

Hello!

This past month has been filled with blessings of a ton of students flowing in the BSU whether it's Wednesday lunch, Sunday dinner or Tuesday worship God has been blessing!

This month we have been collecting goods for Ronald McDonald House charities which has gone over quite nicely so far this month and we plan to deliver these donations Nov.4!

Upcoming quickly is our Annual Thanksgiving meal November 19th. We are still in need of side dish items like mash potatoes, yams, rolls, stuffing, salad and we could always use desserts! If you would like to donate goods I need them by November 17th. If you would like to help serve or cook please contact me!

Also coming up quickly is finals week. We plan to give away at least 150 bags, we need items like coffee, chocolate, snack items, mints, gum, stress balls, encouraging notes etc.. If you would like to donate towards those, I need items by the end of November.

Thank you for all the support and prayers!

In Christ,
Christina Boatright

Pray Across Missouri Fall Tour

Dr. Yeats with Missouri Baptist Convention has been going across Missouri to each county to pray. This is a cooperative effort between MBC, the Association and Churches.

The hope is for churches, pastors, lay people and elected officials to come together to pray for the elected officials and the communities in the county to be impacted and transformed by the gospel. Other evangelical churches are encouraged to participate.

Each county in North Grand River has a pastor enlisted to do the important task of serving as pastor/leader. Steve Dennis, NGR Prayer Director, has enlisted a pastor for each county. Hopefully you will be able to attend your counties prayer focus.

Women Mission minded and United

Associational WMU met October 17th at the Mission center with a small but mighty band of women committed to missions. The group opened with prayer for the association, several missionaries that we know, hurricane victims and, Missouri Days and our President.

Several ideas were put out for plans for Missouri days. Shelly will set up Saturday, offering water, hot cocoa and coffee. Also we will serve cookies.

Our project for the day was labeling bottles of water to give out at various events. Debbie made our labels and the rest of us put them on.

We discussed some of the programs at the Regional Mission Celebration at Grand Oaks in September. One of the most impressive presentations was the story of "Love Packages", a mission in Butler, Illinois. They collect and send out 200 tons of Christian literature a year to groups all over the world that don't have access to bibles and training materials. It is hard to imagine that some churches are so poor that not even the pastor has a Bible. It was exciting to hear how the literature was transforming churches. Several local churches are collecting literature for this mission. Belinda Hogan is a local participant.

We discussed getting ready for the Lottie Moon offering for International Missions that is collected in December.

The next meeting is Monday, November 6 at Trenton FBC in the basement at 10:30 am. This will be the Baptist Women's World Day of Prayer. A speaker is planned plus a program on international missions. A carry-in luncheon is planned.

Our scripture for the day was Acts 4:4a- "*But many of the people who heard believed--*".
