Believe, Learn, And Seek Truth

We Love Kids @ FBC China

A balance of classroom, hands on, and activity driven learning is our approach to teaching kids about Jesus.

We are thrilled to have each kid that comes to BLAST! At times we have to deal with obstacles to learning and as a result we have a very straight forward plan for disciplinary issues. **1. When a child becomes disruptive or defiant they receive a very clear warning. 2. If the child persists we simply call their parent/guardian to come and get them. 3. Each week is a fresh slate and we welcome each kid back, hoping to have a great week.**

We teach the ABC's

A
ADMIT
 Admit that you have done wrong.

B
BELIEVE
 Believe in Jesus!

C
CONFESS
 Confess Jesus as your Lord.

Who is Jesus?
The son of God & Savior of the world.

What is the Bible about?
The Bible is God's word. A collection of writings and letters that share God's Love with us.

Why does God love us?
Because He created us, and sees us as a valuable treasure.

The BIG Wednesday

During months with five Wednesdays we have a special Wednesday night planned.

We begin an action packed evening with our Big Breakfast (we know its dinner time). This is typically a pancake breakfast with plenty of Syrup.

Once dinner is wrapped up we transition into big games! This month our BIG Wednesday will be water games. **Your kiddo might get wet... well probably, okay most definitely will get wet.** These games are group games. Team and individual games. Meant to be fast paced and supper fun.

The last part is our favorite. We gather all the kids & adults then teach them a very simple lesson about who Jesus is, what He did, and what we should do in response. Your child may have questions when they come home about what they have learned. We know that is part of the learning process. They may have questions you don't have answers to. Thats okay as well. If you'd like some help with how to answer we're here to help.

P.S. Parents, you are always welcome to hang out & observe what's being taught.

A personal note from Brother Ben

There are churches everywhere you look. Each one with its own unique group of people. Our church has a deep desire to reach our community. To introduce faith in Jesus, fellowship with each other, and growth toward what God would have us to become. I would love to see your family at church each Sunday. You might find it is a place where you fit right in.
