

LAUGHING HIS WAY TO BELIEF

Lee Strobel is a Teaching Pastor at Saddleback Valley Community Church in Southern California. In his book, "God's Outrageous Claims", he shares his own pilgrimage to Christ. He wrote, "I used to consider the Resurrection to be a laughable fairy tale. After all, Yale Law School had trained me to be coldly rational, and my years of sniffing for news at the Chicago Tribune had only toughened my naturally cynical personality. But intrigued by changes in my wife after she became a Christian, I spent nearly two years systematically using my journalistic and legal experience to study the evidence for the Resurrection and the credibility of Jesus' claims to being God. I emerged totally convinced and gave my life to Christ . . ."
