

*"Rules You Never Learned In School"*

Rule #1: Life is not fair; get used to it.

Rule #2: You will not make 100 thousand dollars a year right out of high school.

Rule #3: If you think your teacher is tough, wait till you get a boss.

Rule #4: If you mess up, its not your parent's fault.

Rule #5: Before you were born, your parent's weren't as boring as they are now.

Rule #6: Before you save the rain forest try delousing your own closet.

Rule #7: Your school may have done away with winners and losers, but life has not.

Rule #8: You don't get summers off anymore.

Rule #9: Television is not real life. In real life people actually have to leave the coffee shop and go to their jobs.

Rule #10: Be nice to nerds. Chances are you'll end up working for one.
