Grace Notes....

May is upon us! We have now had our first fellowship dinner after worship since covid and it was a success! Our worship attendance is back to pre-pandemic numbers, Wednesday night bible study is in our last study before a summer break—reading and looking at the gospel of Matthew.

We have regular visitors among us in worship and bible study. There is so much good to celebrate! This month we are celebrating life and all that it has to offer! Yesterday I celebrated with the scouts as they held their first pinewood derby in a while. A rousing success!

We have much to do in the weeks ahead. Prioritizing, planning, creating and more. It is so good to be the church!

Pastor David

This month's Theme Verse to Remember:

Children's Ministry Update

What a wonderful time we have had for the last 6 months at First Christian Church in Junction City! I have enjoyed and been enriched by meeting all of you, especially the children!

Children's Worship on Sunday mornings has been varied and rich as we have learned more about the stories of Jesus and God's love for us.

Our movie night this month saw 20 kids gather for fun, frolicking and a little bit of movie watching. I couldn't have done any of this without the support of the other staff and the volunteers and the kids themselves.

It is with a heavy heart that I let Pastor David and the Personnel committee know a couple of weeks ago that good changes in my family situation and a new call to counseling ministry led me to submit my resignation.

I will certainly miss you all and hope to come back and visit and see how God surely continues to work in the lives of the children at this church and in the community, through all of you.

With the warmest regards,

Pastor Linda

Children's Corner News

Hello Everyone!

I hope you all had a great Easter! April was an interesting and full month! Extreme weather, sickness, testing, picture day and a wonderful movie night! Whew! Nine of our students came with their siblings and had a wonderful time! Thank you Ms Linda for a great time!

This month is our last month of school! It is so hard to believe that we are almost done! We have our last set of parent-teacher conferences, one more trip to the 'Spider Park', pajama day and graduation coming up!

Thank you for the paper towel and toilet paper rolls. We have enough now so you do not need to bring me anymore! We have already started our planes and helicopters for our transportation theme!

Our number of readers has grown to 12 and we have at least 2-3 more that will most likely start before school ends! These kids are amazing!!!

Our enrollment for next year is looking good! We have 19 signed for the morning class and 12 for the afternoon class. If you know of any families that would love to be a part of our school please send them to me.

This has been an interesting year and I thank you all for your prayers and words of encouragement. We could not have done as well as we did if it weren't for all of you! Have a great summer and we will visit again in the fall!

Thank you, Mrs. Agoff
