MESSAGE FROM REV. BRENT POMEROY

As we enter into these final days of January we have a lot to look forward to. Many of us are getting geared up for the Super Bowl on Feb. 3. Even people who are not big football fans enjoy the excitement and the entertainment of the "big game." And here at church Feb. 3 is also the day of our annual chili cook-off. The list of contestants is growing but there is still space and still time to enter for those who wish to compete. If you've been thinking about entering, we hope you will. Bring a pot of your best chili and come be part of the fun. And we need plenty of tasters too so if making chili is not your thing but eating chili is, there's a place for you. I've made some revisions on my chili recipe from last year that I hope will be well received but I'm expecting some pretty fierce competition so claiming that coveted golden bowl award won't be easy. But it's always a good time so I hope you'll join us for some really great chili from all our contestants.

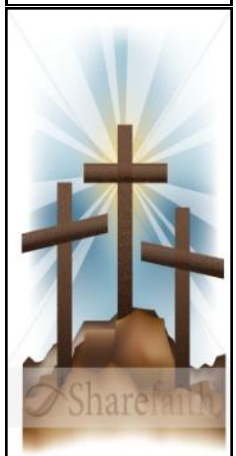

February is also the month that the San Antonio Stock Show and Rodeo rolls into town so we'll be giving a tip of the hat to rodeo and western culture during one of our upcoming church services. We'll have more details and information about that as we get closer.

As people of faith we celebrate together in worship, we work together in mission and sometimes we have fun just being together and sharing some of life's ordinary moments knowing God is in our midst. I'll look forward to sharing all of that with you and I'll see you in church.

CHURCH KEYS

Several members of our congregation need key access to perform their duties. We are going to reassess and redistribute keys as needed. The following people need keys: Board Officers, Ministry Chairs, Elders and Diaconate. If you are no longer serving in any of these roles and have a key, please email Patty at secretary@whccsa.org and turn it in to the church office. If you are currently serving in one of these roles and **do not** have a key, please email Patty. We would like to not have the expense of ordering more keys made than is necessary so your help is very much appreciated.
