Scripture: 1 Corinthians 1:10-28 Paul tells the people of Corinth to be unified in Christ.

Sermon: "Unity Calmly Considered" The apostle Paul was worried about the lack of unity at the church in Corinth. There have been many denominations that have "split" due to differing beliefs among churches. Through Paul, God tells Corinth (and US) to focus on what is important and brings us together - the cross and the power of Christ!

Don't forget about the Super Bowl party today at 107 Grace Lane in Terrell, hosted by Judy Eppler. The game starts at 5:30 p.m. so come anytime around then. Bring a snack to share and root for your favorite team — or just watch the commercials...either way, it'll be more of the College Mound "Three F's" — food, fun and fellowship!

For God's foolishness is wiser than the than wisdom, wisdom, and God's weakness is stronger than human strength.

Mike Gheen is having a BLOWOUT Furniture Sale in the Pavilion! Everything must go! Mike's got a deal on some gently used hotel furniture — nightstands, dressers, desks, headboards — for the low, low price of just \$20 each! All the proceeds will serve as a little "seed" money for this year's Rummage Sale!

Montana Morris did a great job at the Ft. Worth Stock Show this year with his goat. It was his first year to show and he made it to the second round - not bad!

Donald Foster wanted to wish Darrell Boltin a very Happy Birthday in a special way - so here it is! Hope you had a great, relaxing day!

The Men's Group will be having a clean-up day at the Parsonage on Saturday, February 8th or the 15th. Darrell Boltin will be contacting the men when the actual date is determined. They need rakes, weedeaters, tree trimmers and other implements of destruction, along with plenty of willing helpers!

Every year about this time, we face the same burning question...how do you keep the queso smooth and creamy throughout the duration of your Super Bowl party? The secret is simple and involves ordinary items from your pantry. shredding or dicing up your cheese of choice, place it in a large Ziploc baggie, along with 1 tablespoon of cornstarch per half pound cheese. Shake it up so that everything is coated. Pour into a microwave safe dish, along with 1 can of Evaporated Milk microwave until melted (stirring occasionally). Drain your Rotel before adding to the melted cheese. Try it – it really works! No party fouls here!

The Supper Club met last Friday at the Yellow Rose Restaurant in Terrell for some great food and good conversation! The Supper Club meets each Friday night at 5:30 p.m. at a different restaurant in the area. All are welcome to join - contact Judy Eppler to find out where they will meet next week!
