"The Gift of Life" DVD with Governor Mike Huckabee is available to check out. This DVD is hosted by former Arkansas Governor Mike Huckabee, explores the sanctity of life as a moral issue and looks at the lives of individuals who were nearly the victims of an abortion, but through God's grace were spared. Some went on to great accomplishments. These stories are all around us. They help us define the culture of life.

"God Makers" Updated and expanded book is also available. This book tells "a shocking expose of what the Mormon Church really believes. See Debbie to check out either of these items.

From My Heart to Yours

"For God is my witness, whom I serve with my spirit in the gospel of His Son, that without ceasing I make mention of you always in my prayers." Romans 1:9

"I thank my God always concerning you for the grace of God which was given to you by Christ Jesus." 1 Corinthians 1:4

"Therefore I also, after I heard of your faith in the Lord Jesus and your love for all the saints, do not cease to give thanks for you, making mention of you in my prayers;" Ephesians 1:15-16

"I thank my God upon every remembrance of you, always in every prayer of mine making request for you all with joy." Philippians 1:3-4

"We give thanks to the God and Father of our Lord Jesus Christ, praying always for you, since we heard of your faith in Christ Jesus and of your love for all the saints;" Colossians 1:3-4

"We give thanks to God always for you all, making mention of you in our prayers, remembering without ceasing your work of faith labor of love, and patience of hope in our Lord Jesus Christ in the sight of our God and Father." 1 Thessalonians 1:2-3

Paul gave thanks for these churches and no doubt many others. He steadfastly prayed for them that they would bring glory to God and would be blessings to one another and to others. Obviously, Paul believed that they needed prayer and that he needed along with others to pray for them.

I am very thankful to God for every church in our Association, and I pray for each church by name most every day. I am grateful for every individual and which who pray for one's own church but also pray for other churches in our Association as well.

I believe our Lord is answering prayers beyond what we realize, I believe he will do even more in our churches as we pray more and as more people pray with thanksgiving and unselfishness for our own church and for other sister churches.

In this day and time our churches are desperately in constant need of prevailing prayer. Keep it up—the souls of people are in the balance!

Give generously to the Annie Armstrong Offering— there is so much spiritual need in our beloved North America— our offerings can help greatly to meet these needs through our NAMB missionaries and ministries!

For His Glory-

E.J. Barnes

Edinburg- We hosted the Associational Men's Prayer Breakfast on Saturday, January 21st with around 38 men present.

Bro. Stan and our 3 new VBS Directors attended the NGRBA Early VBS Clinic on Monday, January 23rd.

We secured our VBS materials and enjoyed Kayla Michael's challenge.

We are looking forward to our VBS coming up this year and we are excited to see the interest that is already growing as we plan for our new year with 3 ladies working the the Director's position. Judy Turley who has always done such a superb job for the last 11 years has stepped down and it is going to take 3 to fill her shoes.

Sunday, January 29th, we had our annual Baptist Men's Day with our men singing in the Praise Choir, giving testimonies, reading scriptures, bringing special music, and sharing the morning message. Sunday evening we had our 5th Sunday special program in which we had "Old Fashion Game Night". We had a very enjoyable evening.

We have a young man who has given his life to the Gospel Ministry and has shared in our pulpit and I would highly recommend him if you need to have your pulpit filled any time. Just contact me and I will get you in touch with him. My phone number is 654-1186.

We now have our Sunday Worship services on the internet if you're interested you can find it at sermon.net/edinburgbaptist.

Gallatin- Fifteen couples attended "The Art of Marriage" Marriage Retreat held on February 10 and 11. The response to this retreat was excellent. Bro Marty is in the process of scheduling another conference in the near future and already has 12 couples signed up. Please plan on attending and receiving a true blessing from this conference. If you signed up last year and were not able to attend, we have your books ready for you. The cost for the retreat is \$35.00, please contact Bro. Marty for details

Medicine Valley- Winter weather and widespread illnesses have forced cancellations of some services in both January and February/ Even so our average attendances have tended to hold firm in both Sunday School and Worship.

Participation in the Home Bible Study Group meetings at Humphreys have been lower averaging 7 or 8 in attendance. We pray for adults who are already solid in the faith and their commitment to the Lord to become involved in the Humphreys area ministry.

We are thrilled at the response to our newly developing ministry to those with special spiritual needs. "Celebrate Recovery" is an excellent instrument of help for those with major problems such as abuse of alcohol, drug addiction, family and marital problems and other areas of need.

Celebrate Recovery meets on Friday's at 7:00 p.m. in the Chapel sanctuary at Newtown. Except when weather has interfered we have been having 15 or 16 people present at these sessions. This includes a leadership team of up to five from 10th Street, whose assistance is invaluable.

We have moved our Newtown Bible Study and Prayer Meeting from Wednesday nights to 6:00 p.m. on Friday. We began on February 17 a four week preview study of the movie "Courageous".

