

## **A FATHER'S BEST INVESTMENT**

Ben Stein graduated from Columbia University in 1966 with honors in economics and was valedictorian of Yale Law School in 1970. He is a lawyer, professor, actor, writer, author and frequent guest on Fox News to talk about finance. Certainly, he is qualified to answer the question, "What's a good investment?" However, his answer might surprise you. He said, "Go home from work early and spend the afternoon throwing a ball around with your son."

Where are we investing our time? The only thing we can take to heaven with us are our children, not our bank accounts. Go throw some ball.
