

Ministry Summary

Worship nourishes and deepens our faith through a variety of prayer experiences and liturgical celebrations. These ministries create an environment with the necessary and appropriate items for all Liturgies.

Word enhances our personal faith through knowledge of the Word of God and Catholic Church teaching and their importance in our everyday lives. Christian formation is a life-long process aimed at growth in faith.

Community draws us together in mutual support, activity, and growth. These ministries create a deep and abiding sense of unity to bind us together in faith and fellowship.

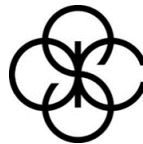

Service focuses on Parish needs (fundraising, marketing, communications, and administrative activities) and the needs of the wider community that fulfill the justice dimensions of Scripture and Church Tradition. We take an active part in assisting all in need, especially the troubled, the poor, the sick, the homeless, the homebound, and the imprisoned.

Vocations creates opportunities for us to identify and nurture people in vocations to the priesthood, diaconate, consecrated religious life, married life, or single life.

“For where your treasure is, there also will your heart be.” (Luke 12:34)

Please prayerfully reflect on God’s blessings in your life and on your response in faith to ministry participation in the Parish.

Please return completed brochures to the collection basket or Parish Office.