It will conclude with a showing of the movie on the following Sunday at 6:30 p.m. Some of those who have begun attending "Celebrate Recovery" have also become involved in the six o'clock study of "Courageous".

Plans for Easter observance include a four session study at 6:00 p.m. on Friday's on the meaning of the crucifixion and resurrection of Christ, concluding in combined services on Good Friday. Special services are also being planned for Palm Sunday and for Easter Sunday.

Meanwhile we continue to pray the Lord of the harvest to send forth workers. Our present needs include development of Team Leaders in

Medicine Valley Continued-

"Celebrate Recovery", additional mature Christian leaders in our work at both Newtown and Humphreys, additional funding to undergird our total ministries (a critical need at this point) and above all else the continued prayer support of all God's people.

We remain as always, humbled by the response of his people to the ongoing needs of this, "Mission in your own backyard".

We pray God's continued blessings upon you all!

Princeton- Daylight Savings Time is upon us - March 11. How time flies.

Men's Breakfast is Saturday morning at 7:00 A.M. on March 10.

We will be showing the movie "Courageous" on Sunday evening, March 11 @ 6:30 pm. Anyone is invited to attend. Flyers have been put up around town.

Week of Prayer for Annie Armstrong is for the week of March 4 - 11. WOM 1 will have their noon luncheon on March 5 and WOM 2 on March 6.

First Day of Spring is March 20 - I am ready to see some beautiful flowers and trees blooming out!

Salem- First of all I need to make a correction from last months Encourager on the Women of Faith seminar for mothers and daughters that our church is attending, it will be in Omaha, not Oklahoma as stated before.

On February 5th, Bro. Tim shared a video with us that Sunday evening. about a group of students, some as young as 16, making a trip to Viet Nam to smuggle Bibles to that country. Mercy, it was an eye opener and very scary for them. They had to hide everything they did because they were watched all the time. They would meet in secret with the people over there,

Salem Continued-

and those people were so happy and excited that they had come. We have more of the video to watch. We are having a speaker come in the near future to speak to us that is involved with this group.

The 12th of February the youth of our church prepared a whole Valentine meal for the church. It was well prepared, a full meal, and nice decorations. They cooked it all and served us at the tables. Everyone enjoyed it, and the youth had a lot of fun preparing it. A Valentine game was played afterward by all. What a fun night!!! Cards and candy were also passed out to the children.

February 19th we watched the film "Courageous" on our new movie screen. What a very good movie. Very impressive film. Everyone should see it. We also had finger food and popcorn to munch on during the movie. Another fun night at Salem. Next Sunday night we are back into our study of Revelations.

Trenton First- Our Awana ministry is continuing to have good attendance. We are blessed by several new adults working with the children as listeners. A large group of ladies are doing the Beth Moore Bible Study on the book of James. Carolyn Chesnut is the study leader. Our first fifth Sunday event for 2012 was January 29th with "Kindred Spirits" in concert. Many in our community were blessed by their ministry. Our next fifth Sunday event will be April 29th with a Singspiration coordinated by Matt Remus.

The Monday evening Archery Shoot/League is very well attended. If you don't want to participate you are welcome to come and watch.

Senior adults enjoyed breakfast at Cindy's in Galt in February. March 16th they are having a St. Patrick's dinner. Richard Ashenfelter will entertain with storytelling.

A new Women on Mission group has started. They will meet the second Tuesday each month at 7:00 pm.

BSU @ NCMC

Last month I asked you to be praying with me for the mission projects the BSU is embarking on for this year. Keep praying, because God is listening and moving.

The mid-winter January retreat at Grand Oaks was covered by a strong presence of God's Holy Spirit. 85 college students from all 4 campuses attended. NCMC had 12 present, which included 2 of our 7 international students that are attending NCMC this spring. God spoke and transformed many hearts, and some of the evidence was apparent the very next morning when 6 of our students attended morning worship with Christina and then ate lunch with us in our home for Sunday dinner. These students also agreed to bond together in a 9:15 am Sunday Bible study at the BSU before attending worship in a local church. Church families, pray that this small flame of desire to study God's Word with each other will burst into a raging fire that can't be quenched. If by some miracle a craving for His Word can be burned into their hearts, then God will take care of the rest of their walk with HIM.

Encounters with students, small impromptu Bible studies, and conversations about Jesus are beginning to happen on a daily basis all over the campus. Christina has started a conversation group on Thursday mornings at Cross Hall's sandwich shop. EJ and I have eaten lunch on Mondays at the cafeteria, where we have been able to visit with students. Prayer walking the campus has given us opportunities to pray with students who have seen us and made a detour in their path to ask us to pray for them.

There are 7 international students who need adopted families who will welcome them into their home for holidays and weekends to ease their loneliness as they are far away from home. These students come from families who are very influential in their country's government. Is there a simpler way to be a foreign missionary than to bring a foreign exchange student into your home? Nurture them, love them, share Jesus with them to the point that they embrace a personal relationship with HIM, and then send them back to their country a strong disciple of Jesus Christ, where they will have the governmental position to transform their country from the inside out. If you are interested in being an adoptive family please let me know quickly, as these students are making plans for the summer break. They need homes that will take care of them and love them.

