Never underestimate how important one day can be. Take your birthday. That was an important day. Or take the day a war started or ended. Those were important days as well. One day can be very important. One day can change the world. Last week we celebrated the Resurrection. That Sunday morning all those years ago was just one day in history. But it was one day that changed the world. Next Sunday we have our ONE DAY REVIVAL. It is only one day. It is Sunday MORNING and Sunday EVENING. ONE DAY could be a very special day. Please begin to pray for Marty Brock who will be preaching our ONE DAY REVIVAL. He will also be our evangelist for our fall crusade as well. Pray for God to work in great ways. Then plan to attend BOTH services. It is not a HALF DAY revival. It is a ONE DAY revival. Marty will be sharing two special messages that God has laid on his heart for us on that DAY. I would encourage you to invite someone to attend with you. This could be the day of decision for a friend or family member of yours. This could be the most important day for eternity for someone you invite. Offer to pick them up, sit by them, or whatever it might take to have them be here. In the Scripture we talk about the DAY OF PENTECOST when Peter preached and 3000 people were saved. Of course there were many factors that played a part in that GREAT DAY. One factor that cannot be overlooked is that one of the major reasons 3000 souls were saved that DAY is because 3000 and more were there that DAY. I am praying for a ONE DAY REVIVAL that is very important to us.

Blessings,
Dennis
