

PRAYER REQUESTS

Please Pray For:

David Dickson - my parents pastor had a heart attack, is doing better.

Larry & Donna Zabel - Their daughter Lacy has tested positive for Covid-19 and is now in quarantine. Lacy is doing her best to stay away from others, especially her son who is confined to a wheelchair, but that is proving to be very hard, considering the circumstances. Your prayers for Lacy to have mild or no symptoms and recover quickly, plus not to pass the virus to any of her family members, will be greatly appreciated.

Linda Parker and her family. Linda diagnosed with breast cancer, that is now spreading and diagnosed as stage 3. Pray for her healing, diminishing her fear and guidance for family tasked with decisions as to what is best for Linda.

Crystal Arrowood - Crystal is asking for your prayers that she may receive guidance, strength and peace as she faces choices and decisions for herself and her family.

Christina Corelli - having problems with her heart rate and her elevated blood pressure. Also asking prayers for niece, Tracey, is hospitalized with an infection in her finger that antibiotics aren't touching. Prayers for Jan Kawasaki, who is 87, not able to continue to care for Maas because she developed a hernia. After having surgery, Jan has been in Rehab, and will probably not be able to return home till sometime in January. Need prayers as they are unable to find a 24/7 caregiver for Maas. Our prayers for knowledgeable doctors, answers to troubling illnesses, and adequate elder care, will be greatly appreciated by these folks
