

Celebrating the Holidays is always a great joy and also a great challenge. We do our best to point everything we do at church at emphasizing the Good News of Christ's birth. So join us for all of the great times of worship and celebrations we have this month. I know that there is a lot in-between now and the first of the year, but I do want to draw your prayerful attention to 2016. The first prayer request is our "STAND FIRM" study of 1 Peter. We will take a major look at this mighty book. 1 Peter covers a wide variety of important and applicable subjects. Plus each week I will be providing study notes to go along with the sermon. Bring your pens and pencils! The messages over all will address how we can STAND FIRM in a very shaky and unstable world. The second thing would ask you to pray about is our search for a youth minister. I am devoting at least one full day a week, during the holidays, to our search. I hope you have your prayer card. Youth minister is at the very top. Every day I look at this little prayer card and the things that I have listed as Prayer requests for the end of 2015. Nothing is more important than finding the right youth minister for our church and young people. Back to the Christmas season. There is so much hurt, turmoil, confusion, strife, wars and rumors of wars in our world today. Over 2000 years ago there was only one hope: "A Savior is born for you in the City of David, Christ the Lord." In today's world there is only one hope for the nations; Christ the Lord. We celebrate His birth, His death, and His Return. Merry Christmas.

Blessings,

Dennis

If you would like to help prepare for this spectacular event contact Bro. Casey. We need lots of help with this major undertaking. Here are some of the jobs: setting up and taking down the tree, ushers, greeters, & prayer warriors. Last year we had over 400 attend, so we have added a Saturday performance. What part will you play in reaching your family, friends, and neighbors for Christ this Christmas? Continue to pray for this event and the lives that will be in attendance and begin talking about it with those you know need to hear about Jesus.
