

We are looking forward to GREAT DAY IN THE MORNING this coming Sunday. I hope that you are all prepared to join us. I will be preaching on the Second Coming of Christ. This is a fact that everyone should know about. More importantly it is something that we all should be prepared. How do you prepare for the Second Coming of Christ? We have a wonderful opportunity to experience a meaningful worship service and a terrific meal. Plus it is a wonderful opportunity for you to invite your friends and family to be with us as well. It will be a GREAT DAY in the MORNING beginning with Sunday School, continuing with Worship and then a fried chicken dinner in the family center. And yes it is true, preachers love fried chicken. At least I do.

Easter is just two weeks away. This is another great opportunity for us to invite someone to worship with us. Some of you will travel to see family. That is great. I hope you make plans, however, to attend an Easter service even if you are not in town. And if you have family coming to be with you, please plan to join us for a very inspirational Easter service. We love to celebrate the Resurrection of our Lord, but there is just something special about Easter morning.

Perhaps you wonder why I encourage you so often to invite friends and family to attend worship service. One reason is that "faith comes by hearing and hearing by the Word of God." So it is important for people to hear the gospel story and hear about Jesus and hear about the things of God. How can they hear without a preacher? (All of this is from Romans 10) Some people need a lot of encouragement and some need just a little. But we all have needed encouragement at one time or the other. So be an encouragement to someone this week and next. We have two wonderful opportunities to invite, encourage and enjoy.

Blessings,
Dennis
