MESSAGE FROM REV. BRENT POMEROY

As we begin the month of February together I am hopeful that things are beginning to move in a more positive direction. We still have a long way to go before we reach a state of normalcy but with the precautions we're all taking and with the vaccines being distributed it looks like we are slowly getting there. This pandemic has certainly given us lots of time to practice the fruits of the spirit, especially patience, faithfulness and self-control! But now I think we're all ready for some of those other fruits like love, peace and joy.

Here in the church we are fast approaching the season of Lent and we invite you to join us for our Ash Wednesday service on February 17 at 6:30 pm. Lent is a special time of year meant to draw us closer to God through prayer and contemplation. In a time when we have been thinking a lot about our physical health, Lent is a time to pay closer attention to our spiritual health and a time to reflect on our spiritual strengths and weaknesses. Each year the six weeks of Lent give us an opportunity to reconnect with Christ as we are reminded of all that he went through and what he was willing to give to make God's love known in the world. So as we enter into this holy time of year may the light of Christ guide us and may God's peace surround us as we keep moving forward together. I'll see you in church!
