## *Please Pray For:*

**Pastor David** - Linda Parker and her family. Linda has been diagnosed with breast cancer this week and is quite frightened. Pray for her healing, diminishing her fear and family who are taking care of her.

**Bill Washburne** Cherri is here in Junction City in Avamere. After she was released from the hospital, her doctor would not let her return to her previous care facility, as there were 9 cases of Covid 19 at that facility. Cherri's condition is improving, but she needs to be able to walk on her own before she will be able to return home. Continued prayers for Cherri's condition to improve to a level where she can return home will be appreciated by all. Please include Bill and the family in your prayers, as the stress and strain of Cherri's illness with the turmoil that we are now living in is making it difficult to remain on an even keel and keep one's chin up.
