The Personnel Committee request PRAYER for Youth/Recreation Minister for the First Baptist Church of Cheyenne

We are currently looking for a full time youth minister. Responsibilities will include working with the Sunday School teaching team, youth outreach, youth discipleship, youth activities which include DNOW, YEC, Falls Creek, See You At The Pole, et al. Responsibilities also include recreation events in our gym. During the school year these can be weekly.

Our Prayer Profile:

We are praying for someone who will relate well to youth, parents, and community in a small town. Involvement in youth, church and community events is essential. Cheyenne is a wonderful community where the churches, school, and community are mutually supportive.

We are praying for someone with a strong work ethic. We have a strong spiritual burden to reach and disciple youth. We are looking for someone to fully commit to the youth ministry.

We are praying for a team player as part of our staff. Church leadership works together in developing the program of the church. The youth minister will participate in staff meetings and calendar planning. The youth minister will also work closely with a parent leadership team.

We are praying for someone with strong planning and implementing skills, which enables him to carry out responsibilities and assignments.

We are praying for someone who will be a positive Christian leader and influence for our youth and church.

We are praying for a capable communicator of Christian truths through Bible study, missions, worship and other activities.

Summer Greetings,

We are right in the middle of summer. Hope yours is going great. There are so many things going on that I thought I would give you a heads up on some of it. You will especially want to read more about the opportunity we have to provide a house of our future youth minister.

YOUTH MINISTER: Yes we are looking. It is very difficult during the Falls Creek season to make contacts. But yes we are praying, seeking, and preparing.

PLAYGROUND: Perhaps by the time you read this our new playground will be up and running. We will have dedication on July 12.

UPSTAIRS AIR CONDITIONING: Some great guys have installed four windows units upstairs to help support our existing AC unit. This will be a great help during the summer.

ADDITIONAL PARKING: We are blessed to be able to add two strategic parking areas for our church campus. We still need to move some dirt. (Call me if you know someone who wants it) But we are going to add some great and much needed parking.

BUS LETTERING: Jon Robinson added the church name to the side of our new bus, and back of both buses. Now you can tell to whom it belongs.

NEW CHAIRS: Well this is one of those stories that happens in churches. We ordered more chairs for the youth room. These were intended to use when we had big programs in the family center as well. However, the wrong size came in and now the children's department has new chairs. It worked out fine.

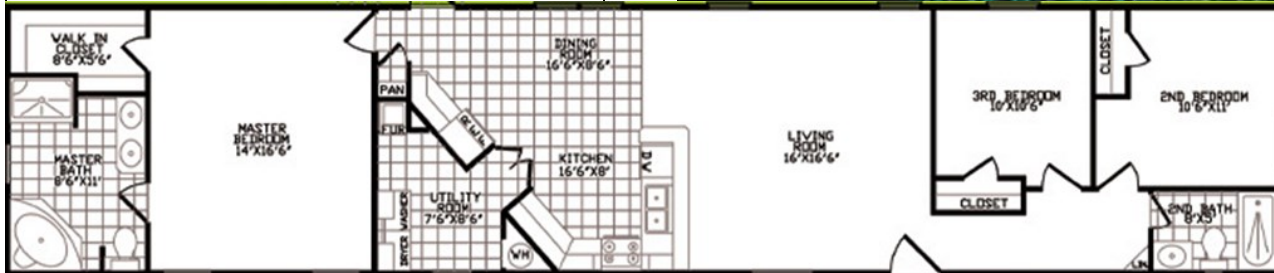

NEW ROOFS: Insurance is paying for all shingle roofs to be replaced.

HOUSING FOR YOUTH MINISTER: Read the next column. We have exciting news.

Blessings,
Dennis

Opportunity for Housing Purchase

Last Sunday the deacons, finance committee, properties committee and trustees met after church to consider an opportunity to purchase a home for our youth ministry staff. We are looking at a 2013 Solitaire 18 x 80 home. It is currently owned by the Torrance family. The price is \$48,000 including porches and skirting. There will be additional cost of around \$10,000 to move and get it all set up. We will be seeking city approval to place the home on the NE corner of 7th and Clay, or just south of our bus barn. That property was donated to the church by the Leach family. The home is three bed rooms and two baths. It has a large open kitchen, dining and family room. The master bed room has a large walk in closet. It is approximately 1360 square feet. That is less than \$45 a square foot. You will be able to receive a hand out Sunday morning or you can come by the office. After touring the home, the deacons and committee members unanimously agreed to recommend the purchase of the home. The group voted to bring this opportunity before the church this coming Sunday in a special called business meeting immediately following morning worship. The personnel committee also believes that our search for a youth minister will be greatly aided by having a very nice home like this to show.
