer ministry. I have asked Miriam Work to be the new coordinator. Another area that we are going to be emphasizing is our overall youth ministry. Two of our emphasis kind of go together. We are going to be offering some great discipleship training classes Sunday at 5:00 p.m. Then we are going to place a tremendous amount of energy into the 6:00 p.m. worship service. Finally, we are going to take a look at how our committees function.

Looking forward, first to the Christmas Season and then 2015.

Blessing,

Dennis
