

Ice Breaker – Do you have Memorial Day plans?

Scripture – Habakkuk Chapter 2

Questions

This week Pastor Mike continued the series Hope In The Dark. Pastor Mike talked about waiting.

In Chapter 2 Habakkuk was waiting on God. Habakkuk was expecting an answer from God. We should expect that God is going to answer. When you pray and speak to God do you expect he is going to answer?

When we talk to God, we want to tell God what to do. Have you ever tried to tell God what to do when you wanted to hear from him? God tells that I am giving you is better than what you asked for.

We sometimes wait on God, then he tells us what we don't want to hear. Has this every happened to you? God tells that I am giving you is better than what you asked for.

Sometimes we are waiting, and we don't hear from God. Pastor Mike said just because he is silent doesn't mean he is absent. What does this mean to you?

Habakkuk said we need to listen. Then what? We need to write it down. (Talk about ways you can write down - verse to remember, journaling, etc.). We need to believe it, and finally we need to wait.

Discuss some of the notes below from the sermon, and ask people their thoughts on these and pray with those who are waiting to hear from God.

There is an appointed time.

Even in the waiting he hears us.

Satan wanted to take from you what is given.

Listen, write, and wait. Wait on a God who you know is faithful.

If it's not God's time you can't force it.

When it is God's time you can't stop it.

God's delays are not denials.

Just because you don't see it doesn't mean it's not happening.

We need to expect God to move in our lives everyday.

The righteous shall live by faith.

We get righteous by faithful.

The faithful will be righteous.

But God is in his Holy Temple.

I hurt in my heart, but I choose faith.

I have hope in the dark.

Wrestling and embracing.

I'm not going to let go.

Waiting and we choose not to quit.

Week of 05/12/2019

I'm going to embrace in my doubt, in my pain. I'm going to hang on. You are good and what's good for me in mind. We are not going to quit on God.

Wonder in chapter 1, waiting in chapter 2.
