

**“Churches working together to fulfill Jesus’ Great Commission.”**  
**Matthew 28:18-20**

Greetings from Union Coon Creek Baptist Church,

Like all we have been cold and snowy yet enjoying an otherwise mild winter. We missed the first Sunday of February due to weather related conditions. Sunday messages have been going through the Gospel of John and Wednesday evenings has got us in the book of Romans. We had 8 people who went to Springfield for the State Evangelism conference. We are hoping that the Sunday morning service of February 22 with the group Glory Road went well and the weather did not prevent them from coming and presenting the gospel through music. We are now getting ready for our Wild Game Supper the evening of March 7 and invite all to bring a wild game dish and join us. May we all grow in the Grace of Jesus Christ as it shines upon all.

The Association is discarding older books from the Media Library. If you are interested, please let Debbie know or stop by the Mission Center and take what you want. Plans are to have them available in the front foyer to give away to anyone that wants them. There are single book commentaries and many other books available.