Continue to pray for our spring break mission trip to Ottumwa, IA, March 21-24, as we host a DNOW conference at Jeremy Skinner's church, Albia Road Baptist church. Last year there were 50 students involved with 2 middle school students receiving Jesus as Lord. We also pray drove the campus of Indian Hills Community College and worked in a thrift store. This year we are asking God to build on last year's start.

The Canada Mission trip, May 23-June 1 will be at Shoal Lake Indian Reserve. Jay Kim, NAMB, has asked us to come and help him convert a home in Shoal Lake into a church facility. It will be the very 1st church presence on this reserve. We need people with construction skills, people skills, praying skills, and a heart to serve Jesus in any way He moves. We plan to do morning prayer services, prayer walking, outdoor sports with students, fishing with the natives, evening concerts, worship services, and sharing meals with the people as they did in Acts 2:42 "All the believers devoted themselves to the apostles' teaching, and to fellowship, and to sharing in meals (including the Lord's Supper), and to prayer." We're doing this with the purpose of strengthening the very small community of believers that was begun through a house Bible study, Jay Kim started last fall. This is the perfect opportunity for you to be a part of the very beginning stages of starting the very FIRST church presence ever to be on this Indian Reserve. The trip is only 9 days. Nine days to help jump start a new community of believers who want to worship Jesus and share Him with their neighbors.

Spring, Annie Armstrong Emphasis and More!

Ladies, I'm suffering "withdrawal" from two months of mission our associational program and prayer luncheons! Weather in both January and February caused our WMU Council to cancel the monthly meetings. But I was blessed to be invited to the startup meeting of a new WOM group! FBC Trenton's WMU Director Doris Pilcher had a group of ladies interested in an evening group. I was privileged to be part of this new beginning with their first meeting including a devotional and prayertime, followed by selection of new officers.

Our March 20th Spring Program and Prayer Luncheon will feature guest speaker Virginia Stephenson, our Northwest Regional WMU Consultant. She had been scheduled to speak at our February program during WMU Focus Week. We will also be taking up a special offering as our mission project. After our 10:30 am program, we'll have a covered dish luncheon. We pray that we'll have spring weather!

Shelly Sims from FBC Gallatin will be sharing about her recent medical missions trip to Haiti at our April 17th Program and Prayer Luncheon. Belinda Hogan will also share about her trip to help with the Shoebox Ministry.

WMU Directors, if I can help in any way with your March emphasis on the Annie Armstrong Easter offering, please call me.

I pray that our WOM groups that have not met this winter will begin meeting and that more new groups, even other age-level groups will begin.

WOM groups, Medicine Valley Food Pantry can use boxes of cereal and more peanut butter. This would be a good missions project!

ONE MINUTE EACH NIGHT

This is the scariest election we as Christians have ever faced, and from the looks of the polls, the Christians aren't voting Christian values. We all need to be on our knees. Do you believe we can take God at His word? Call upon His name, then stand back and watch His wonders unfold. This scripture gives us, as Christians, ownership of this land and the ability to call upon God to heal it. I challenge you to do that. We have never been more desperate than now for God to heal our land. This election is the scariest I remember in my lifetime. 2 Chronicles 7:14. 'If my people, which are called by my name shall humble themselves, and pray, and seek my face and turn from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal their land.' During WWII, there was an advisor to Churchill, who organized a group of people who dropped what they were doing every night at a prescribed hour for one minute, to collectively pray for the safety of England, its people and peace. This had an amazing effect, as bombing stopped. There is now a group of people organizing the same thing here in America. The United States of America, and our citizens, need prayer more than ever!!! If you would like to participate, each evening at 9:00 P.M. Eastern Time (8 PM Central, 7 PM Mountain, 6 PM Pacific), stop whatever you're doing, and spend one minute praying for the safety of the United States, our troops, our citizens, for peace in the world, the upcoming election, that the Bible will remain the basis for the laws governing our land, and that Christianity will grow in the U.S. If you know anyone who would like to participate, please pass this along. Someone said if people really understood the full extent of the power we have available through prayer, we might be speechless. Our prayers are the most powerful asset we have.

Swords Into Plowshares Ministry to Discontinue

The Swords Into Plowshares Advisory Committee, the people of Belarus, and God thank you for your dedicated support of the Swords Into Plowshares Ministry. Over the last 16 years you have helped hundreds of Belarusian families with cows, horses, sheep, goats, chickens, bees, geese, tractors, and farm machinery.

The Belarusian people could hardly believe that people in a far away land could love them enough to give them such wonderful gifts.

The Missouri Baptist Foundation will still provide a way to give. Make contributions to: Missouri Baptist Foundation, Belarus Ministries Support Fund. Provided written information concerning the purposes in Belarus for which the gift is being made.
