**PHILEMON 4 : I THANK MY GOD ALWAYS, MAKING MENTION OF YOU IN MY PRAYERS,**

Pray for your church

Welcome to February and I LOVE MY CHURCH month. Throughout the month we will spotlight different reasons for loving our church family. Each week we will have a great emphasis. There are several ways to show how much you love your church. One is to be a faithful giver. Your generous support allows us to carry on the work and mission of the church. You can show your love for the church by praying. How beneficial it is to have prayers for the church each week. Another way so show your love for the church is by attending. If you really love a place, you will love to go there. Perhaps the best way of saying I LOVE MY CHURCH, is by inviting someone to come with you. I find the when people really love something or someone they talk about what they love. I love to talk about my daughters and grand kids. You know why? I love them. I love to talk about my wife of 41 years, because I love her. I even like to talk about my favorite Mexican food restaurants, because I love Mexican food. So if you love something, you love to talk about it. So we are going to be talking a lot this month about our church. But I hope we are talking a lot about our church to others as well. Show your love for your church by inviting someone to come with you. This would be a great week because we are having Soup-er Bowl Sunday. Invite them to the services and then invite them to stay and enjoy soup with us. I love being your pastor and I love my church.

Blessings,  
Dennis
