MESSAGE FROM REV. BRENT POMEROY

Today as I turned to look out the window of my office I happened to notice that one of my pictures was hanging crooked on the wall. It didn't look all that bad; it just wasn't lined up quite like I wanted it to be. As I made a minor adjustment to get it squared and level I began to think about how so many other things in life tend to get off-center, out of alignment and off balance.

It happens to busy families who are juggling demands of work, church, school activities and home life. It happens to those volunteers who are wearing many different hats in the church and sometimes find it hard to get it all done. We all do our best to complete the daily "to do" list and smile with pride each time one is crossed off, but the smile fades as we realize that there are already two more "to do's" to add to our list. Sometimes our days feel way out of balance.

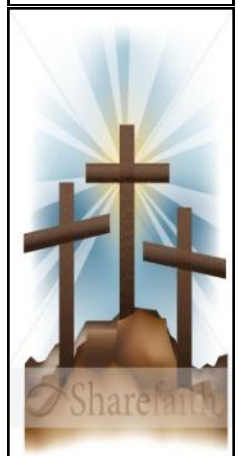

It can happen in relationships, between friends, between husbands and wives and between us and our God. Over time our relationships naturally grow closer, then more distant, then closer again. But in the midst of so much change and with the everyday stresses we all face, sometimes even our relationships can end up feeling a little off center.

The good news for all of us who live imperfect, off-center lives is that the hand of God is always at work making the necessary adjustments. Like straightening a picture on a wall or centering a vase of flowers on the table, God is constantly nudging things back into place creating balance, restoring, reconciling and renewing. It's true, life doesn't always line up like we want it, but thankfully we can trust God to put things in order. I'll see you in church.

CHURCH KEYS

Several members of our congregation need key access to perform their duties. We are going to reassess and redistribute keys as needed. The following people need keys: **Board Officers, Ministry Chairs, Elders and Diaconate. No more than 1 key per family if you are serving.** If you are **NO longer serving** in any of these roles and have a key, please email Patty at secretary@whccsa.org and turn it in to the church office. If you are currently serving in one of these roles and **do not** have a key, please email Patty. We would like to not have the expense of ordering more keys made than is necessary so your help is very much appreciated.
